Program Details:

Nature of session	Purpose of Interaction	Target Audience	POs relevance
Alumni Support AM/22-23/01	Sharing their experience and providing suggestions for the growth of institution	-	PO1, PO10, PO12

“Alumni Support” – RIT/CSE/AM/22-23/01- “Virtual Alumni Meet” held by department of Computer Science and Engineering in association with RIT Alumni Association on 17/07/2022. Around 53 alumni members actively participated in the alumni meet as shown in figure 1.

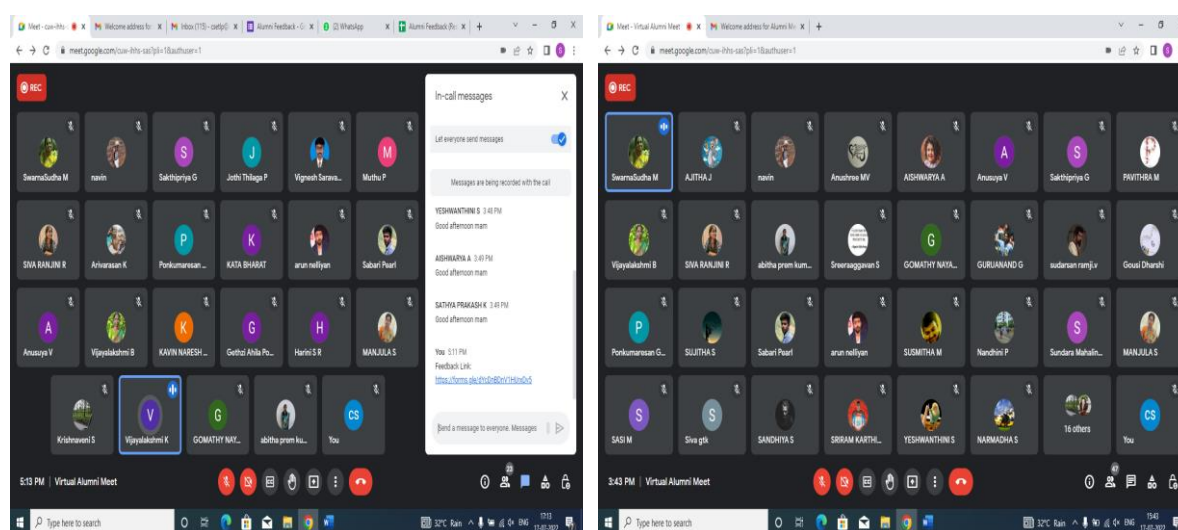

Fig 1: Glimpse of the alumni Met

Ms.G.Sakthi Priya, AP/CSE welcomed the gathering. **Mrs.M.Swarna Sudha, AP(SG)/CSE**, presented the placement and internship statistics of past two batches of CSE Dept as shown in Fig 2.

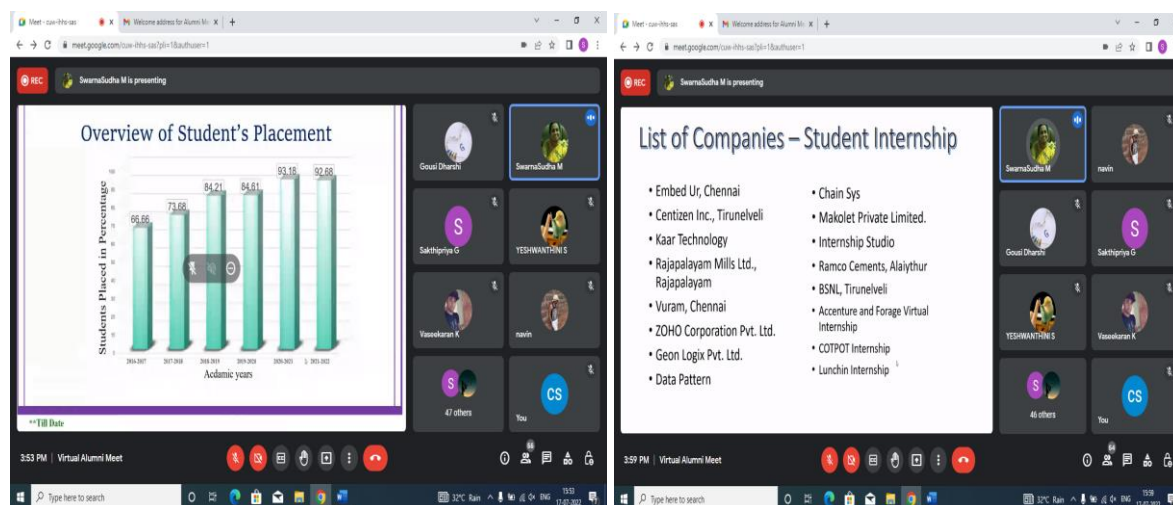

Fig 2. Presentation of placement and internship

Dr.K. Vijayalakshmi, Prof and Head/CSE welcomed the alumni members and highlighted the changes in college activities such as students are allowed to go for internship from 8th semester itself, Change in college timing from 9.00 AM to 3.50 PM, Placement training classes on every saturday to improve the placements. She happily shared about NBA accreditation score (729/1000) of CSE department and thanked all alumni for their contributions. Finally, she requested each of the alumni members to give suggestions for improving placements, teaching and learning, internship, industry interactions, activities for further improvements.

