**Description:**

**(i) Animation video**

- The use of audio-visual aids helps in maintaining discipline in the class since all the students attention are focused in learning. This interactive session also develops critical thinking and reasoning that are important components of the teaching-learning process.
- Traditional verbal instructions can be boring and painful for students. However, the use of audio-visual provides intrinsic motivation to students by improving their inquisitiveness and stimulating their interests in the subjects.

**(ii) Forum Theatre Technique:**

- Forum Theatre has been used as an interactive teaching and learning technique that requires students to participate actively in the process of developing a script, memorizing, engaging in forums, acting and expressing ideas.
- It allows students to appreciate the value and think about what they are doing. Students also have the opportunity to engage in intellectual, emotional and physical development

**(iii) Zero Minute Speech:**

- The activity Zero Minute Speech is an impromptu speech where the speaker is supposed to express the idea(s) on the given topic, within the duration of a minute.
- The important topics were allotted to set of students on spot and they will give a speech on the topic with doubt clarification among classmates.

**Goals (Learning Outcomes):**

- The students will be able to analyse scientific management and human relations approach through animated video.
- The students will be able to gain knowledge on organization culture and environment through forum theatre technique.
- The students will be able to describe types and elements of organization culture through zero minute speech.

**Use of appropriate method:**

**Justification for choosing the following Activities:**

- **Audio & Video Tools:** According to the Webster dictionary, audio-visual aids are defined as training or educational materials directed at both the senses of hearing and the sense. Audio-visual provides opportunities for effective communication between teachers and students in learning.
- **Forum Theatre Technique:** To involve all the students and share their knowledge among the group members on the topic and each of the group members will play the entire role in the round-robin method.
- **Zero Minute Speech:** Leads to express the basics of the particular topics by different students.

**Effective Presentation: (Implementation (Plan & Execution) with Proof):**

- **Animation:** Students can easily understand the organization culture through animation video and also gives some input to recall the information from their conventional learning.

- **Forum Theatre Technique:** Students are more willing to question a character's behaviour when they have this suspension of disbelief: the idea that they are watching and interacting with the character as a real person draws the audience into discussions, debates and questions.
- **Zero Minute Speech:** It does not need a big preparation so I can involve the slow-learners also.

**Animated Video for Scientific Management and Human Relations Approach  
on 02.01.2020 (10 Minutes)**

**Forum Theatre Technique for Organization Culture and Environment on  
07.01.2020 (20 Minutes)**

**Zero Minute Speech for Types and Elements of Organization Culture on  
09.01.2020 (10 Minutes)**

**Significance of Results: (Assessment of Effectiveness/Success of the Activity):**

- **Animation:** All the students easily understand the Scientific Management and Human Relations Approach and able to see their interest in non-conventional teaching methods.
- **Forum Theatre Technique:** Group members actively participated and delivered their best.
- **Zero Minute Speech:** Students delivered the topics with examples of the types and elements of organizational culture.

**Changes required for future (if required):**

- Need to plan extra time for forum theatre technique.
- Need to give chance to all the students for zero minute's speech.

**Reflective Critique:****Challenges:**

- **Animation:** Need to show more than one video to explain the concept.
- **Forum Theatre Technique:** Few Students hesitate to play their role.
- **Zero Minute Speech:** Students were struggled to deliver the information within the allotted time.

**Benefits:**

- **Animation:**
  - The animation is eye-catching, It is useful when quickly getting and holding the audience's attention
  - The animation can show the imagined objects in the gesticulation, It is ideal for demonstrating processes
  - Interactive learning with live-action animation keeps learners interested and reinforces skills.
- **Forum Theatre Technique:**
  - In which the audience is not just watching them play. Viewers can comment on the action, to intervene directly, participate as a character in the show, and try to bring the play to a different conclusion.
- **Zero Minute Speech:**
  - Able to recall few topics quickly and students will link the topic with real-time examples.
