38.	16.07.2025 to 18.07.2025	Er.R.Udhayasankar Managing Director BTR Constructions, Erode	3 Days Value Added Course on Building Modelling using Softwares (AutoCAD, SketchUp & Twin Motion)	I

Industry Institute Interaction (Technical Event Organized)

Sl.No.	Academic Year	Initiatives	Implementation
RIT Center of Excellence for BIM Laboratory in association with Bentley & TechApps			
1.	2021 - 2022	- RIT Centre of Excellence for BIM lab is established in the year 2022. - Software access for Open Building Designer (BIM), STAAD Pro, Open Roads, and other products available for academics from Bentley Education was purchased for students - Faculty training programme was planned to be conducted through the resource person from TechApps, Chennai, to enhance students' practical skills.	- Conducted a Guest lecture on Bentley BIM Advance Software Education Program for Academic on 02.12.2021 for 36 students and 12 faculty members - Conducted a webinar on Reality Modelling on 18.05.2022 in which 60 students and 10 faculty members were participated and gained the knowledge on Reality Modelling - Conducted a webinar on “Standard Operating Procedure for Bentley Certification” on 19.05.2022. In which 12 Faculty members were trained for Bentley certification programme.

2.	2022 - 2023	Value-added courses and Skill development programs for the students were planned through the resource person from TechApps, Chennai to enhance their employability.	- Conducted a value-added course on Open Building Designer during August 25 & 26, 2022. In which 80 students were trained. - Conducted a skill development training program on STAAD.Pro Connect Edition during January 27 & 28 and August 27 & 28, 2023. In which 50 students were trained. - Skill development training programs on BIM Software were conducted during July 2023 for III & IV year Civil Engineering students.
3.	2023-2024	Training for III & IV students on STAAD.Pro Connect Edition V22 was initiated.	Conducted Hands-on Training on “STAAD.Pro Connect Edition V22” during 27.06.2023 & 28.06.2023 for III & IV year students
4.	2024 - 2025	Value-added courses and Skill development programs for the students were planned through the resource person from TechApps, Chennai	Conducted Hands on Training on Modelling, Analysis and Design of RCC & Steel Structures using STAAD.Pro during 24.06.2025 to 28.06.2025
Larsen & Toubro Limited, Chennai			

5.	2022 - 2023	• MOU Signed between L&T & RIT on 09.09.2022 to enhance students' employability skills through L&T Campus Connect Program • Students are suggested to take up L&T EduTech courses.	• 34 students have completed the L&T EduTech online courses like Concreting Techniques and Practices, Design of Reinforced Concrete Buildings & Practice, and Formwork Engineering Practices
6.	2023-2024	• Seminar by L&T Resource person on Non – Destructive Testing was arranged for III-year students.	• Conducted Non-Destructive Testing training on 30.01.2024 & 31.04.2024
7.	2024-2025	• Discussion with HODs by L&T experts for curriculum design and professional elective courses offered by L&T was initiated.	• Completed interaction session by Mr.Muneeswaran, L&T Manager with Dr.S.Dharmar, HOD/Civil and Dr.G.Karthikeyan.
The Ramco Cements Limited			
8.	2021 - 2022	• Industrial Visit and Internship were scheduled for II, III and IV year students	• II, III, and IV year Civil Engineering students visited the Ramco Cements, R.R.Nagar on 12.11.2021. • I year Civil Engineering students have visited the Ramco Cements, R.R.Nagar on 06.05.2022.

9.	2022 - 2023	Guest lectures, Industrial Visits, and Internship were planned for II, III and IV year students	- Conducted a Guest lecture on Ready Mix Concrete and cube contest for III and IV year Civil Engineering students on 06.10.22 4 Final year students have completed the project internship from 13.07.2022 to 08.08.2022
10.	2023-2024	Planned for an Invited Talk on Mix Designs by the Ramco Cements Industrial Experts.	Conducted Invited Talk on Mix Designs & Cube Contest II on 07.02.2024 for III & IV year Civil Engineering students
11.	2024 - 2025	Planned for Concrete Cube Contest by the Ramco Cements Industrial experts.	Conducted Concrete Cube Contest III on 05.05.2025 for III and IV year Civil Engineering students
Ramco Industries Limited			
12.	2022 - 2023	Industrial Visits arranged for II and III-year students	II year Civil Engineering students visited Ramco Industries Limited, Gangaikondan on 13.08.2022.
Infinity PMC Solutions Pvt Ltd, Chennai			

