Speaker Details	
Name of the Alumnus	Ms.Bhuvaneshwari, Mr.Muthu Brijesh, Ms.Ragavi (Batch 2020-2024)
Date and Time	25/11/2025 and 07.00 PM
Meeting Platform	Google Meet
Target Audience	IV Year CSE
Nature of Interaction	1.To Make the students aware of the recruitment process 2.To make the students familiar with number of rounds in interview
Present Position	Ms.Bhuvaneshwari, Mr.Muthu Brijesh, Ms.Ragavi, BU Soft, Chennai

Mrs. M. Swarna Sudha, ASP/CSE welcomed the gathering and gave an introduction about resource person **Ms.Bhuvaneshwari, Mr.Muthu Brijesh, Ms.Ragavi, (Batch 2020-2024), BU Soft.**

The alumni members explained that the first round of the selection process consists of 20 aptitude questions and 5 coding questions. Candidates who are able to successfully solve the coding questions have a higher chance of progressing to the next round, as coding performance is given significant importance. The second round primarily focuses on scenario-based questions, which are designed to assess logical thinking and problem-solving skills. These questions are generally straightforward and are asked in an easy-to-understand manner. In addition to this, candidates are tested on basic SQL concepts and simple queries. Interviewers also ask coding questions based on the programming language familiar to the candidate, allowing them to demonstrate their strengths. Around 70 students from IV Year CSE have actively participated in the event.
