Extramural Lecture Series INT-004

The Department of Computer Science and Engineering at the Ramco Institute of Technology (RIT) recently organized an enlightening online guest lecture on the subject of "**Unravelling the Art of Encryption: Cryptography in Web Security.**" This event, part of the RIT-CLUSTRA series, attracted the participation of approximately 100 enthusiastic students. The lecture, held on October 28, 2023, featured two distinguished resource persons from the United States. **Charan Akiri, a Cloud Application Security Architect, Reddit Inc Nashville** and **Chinmay Sahu, a Computer Vision Research Scientist, Thales DIS, USA, Inc,** graciously shared their expertise and insights with the eager audience. They discussed the challenges, innovations, and real-world implications of encryption technologies. The session was organized under the guidance of Dr.L.Ganesan, Principal, Dr.S.Rajakarunakaran, Vice-principal, Mr.K.S.Selvaraj, GM(A), Dr.K.Vijayalakshmi, HOD/CSE, coordinated by Dr.R.Venkatesh, Associate Professor/CSE.

Cryptography, a fundamental element of web security, is pivotal in safeguarding sensitive information transmitted over the internet. The lecture emphasized the significance of encryption in protecting data and ensuring secure online interactions.

Chinmay Sahu and Charan Akiri, both experts in their respective fields, explored the intricate world of cryptography, shedding light on its various applications in web security. They discussed the challenges, innovations, and real-world implications of encryption technologies.

M
12/11/23

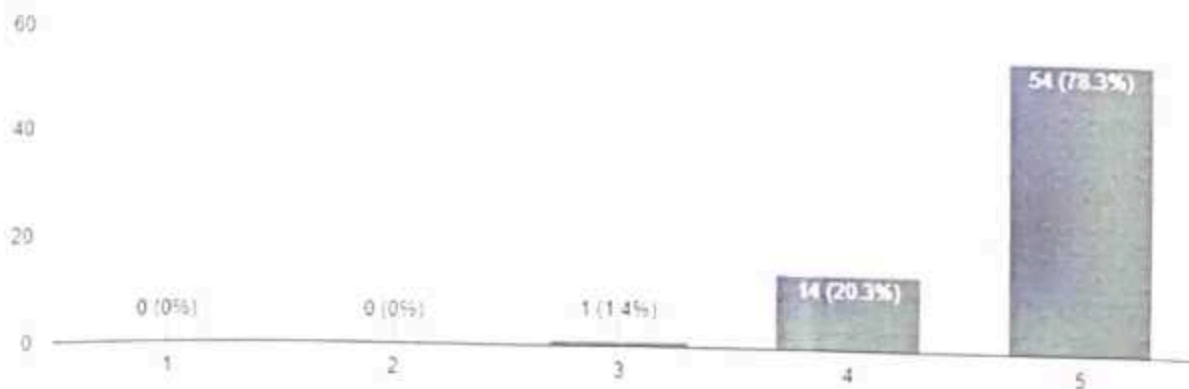

The lecture, filled with valuable insights and knowledge-sharing, underscored RIT's commitment to providing quality education and fostering a deeper understanding of cutting-edge technologies among its students. This event serves as a testament to RIT's dedication to academic excellence and its efforts to empower students with the knowledge and skills needed to thrive in the ever-evolving field of computer science and engineering.

Respected Sir,

Subject: Invitation to Deliver Keynote Speech at Extramural Lecture Series INT-004 - Guest Lecture on Cryptography & Network Security

I hope this letter finds you well. On behalf of **Ramco Institute of Technology, Rajapalayam, TamilNadu, India**, I am excited to extend an invitation to you to deliver a keynote speech at our upcoming event, Extramural Lecture Series, scheduled to take place.

The lecture will focus on the topic "**Unravelling the Art of Encryption: Cryptography in Web Security**". Your contributions to the field and your extensive research across the impact of Cryptography in Web Security make you an exceptional fit for our event. Your expertise in this field is widely recognized.

Keynote Speech Details:

Date: 28.10.2023

Time: 10.30 AM to 11.30 AM

Duration: 1 Hour

Topic: **Unravelling the Art of Encryption: Cryptography in Web Security.**

Please highlight the recent research and advancements in Cryptography in Web Security. We believe your insights would greatly enrich our event and provide valuable knowledge to our audience. We would be pleased and honoured if you would consent to be our Keynote Speaker. We would like it if you can give us a reply within a week for us to make the required preparations. Hope to hear back from you soon.

Regards,

K. Vijayalakshmi

Respected Sir,

Subject: Invitation to Deliver Keynote Speech at Extramural Lecture Series INT-004 - Guest Lecture on Cryptography & Network Security

I hope this letter finds you well. On behalf of **Ramco Institute of Technology, Rajapalayam, TamilNadu, India**, I am excited to extend an invitation to you to deliver a keynote speech at our upcoming event, Extramural Lecture Series, scheduled to take place.

The lecture will focus on the topic "**Unravelling the Art of Encryption: Cryptography in Web Security**". Your contributions to the field and your extensive research across the impact of Cryptography in Web Security make you an exceptional fit for our event. Your expertise in this field is widely recognized.

Keynote Speech Details:

Date: 28.10.2023

Time: 10.30 AM to 11.30 AM

Duration: 1 Hour

Topic: **Unravelling the Art of Encryption: Cryptography in Web Security.**

Please highlight the recent research and advancements in Cryptography in Web Security. We believe your insights would greatly enrich our event and provide valuable knowledge to our audience. We would be pleased and honoured if you would consent to be our Keynote Speaker. We would like it if you can give us a reply within a week for us to make the required preparations. Hope to hear back from you soon.

Regards,

Dr. K. Vijayalakshmi