13.	2020 - 2021	A webinar series was planned for the students and faculty members through industry experts from Infinity to introduce the project planning software.	Technical Webinar Series on Project Management in Construction Industry using Primavera, Digital Estimation and Latest Techniques in Construction Projects using 5D BIM & Cost X, Benefits of 4D Planning and Project Monitoring using Asta Power Project during 29.07.2020 to 31.07.2020
14.	2021 - 2022	Value-Added Course on Project Planning and Management using Primavera were initiated.	Conducted Anna University Approved Value-Added Course on Project Planning and Management using Primavera from 11.11.2021 to 15.11.2021.
Pyramid IAS Academy, Karaikudi			
15.	2021 - 2022	Guest lecture was planned to be conducted for II, III and IV year students	Conducted a Guest lecture on career opportunities in Civil Engineering on 14.02.2022
16.	2022 - 2023	Employment Opportunities in Civil Engineering for II, III, and IV year students are planned	Conducted a Seminar on Employment opportunities in Civil Engineering on 02.05.2023
Builders Association of India			
17.	2021 - 2022	Technical seminar was planned to be conducted for II, III, and IV-year students	Conducted a Technical seminar on Alternative Building Technologies on 04.11.2022

18.	2022 - 2023	Inauguration for Department Association (RIT STRUCTA) was planned	Inaugurated the Department Association RIT Structa on 09.09.2022
Land Coordinates Technology, Chennai			
19.	2021 - 2022	Technical webinar was planned to be conducted for II-, III-, and IV-year students and Faculty members	Conducted a Technical webinar on Recent Trends in Coordinates Based Survey Technology on 10.07.2021
20.	2023-2024	Guest Lecture was planned to be conducted for III & Faculty Members	Conducted Guest Lecture on the 'Drone & LIDAR based map creation" 28.07.2023
21.	2023-2024	Workshop was planned to be organized for III & IV	Conducted Workshop on Total Station & DGPS 11.10.2023 & 12.10.2023
22.	2023-2024	Workshop was planned to be organized on DGPS Survey IV & Faculty Members	Conducted Workshop on DGPS Survey
23.	2024 - 2025	Hands on Training using DGPS was planned to be organized for external participants and students	Conducted one day Hands on Training on Mapping using DGPS on 24.07.2024
24.	2024- 2025	Hands on Training using Drone Surveying was planned	Conducted one day Hands on Training on using Drone Surveying on 24.10.2024

V-Invent Chemilab Pvt. Ltd			
25.	2020 - 2021	Final year students were given opportunities to do industry-related project.	3 final-year students have completed the experimental project on developing a system for fixing plaster panel
Innowell Engineering International Private Ltd, Sivakasi			
26.	2023-2024	Guest Lecture on Global Green Initiative was arranged for III & IV students.	Conducted Guest Lecture on Global Green Initiative
WRD, Regional Quality Control Laboratory & Sub Division,			
27.	2023-2024	Field Visits were arranged for third-year students to explore the various equipment in WRD.	Conducted Value added course on QA and QC in Construction at Quality Control Lab, WRD, Madurai

Seminar Report

Department of Civil Engineering of Ramco Institute of Technology, Rajapalayam in association with Pyramid IAS Academy, Karaikudi organized the **SEMINAR ON "EMPLOYMENT OPPORTUNITIES IN CIVIL ENGINEERING"** on 02.05.2023. 44 students from Second year Civil and plus two completed students were actively participated in the event. The program was conducted through online and offline mode.

Resource Persons:

1. CS Karpagam, M.Tech, Director, Pyramid IAS Academy, Karaikudi.
2. V Keshavan M.Tech, Assistant Engineer, PWD.

Faculty Coordinator:

1. Mr.R.Muruganantham, AP/Civil
2. Mr.A.Manicka Mamallan, AP/Civil
3. Mr.V.Ragavan, AP/Civil

Date of the Event: 02.05.2023

The poster is for a seminar organized by the Department of Civil Engineering at Ramco Institute of Technology in association with Pyramid IAS Academy, Karaikudi. The seminar is titled "SEMINAR ON 'EMPLOYMENT OPPORTUNITIES IN CIVIL ENGINEERING'" and is scheduled for May 10:00 AM. The resource persons are CS Karpagam, M.Tech, Director of Pyramid IAS Academy, and V Keshavan M.Tech, Assistant Engineer, PWD. The poster includes a registration link, a QR code, and contact information for queries. It also lists the target audience as +2 Completed & RIT Civil Students and mentions the faculty coordinator, convener, and other staff members.