Mr.N.Arun (Batch 2015-2019) asked about the implementation of activities that was discussed in previous virtual alumni meet such as sports activities and Internship activities.

HoD/CSE replied that students are allowed for sports activities irrespective of attendance and marks and the OD restrictions are also relaxed. As the college closing time is 3.50 PM, the students have time to practice sports in the evening and she highlighted the annual sports meet conducted in RIT.

She mentioned the points discussed in previous alumni meet and action taken based on the meet as follows

S.No	Batch	Feedback Given	Action taken
1	2013-2017	Suggested to do more projects	• Students are doing Industry related projects, projects in IIT PALS, Mini projects. • Industry Projects :

			Geons Logix Project, Raja Nursery Project, Gowri House Project S.Suryakumar, III CSE has received appreciation Cash Prize Rs.4000/- in the project contest organized by IITM-PALS InnoWAH Virtual Exhibition-2021 on 20.03.2021
		Insisted to inculcate the culture of Self-learning	- Students are doing online courses in Coursera, Great Learning, Edx, Udemy, etc - HTML, CSS, JS course link given to I and II Year CSE Students. Weekly Test were conducted to assess their knowledge
2	2014-2018	Suggested to conduct many group discussions for better communication skills	- Group discussions are conducted frequently to improve the students communication skills - Based on GD 8 students are shortlisted for KAAR technologies.
		Suggested to learn about new technologies like Devops, MERN, Docker, etc	Value Added course: MERN, Data Science, Red Hat Linux Administration. Technical sessions on Java spring boot Micro services, Agile Scrum Framework, React Js were conducted
		Suggested to make the students to participate in Inter College events	- Students participation outside the college are encouraged - M Jothi Linga Pandian and Gowtham Karthikeyan, II CSE participated in cyber security hackathon and won "Jury Award for promising solution" organized by IIT Kanpur - Bala Murali Krishna R N Participated in Innovative Project contest and won Cash award Rs 3000/- - Students from I and II Year participated in Inter College Symposium
3	2015-2019	Insisted to have a more programming practice which could be helpful during placements	- Training and placement hour is introduced in Time Table - Students are participating in Coding contests - Students earned ratings and stars in HackerRank - Students are participating in Coding contests Newton School Grand Coding Contest - Gopiy K J, Divya M K,

			Harsha R, Dhiraj N, Siva Kumar M, II CSE • Google Hash Code Contest - Harsha R, Muthu Brijesh R II CSE, Jeya Dhrashini III CSE • Innovative India Coding Championship – 7 Students from II CSE, 10 students from I CSE • FlipKart runaway Contest - Divya M K, Pavithra K, II CSE • Google Kick Start Contest - 24 Students of II CSE • Innovacer Hacker Camp'22 – Sathish Kumar, II CSE
		Suggested to give coaching for the students planning to do higher studies	Alumni Talk on Gate Expert lecture conducted

Mr.Arun said that proper concentration and full of dedication should be in preparation of GATE. He requested to involve the current final year students to be in the next virtual meet to gain the experience of others.

Mr.G.Ponkumaresan(Batch 2013-2017) suggested to have COE with MNC companies for “internship with placement” and “internship inside the campus”.

- HoD/CSE replied that COE with CSS for Cybersecurity, Fullstack development are approved. COE with Techmahindra for salesforce,SAS has applied and waiting for approval. COE with Virtusa for cybersecurity has applied.
- She said that initiation of ACM club is also planned.
- The convenience in attending internal assessment for students who are undergoing internship were highlighted by HoD/CSE.

Mr.K.Arivarasan (Batch 2013-2017) enquired about the awareness of higher education among students. He shared his learning experience in IIT.

- He insisted to make the students to do the laboratory experiments with full of understanding and suggested to give unique programs for a group of students.
- He said that mental health awareness among students and faculty members should be addressed.
- He insisted to provide awareness about GATE examination to the students from 1st year itself. He also said that he is interested in delivering GATE awareness and higher studies awareness to his juniors.

