Fig.2 Teaching and Learning, Presented by Dr.M.Indhumathi, AP /Civil

Remarks from Members:

- Suggested reviewing the quality of Internal Assessment Test question papers after the examination.
- Details of gate scorers can be presented.
- More absenteeism was observed in coaching classes. Department-level action should be taken to improve the effectiveness of coaching classes.
- Combined studies can be encouraged among students to secure more marks.

**3. ATTAINMENT OF COs, POs, PSOs WITH PROGRAM EFFECTIVENESS
FOR THE ACADEMIC YEAR 2021-2022 – ODD SEMESTER**

Presenter: Mr.T.Chockalingam, AP/Civil Engineering

- Action taken for suggestions provided in 3rd PAQIC meeting held on 08.03.2022 was discussed.
- In view of NBA, Program Outcomes (PO) and Program Specific Outcomes (PSO) attainment is not needed for the Batch 2016-2020. Because, for Criteria-3, we are in need of three academic year data – i.e., CAY, CAY-1 and CAY-2 respectively. By considering Academic year 2023-2024 as Current academic year, then CAY-2 was 2021-2022. Therefore, attainment achieved for the batch 2016-2020 was not needed.

- Attainment achieved for 3rd semester, 5th semester and 7th Semester subjects during the Academic Year 2021-2022 was discussed.
- 1st semester subjects' attainment (Regulation 2021) was not calculated due to awaiting of revaluation results for the students.

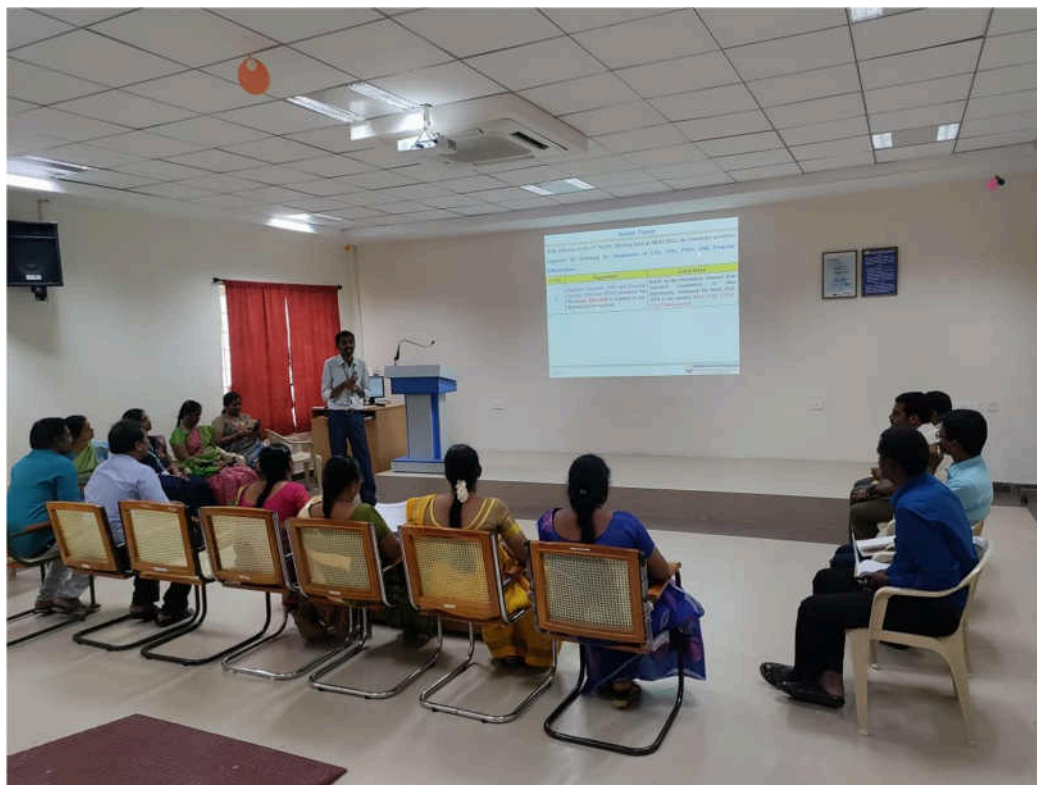

Fig.3 Attainment Of COs, POs, PSOs With Program Effectiveness, Presented by Mr.T.Chockalingam, AP/Civil

Remarks from Members:

- In view of autonomous status in upcoming years, Calculating the Program Outcomes (PO) and Program Specific Outcomes (PSO) attainment for the batch 2016-2020 will be better. Therefore, it is better to present the same in next PAQIC meeting.
- Do not keep the target as same for all the batches. Gradual improvement in course attainment needs to be shown for every academic year.
- For examinations that happened through online mode, some weightage needs to be provided while setting the course target.