Hands on Training on STAAD.Pro Connect Edition

Department of Civil Engineering of Ramco Institute of Technology, Rajapalayam in association with TechApps & ICI Students Chapter organized two days Hands on Training on “STAAD.Pro Connect Edition V22” on 27.06.2023 & 28.06.2023. 48 students from Second and third year Civil Engineering Department were actively participated in the event. The program was conducted through offline mode.

Resource Persons:

1. Mr.R.Ganesh Kumar, Sr.Structural Consultant, TechApps Consulting, Chennai.

Faculty Coordinator(s):

1. Dr.G.Karthikeyan, AP(SG) / Civil
2. Mr.R.Muruganantham, AP/Civil

Date of the Event: 27.06.2023 & 28.06.2023

The brochure is a vertical poster with a blue and yellow color scheme. At the top, it features the RAMCO Institute of Technology logo and name, followed by accreditation details. The central text announces the 'HANDS ON TRAINING ON STAAD.PRO CONNECT EDITION V22' organized by TechApps & ICI Students Chapter. It includes a photo of the resource person, Mr. R. Ganesh Kumar, and the TechApps logo. The target audience is listed as III & IV Year students of RIT. The venue is CAD LAB and the dates are 27.06.23 to 28.06.23. At the bottom, it lists the Chief Patron, Patron, Convener, and Faculty Coordinator(s) with their names and titles. Social media links for the institute are provided at the very bottom.

Cube Contest

Department of Civil Engineering of Ramco Institute of Technology, Rajapalayam in association with Ramco Cements & ICI Students Chapter organized “**CUBE CONTEST**” on 06.02.2024 students from third and final year Civil Engineering Department were actively participated in the event. The program was conducted through offline mode.

Resource Person:

2. Mr.R.Vijayakumar, Manager, Technical services, Ramco Cements.

Faculty Coordinator:

3. Dr.G.Karthikeyan, AP(SG) / Civil
4. Mr.T.Chockalingam, AP(SG)/Civil
5. Mrs.R.Kalaimani, AP/Civil

Date of the Event: 06.02.2024

Brochure:

The brochure is a colorful flyer for the 'CUBE CONTEST 2'. At the top, it features the RAMCO INSTITUTE OF TECHNOLOGY logo and name, along with accreditation details from AICTE, Anna University, NAAC, and ISO 9001:2015. It also mentions the location: North Venganallur Village, Rajapalayam - 626 117, Tamilnadu. The event is organized by the Department of Civil Engineering, ICI & Training and Placement Cell, in association with Ramco Cements. A large red banner in the center reads 'CUBE CONTEST 2'. To the left, it states the date as 06.02.2024 and the target audience as III & IV Year Civil Students. The venue is listed as Civil Seminar Hall & Concrete & Highway Lab. On the right, it identifies the resource person as Mr. R. Vijayakumar, Manager, Technical Services, Ramco Cements. At the bottom, there is a table listing the roles and names of the participants: Chief Patron (Dr. L. Ganesan), Patron (Dr. S. Rajakarunakaran), Organizer (Placement Team), Convenor (Dr. M. S. Dharmar), Faculty Coordinator(s) (Dr. G. Karthikeyan, Mr. T. Chockalingam, Mrs. R. Kalaimani), and Student Coordinator(s) (R. Ponnuasangili, K. Anantha Murugan, S. Nivedha). The brochure also includes social media links for the institute and department.

Workshop on DGPS Survey

Department of Civil Engineering of Ramco Institute of Technology, Rajapalayam in association with Land Coordinates Technology organized “**One day workshop on DGPS Survey**” on 14.02.2024 Faculty members and students from final year Civil Engineering Department were actively participated in the event. The program was conducted through offline mode.

