

RAMCO INSTITUTE OF TECHNOLOGY

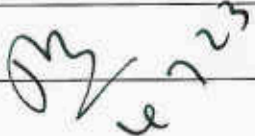

Academic year: 2023 - 2024

Participation Report on Conference / Workshop / FDP / Industrial Training / STTP

Name of the Faculty / Staff	:	Ms. S. Selva Birunda, Assistant Professor
Department	:	Artificial Intelligence and Data Science
Title of the Programme	:	Artificial Intelligence & Machine Learning using python
Organisation	:	V3 Analytics Pvt. Ltd.
Venue	:	V3 analytics Pvt. Ltd., Madurai.
Duration	:	5 Days, 27.06.2023 – 01.07.2023
Major Topics and Resource Person	:	Mr. Lakshmi Narasiman (Trainer), Mr. Gideon Philip (Trainer) Mr. Vinod Krishnan (Trainer) and Mr. Manikandan Subramanian (MD – Geons Logix), V3 analytics Pvt. Ltd., Madurai. Introduction to python programming, Object Oriented program concepts using python, Packages (Pandas, Numpy and Matplotlib), statistics concepts, Linear Regression and Real time application – “Automatic Transportation Counting and classification system”.
Experts Interacted	:	Mr. Lakshmi Narasiman (Trainer), Mr. Gideon Philip (Trainer) Mr. Vinod Krishnan (Trainer) and Mr. Manikandan Subramanian (MD), V3 analytics Pvt. Ltd., Madurai. Mr. M. Ramnath, Assistant Professor, Department of Artificial Intelligence and Data Science & Ms. S. Selva Birunda, Assistant Professor, Department of Artificial Intelligence and Data Science
Outcome of the Program	:	Gain more knowledge about python libraries, OOPS concepts. Understand how to analyse the data deeply. Got a clear idea about how to apply the algorithms to real world problems namely, Automatic transportation counting system. This five days industrial training is very much useful for having in-depth intuition about Linear Regression and carrying out the research in real world Machine Learning related problems.
Suggestions for Future follow up, if any (Indicate new courses possible Workshop, Placement & Training, Equipment's / Proposal)	:	Guest lectures and workshop on Artificial Intelligence and Machine Learning using python to our students for carrying their mini projects and final year projects.
Financial Support Received	:	TA / DA Registration Fees /head Yes Nil.
Copy of Paper / Certificate Attached	:	Yes (Attendance sheet)

FACULTY INDUSTRIAL TRAINING REPORT

Handwritten signature and date 23

Name of the Faculty Member(s): Ms. S. Selva Birunda, Assistant Professor

Duration of Industrial Visit and Date: 5 days (27.06.2023 – 01.07.2023)

Name of the Industry with address: V3 Analytics Pvt. Ltd., Madurai.

Field of Learning: Artificial Intelligence and Machine Learning using python

Objective of the Training:

Introduction to python programming, Object Oriented program using python, Packages (Pandas, Numpy and Matplotlib), statistics concepts and Linear Regression, Real time application – “Automatic Transportation Counting and Classification System”.

Introduction about Industry:

V3 Analytics operates at the intersection of strategy, technology and design to improve performance outcomes for organizations. We help clients become analytics-driven organizations that achieve better performance through data. The sheer amount and variety of existing and new data generated in the world today are unprecedented. As this growth continues, so do the opportunities for organizations to use their data to create change that matters. V3 Analytics helps clients identify and capture the most value and meaningful insights from data, and turn them into competitive advantages.

Dear Sir,

Sub: Permission for Industrial Training – Faculty Members – Regarding.

The Program Assessment and Quality Improvement Committee (PA & QIC) members and Department Advisory Committee (DAC) members of the Department of AI&DS, Ramco Institute of Technology have suggested providing industrial exposure to our faculty members. In this regard, the following faculty members have expressed their interest in visiting your esteemed concern preferably on 27.06.2023 to 01.07.2023 for 5 days. The faculty members' details are as follows:

1. Ms. S. Selva Birunda, AP / AI&DS
2. Mr. M. Ramnath, AP / AI&DS

This visit would definitely help our faculty members to understand the various processes and the components related to AI & ML and the same can be disseminated to our student community effectively, while they teach the subjects AI & Data Science domain subjects.

We request you to kindly accord the necessary permission for the above training. We assure that our faculty members will follow the rules and regulations that are prescribed by your industry for the visitors. We shall be grateful to you for a favorable response.
