S.No	Expert Name	Suggestions	Responsibility of Action will be carried out by Faculty Member
1	Dr. P Kanguene	• He appreciated the presentation given by HOD mam • He felt happy to see good infrastructure in our college. He also felt amazed to see our datacenter setup and highly appreciated our college infrastructure. • He appreciated about the usage of licensed software in our laboratory. • He explained the relation between the accountability and academic freedom and appreciated the accountability in presentation. • He insisted on improving college culture. The students in IITs have freedom to visit classrooms, labs, and college at any time. They are open all time. This culture will improve working quality and student- faculty interaction. He insisted to bring that slowly in the campus which improves	HOD/CSE

03/12/23

		continuous and project based learning. • He appreciated Glass Building of Ramco Systems in the 1990's. • He suggested to insist students should visit predominant institution like IISc, IIT etc., • CSE covers most major topics in the curriculum but a deeper focus in two or three areas can be encouraged. Forming area specific labs/ and groups shall work as a team together and focus in their domain.	
		• He gave suggestion for writing a project report, the students should improve the quality of writing in their project report. He insisted to follow the five things when writing a project report Critical, Concise, Direct, Specific, Coherent.	Class Advisors and Project Coordinator
		• Faculty student interaction should be in the ratio 1:5. Mentoring should be effective. • As a concluding note he again insisted on changing working culture, improve faculty students' interaction, improving writing skills of the students, academic freedom and discovery and innovation	Class Advisors and Mentors
2	Dr.R. Kesavamoorthy	• He appreciated the presentation and awards and Achievements of our department. • The status of revenue generated from the industry project was explained to him in detail for his question. • Department can get consultancy projects from Ramco Management industries. • Faculty members briefed him about the IIC project works status for his question. • He appreciated that number of project submission in MSME, IISC works. • He advised to keep up the good work\ and continuously work to get more funded project	Dr.M.Gomathy Nayagam

SM
24/12/23

		Finally he wished for getting more funded project	
		The Program Specific Outcomes can be framed based on faculty specialization.	Criteria 1 Coordinator