Resource Person:

1. Mr.R.Velmurugan, Survey Engineer, Land Coordinate Technology, Chennai.

Faculty Coordinator(s):

2. Mr.A.Manicka Mamallan,AP/Civil
3. Mr.V.Ragavan, AP/Civil
4. Mrs.A.Leema Margret,AP/Civil

Date of the Event: 14.02.2024

The poster is for a 'ONE DAY WORKSHOP ON DGPS SURVEY' organized by the Department of Civil Engineering at Ramco Institute of Technology, in association with Land Coordinates Technology. It features a photograph of the resource person, Mr. R. Velmurugan, and a detailed image of a DGPS receiver mounted on a tripod. The event is scheduled for 14/02/2024 from 9 AM to 4:30 PM, targeting faculty members and final year students. The poster also lists the names and roles of the organizers: Chief Patron (Dr. L. Ganesan), Patron (Dr. S. Rajakarunakaran), Convenor (Dr. S. Dharmaraj), Faculty Coordinator(s) (Mr. A. Manicka Mamallan, Mr. V. Ragavan, Mrs. A. Leema Margret), and Student Coordinator(s) (J. Sureshanandhi, K. Anushanth, R. Rakavi).

-----	--------------------	--

13. Objective of the Programme:

Quality assurance in construction refers to the systematic process of planning, implementing, and monitoring procedures and activities to ensure that construction projects meet predetermined quality standards and requirements. Quality control in construction refers to the set of processes and activities undertaken during construction operations to verify that the work conforms to specified quality requirements and standards. The objective of this valued-added course on quality assurance (QA) and quality control (QC) in construction is to equip participants with the knowledge, skills, and techniques necessary to ensure that construction projects meet specified quality standards and requirements. Here are some specific objectives typically associated with such a course:

- To learn about materials specifications, standards, and laboratory & field testing
- To prepare quality control reports, coordinate inspections, and determine quality assurance of raw materials and finished products.

14. Detail description of the activity:

Anna University approved value added course on Quality Assurance and Quality Control in Construction was conducted during 29.01.2024 to 02.02.2024 at WRD, Regional Quality Control Laboratory, Madurai and Civil Seminar Hall, Ramco Institute of Technology, Rajapalayam for III year Civil Engineering students (45 Nos). Er.N.Karthigai Balan, Assistant Executive Engineer, WRD, Regional Quality Control Laboratory, Madurai and Er. M.Ravikumar Senior DGM, L&T Heavy Civil Infrastructure, Chennai and internal faculty members were the resource person for this value added course. III year students 45 Nos. were visited the Quality control laboratory at Madurai on 29.01.2024. Er.N.Karthigai Balan, Assistant Executive Engineer, WRD delivered the topics on Quality Assurance and Quality control in concrete to be checked in the laboratory as per IS standards. Er.M.Ravikumar explained about the NDT tests on concrete during 30.01.2024 and 31.01.24. Also, internal faculty members were delivered on the topics like inspection reports, quality standards, material testing for quality control. In this value added course, 45 students got benefitted

through this program. Dr.M.Indhumathi, ASP/Civil and Dr.G.Karthikeyan, AP(SG)/Civil Coordinated this value added course.

13. Objective of the Programme:

To provide exposure to the students of Civil Engineering on the design and testing of Tower structures, has been organized on behalf of ICI Students Chapter of the department of Civil Engineering.

14. Detail description of the activity:

On behalf of ICI student chapter, an inaugural event of the ICI student chapters for the academic year 2024-2025 was held and a guest lecture was organized on 31.08.2024. The chief guest invited for the lecture was Dr. R. Balagopal, Principal Scientist, CSIR-SERC, Chennai. He gave a detailed lecture about Transmission towers, design of steel towers, testing of prototypes and its erection in various field conditions. The lecture was attended by the final year and second year students. The description of the lecture details was briefed below.

The economic growth of country is directly dependent on the advancement and growth in power industry, which will be the backbone of manufacturing, infrastructure, communication and service sectors. In India, the power infrastructure constitutes, 3,60,788 MW of generation capacity (from all sources), 9,21,118 MVA transformation capacity and 4,17,944 ckm of (220kV and above) Transmission Lines (TLs) network.

The power TLs are supported over the TL towers. These latticed towers are generally made of hot rolled steel angle sections. As large number of towers are required to support the huge network of TLs, which is continuously growing, the design of towers becomes important from the economy point of view. While achieving the economical design of towers, it is necessary to pay attention towards producing the safe, stable and reliable TL towers. Similarly, the communication sector is also an important organ in the economic growth of nation. It is an essential infrastructure facility for the socio-economic development in increasingly knowledge-intensive world. In India, the government is working towards the voice and data connectivity for every household in urban as well as rural areas.

