Nature of Interaction	1. To make the students aware of the emerging technology React JS 2. To give insights about React JS with Git and Surge
Present Position	Software Engineer, Tech Mahindra

“Alumni- Technical Session” – RIT/CSE/AM/21-22/7- “Introduction to React Js with git and Surge” held by department of Computer Science and Engineering in association with Alumni Association for II and III year CSE students on 11/09/2021.

Basic introduction of HTML and CSS were discussed. Importance of Java scripts and how to execute JS was explained. Need of React JS and comparision of a website “With and Without React JS” was demonstrated detailly using visual studio. The importance of “State and Props” in ReactJs” was highlighted.

How to install Node module and how to start working on it was explained. Importance of “Git” and its commands were demonstrated along with its purpose. All the students actively participated and gained knowledge to work with React JS, Git and Surge

Glimpse of Alumni Meet:

The image displays two screenshots of a Google Meet session. The top screenshot shows a presentation slide titled "Initial Value 0" with a 2x4 grid of cards. Each card contains the text: "Failure to thrive - not gaining weight and height as per the age norms" and "Infections warranting multiple hospitalizations". The bottom screenshot shows a code editor with a React.js application. The code includes imports for React, ReactDOM, and various hooks and components, and a `ReactDOM.render` call. Both screenshots show a grid of participants on the right, including Vinoth Rajan, ASWINKUMAR M, ABHINAV R, PAVITHRA K, VISHNUPRIYA S, and Kumar M. The bottom status bar indicates the time is 12:13 PM and the date is 11-09-2021.