HoD/CSE said that the awareness of higher education is less among the students and assured to provide the GATE and higher studies awareness among the students.

Mr.Kandha Vivek Raj (Batch 2013-2017) enquired about ZOHO recruitment in RIT campus. He also shared his experience as a recruiter in ZOHO and he said that competitive spirit among the students has reduced and they should be motivated. He also said that lab experiments should be done with self learning.

HoD/CSE informed that two faculty members (Mr.K.Vignesh Saravanan, AP/CSE and Mrs.B.Vijayalakshmi, AP(SG)/CSE) from CSE department are selected as ZOHO trainers. As an outcome, 5 students from III CSE selected for ZOHO internship.

Ms.Harini S R (Batch 2016-2020) has asked to improve the interaction among seniors and juniors to share their technical knowledge. She also insisted to improve the girls involvement in event organisations and in other activities.

HoD/CSE said that many girl students are involving in organizing and participating in events and assured to take the steps on involving more number of girl students in all activities.

Mr.Kata bharat (Batch 2016-2020) He shared his MBA learning experience in BITS School of Management, Mumbai as follows

- He said that class room participation plays a vital role in education. In his college, class room interaction can be of either “**asking questions or answering to the questions**”. He also highlighted class room participation evaluation criterias as “**types of question asked, content of the question, value of question, quality of the question**”. He said that 10% of class room participation score is included in his internal assessment.
- Academic Associate (pursuing PhD) are appointed as an assistant to faculty members they will note down the class room interaction score for each student including their discipline. Assignment grading and other administrative work are to be done by academic associate. Faculty members will concentrate only on teaching.

His **suggestions** based on his experience as follows

- He suggested that 2 or 3 people can be hired to reduce the documentation work so that the student and teacher interaction can be improved.
- Students can be segregated as “**students good at coding**” and “**not good at coding**” and have to train them accordingly. Students who are good at coding can be trained for amazon and other higher end companies. Students who find it difficult to code can be trained on different domains like web designing, software testing, cloud, salesforce etc..

HoD/CSE assured to monitor the class room interaction and to provide weightage. She said that students' internal mark are awarded based on their assignment presentation (80% for written exam and 20% for assignment)

Mr.Mohamed rishwan (Batch 2017-2021) insisted to make the students to face the crowd without fear from the first year itself.

Mrs.P.Abitha (Batch 2013-2017) shared her working experience as an Assistant Professor in National Engineering College, Kovilpatti as follows

- Coding practice is initiated for all departments.
- Internship is made compulsory for CSE department and credits are also given to students based on the completion of internship.
- Students are allowed to do the projects in class hours if the students can answer to the questions based on that specific class.
- She suggested that completion of certification courses can be made compulsory to all studnets.

HoD/CSE replied that students are doing certification courses using coursera, edx, udemy, great learning etc.

Red hat Linux system administrator certification was completed by Dr.M.Gomathy Nayagam, ASP/CSE and Dr.R.Venkatesh, AP(SG)/CSE. Further it is planned to provide Red hat Linux system administration certification training to III CSE in their semester vacation.

Google App development using Kotlin was completed by Mr.K.Vignesh Saravanan AP/CSE and Mr.C.A.Yogaraja, AP/CSE. App development using kotlin and AWS certification training for students are also planned to implement.

Ms.Krishna Veni (Batch 2017-2021) has asked to involve the girls students interaction in all activities.

HoD/CSE assured to take the necessary steps

Mr.Pushpavam Sabarish (Batch 2017-2021) insisted to improve specific skillset rather than concentrating on general placement

HoD/CSE assured to consider the suggestion

Mr.Muthu Ramasamy (Batch 2015-2019) gave an suggestion to provide separate hour for project and insisted about the importance of doing in house projects.

HoD/CSE replied that each subject have a mini project. Mini project presentation and assignment presentation are introduced to improve the communication.

Dr.K.Vijayalakshmi, Prof & Head/CSE concluded the suggestions provided by the alumni.

- She informed about initiation of new departments such as B.Tech IT and B.Tech CSBS and double intake of CSE department.
- She highlighted about the department activities and students achievements such as Mr.M.Jothi Linga pandian and Mr.Gowtham Karthikeyan of II CSE won “Jury award for promising solution” in IITK cybersecurity hackathon organized by IIT Kanpur and won cash prize of Rs. 25,000. Mr.R.Harsha of II CSE selected as Google Developer Student Club lead for RIT Campus. Mr. R.N.Bala Murali Krishna, II CSE won cash prize of Rs.3000 in mobile app development contest. Mr.Surya Kumar, IV CSE won cash prize of Rs.4000 in innoWAH project competition by IIT PALS

Ms.G.Sakthi Priya, AP/CSE concluded the meeting with vote of Thanks