For various network platforms, the communication happens through the grid network of antennae's, which are supported over the steel-latticed towers, monopoles etc. Hence, it is important to produce economical, safe, stable and reliable communication towers/poles. This course is intended to provide better exposure to the current research, practices and emerging trends in the area of power transmission and communication structures.

13. Objective of the Programme:

Project management is defined as a collection of proven techniques for proposing, planning, implementing, managing, and evaluating projects, combined with the art of managing people. It is the process of leading the work of a team to achieve all project goals within the given constraints. The objective of this program is to inculcate the knowledge about Project Planning and Management and Hands on Training using Primavera and MS Project software among III year Civil Engineering students.

14. Detail description of the activity:

Two Days Hands on Training on Project Planning and Management using Primavera and MS Project was conducted during 25.10.2024 to 26.10.2024 in offline mode at Digitalized Construcion Laboratory, Ramco Institute of Technology, Rajapalayam for III year Civil Engineering students (35 Nos). Er. K.Iyappan, Project Lead, Tech Mahindra India Pvt. Ltd., Bengaluru was the resource person for this value added course. He delivered the topics on Project Planning, Network diagram, Project Scheduling, Roles & Resources and Report Preparation in Project Planning and Management and Hands on Training in Primavera and MS Project. Dr.G.Karthikeyan, ASP (Grade I)/Civil welcomed the resource person and introduced the chief guest. 35 III year Civil Engineering students got benefitted through this Hands on Training program. Dr.G.Karthikeyan, ASP(Grade I)/Civil and Mr.R.Muruganantham, AP/Civil Coordinated this two days Hands on Training on Project Planning and Management using Primavera and MS Project.

12.	Video URL (if any)	-
-----	--------------------	---

13. Objective of the Programme:

It was organized with the prime objective of exposing students to STAAD.Pro software. The software is used for analyzing & designing structures like – buildings, towers, bridges, industrial, transportation, and utility structures. Utilizing software for such works saves much time. This software has many add-ons and is accurate compared with its predecessors like Auto Cad and MS Excel. It is associated with advantages like ease of user interface, confirmation with Indian Standard Codes, versatile nature of solving any type of problem, and solution accuracy.

14. Detail description of the activity:

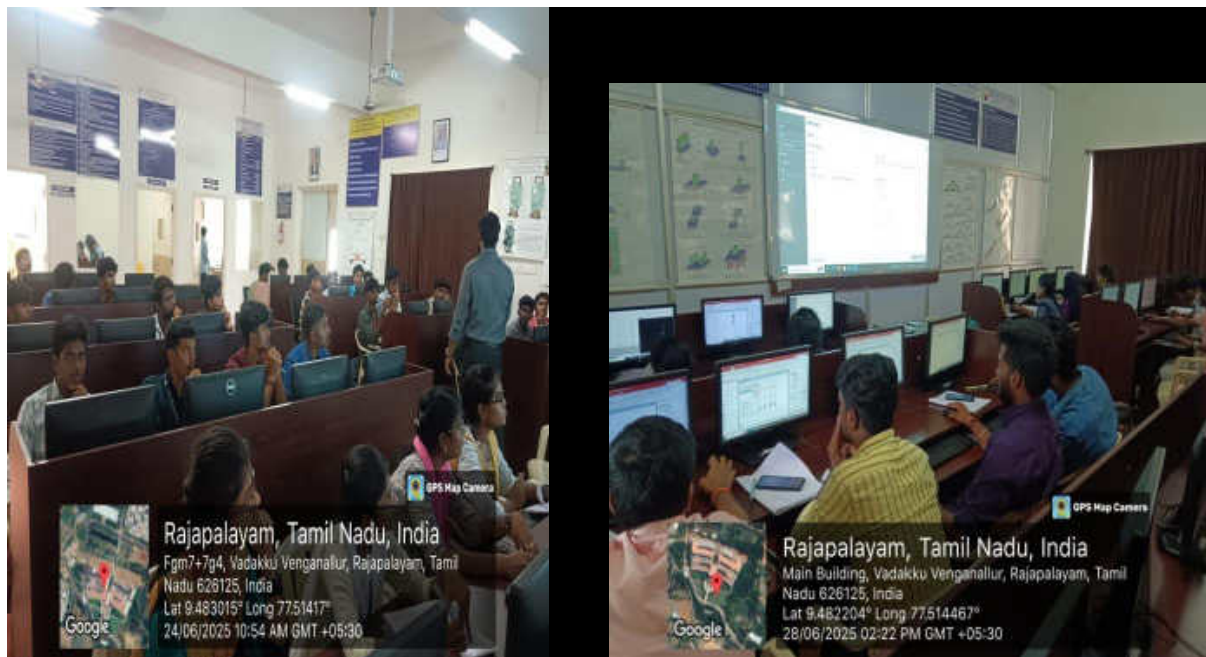

Hands on Training on Modelling Analysis and Design of RCC and Steel Structures using CAD” was organized by the Department of Civil Engineering in association with TechApps and RIT ICI Student Chapter during 24th June 2025 and 28th June 2025 at CAD Lab from 9.00 AM to 4.30 PM. The Resource person for this workshop was Mr.R.Udhayasankar,Managing Director,BTR Constructions, Erode. & Mr. Mohammad Muneeb,Sr.BIM Consultant, TechApps,TechApps Consulting Chennai. Dr.G.Karthikeyan, ASP/Civil, welcomed the gathering. He also explained the importance of knowing software utilized in civil engineering projects and the ample job opportunities in it. He also shared his work experience abroad. He explained the importance of understanding the manual computations of analysis and design & use of software for such works in massive construction projects.

In this training program, the students were equipped with skills in modeling of buildings, Transmission towers, Truss structures, RCC structures, Load Calculation, Seismic Design, Wind Load calculation, and structural analysis and design as per IS Codes. This workshop benefited a total of 35 students of III-year Civil Engineering Students. Faculty coordinators are Dr.M.Indhumathi,ASP, Dr.G.Karthikeyan, Assistant Professor (Senior Grade),Civil Engineering, RIT.

OFFER LETTER

Date: 12.02.2024

Dear BALAJI K

Welcome!!!

Concerning your interview and subsequent discussions with us, we are happy to offer you the position of Trainee Engineer at Pramoda Rebar Private Limited, Tiruchengode, Tamil Nadu, India.

You are expected to join the organization on (04.03.2024)

You will be under training for one year, during which period you will also be put on live projects to test your efficiency and skills. For this period of one year, you would be entitled only to a stipend of INR 10,000. At the end of your training period, you are expected to achieve a minimum efficiency and accuracy of 90% in your drawings. Your performance will be evaluated every quarter and you will be notified about the same. Once you complete your training, you will get a confirmation of your employment and a position as Jr. Engineer Grade 2. You are expected to sign a bond for a minimum of two years as the company has made a substantial amount of investment in you. Thereafter your remuneration will be up to 2.4L/Year strictly based on your skill matrix and efficiency.

Your employment is subject to you successfully clearing your engineering, your background verification process, and being found medically fit. You are required to undergo a pre-employment medical examination before joining.

You are also required to carry the below mentioned documents (Original & 1 copy each) at the time of joining.

a) Educational Certificate (10th to highest degree of qualification)
b) PAN Card, Aadhar Card, and any other Residential Address Proof.
c) 4 Passport-size photographs taken within the past 6 months.
d) Three references, where more than one should not be family.

Kindly acknowledge this letter as a token of acceptance of this offer.

For Pramoda Rebar Private Limited,

To,

E THANIGAI SELVAN,
Subject: Internship Letter

Dear Thanigaivelan,

In reference to your application we would like to congratulate you on being selected for internship with IntelliPaat Software Solutions Pvt. Ltd. Your work is scheduled to start from 19th October, 2021 for a period of 1 year. During this period, you will get paid Rs. 22,000/month (Rupees Twenty Thousand Only) and you will be working as an 'Business Development Trainee'. The technical platform and job role will be shared with you by your manager on the day of your joining.

Note:

- Number of working days is 6 days in a week.
- Your first month salary will be dispersed along with your 4th month salary.
- During this internship you are eligible to get 200,000/- Rupees per annum as incentive based on your performance.
- During your internship, you are expected to be disciplined and sincere towards your job responsibility.
- Based on your performance, PPO will be released before the completion of your internship at IntelliPaat.
- After the successful completion of 1 year Internship period, you are eligible to get 900,000/Rupees- per annum as a gross pay.
- You need to serve 1 month of notice period without fail, or else the management of IntelliPaat can hold your salary/internship letter / relieving letter after joining.
- Minimum working duration must be 9 hours including one-hour lunch/dinner break.

Again, congratulations and we look forward to working with you.

Yours truly,
For IntelliPaat Software Solutions Private Limited
