

IRAMCO INSTITUTE OF TECHNOLOGY
RAJAPALAYAM, TAMILNADU, INDIA

DEPT. OF COMPUTER SCIENCE AND ENGINEERING
ACADEMIC YEAR – 2019-2020 (ODD)

Course code & Title: IT6801-Service Oriented Architecture

Semester - VII

Theme of discussion: XML Transformation, Modelling Databases in XML.

Date and Time: 14.08.2019 & 2.15 pm to 3.05

Active Learning: Three step interviews

Dr.M.Kaliappan., M.E., Ph.D

Associate Professor

2.1 Objectives (O)

- To describe the XML transformation and modeling database in XML

2.2. Justification for choosing the Topic:

. It ignites the students to improve listening, writing, and thinking skills by questioning each other, sharing their ideas, and writing notes.

2.3 Three Step Interview (TSI) processes [2]

- Divide students into groups of three include a bright, one average student, and one slow learner.
- Assign three roles: **interviewer, interviewee, and note-taker.**
- Assign 10 minutes for Think time for the course content
- After assigning a theme of discussion, have students participate in a 10-minute interview to discuss what they found to be the key information relating to the topic.
- After each interview, pair switches roles. Students were grouped based on their grade level (5 minutes).
- Pairs pair to form a group of six each student in turn, shares with the teammate what he/she learned interview in another 10 minutes.
- Two students from each group were called and present their ideas about what they discussed and learned. (15 minutes).

2.4. Glimpse of TSI

Figure 1: Divide students into groups of three, Assign three roles: interviewer, interviewee, and note-taker.

Figure 2: Pairs pair to form a group of six

Figure 3: Present the content what they learned

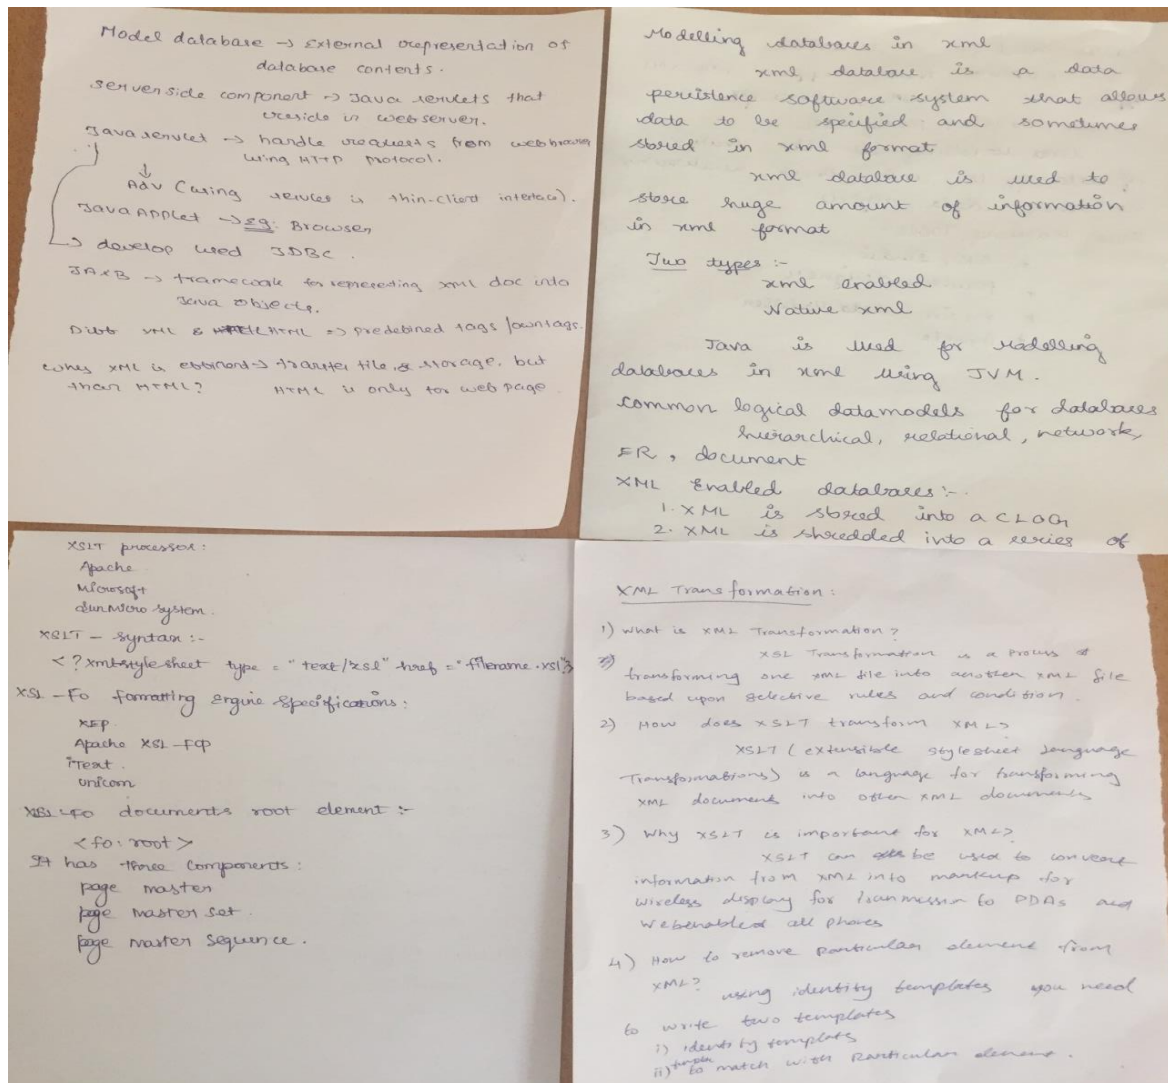

Figure 4: Sample of Notes Taker

2.5 Feedback from the students

Feedback Form Innovative practice: Three step interviews

Learn and apply different questioning strategies	Yes	No
Connection with course material in a creative and engaging way	Excellent	Good
Able to grasp a content of the course	Excellent	Good

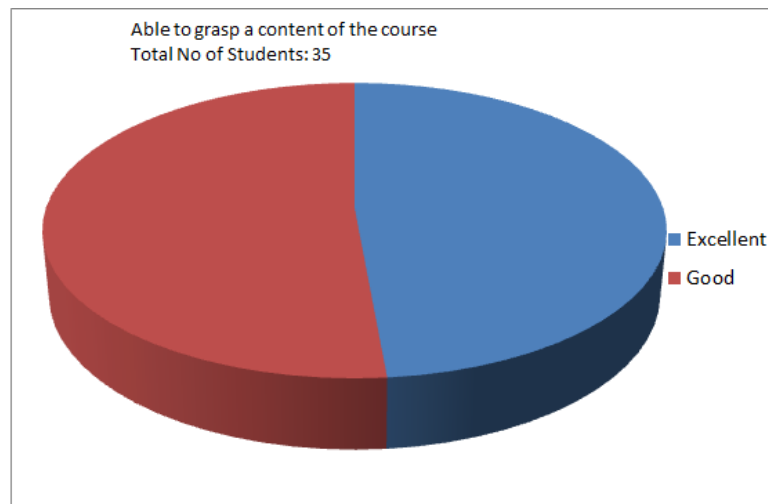

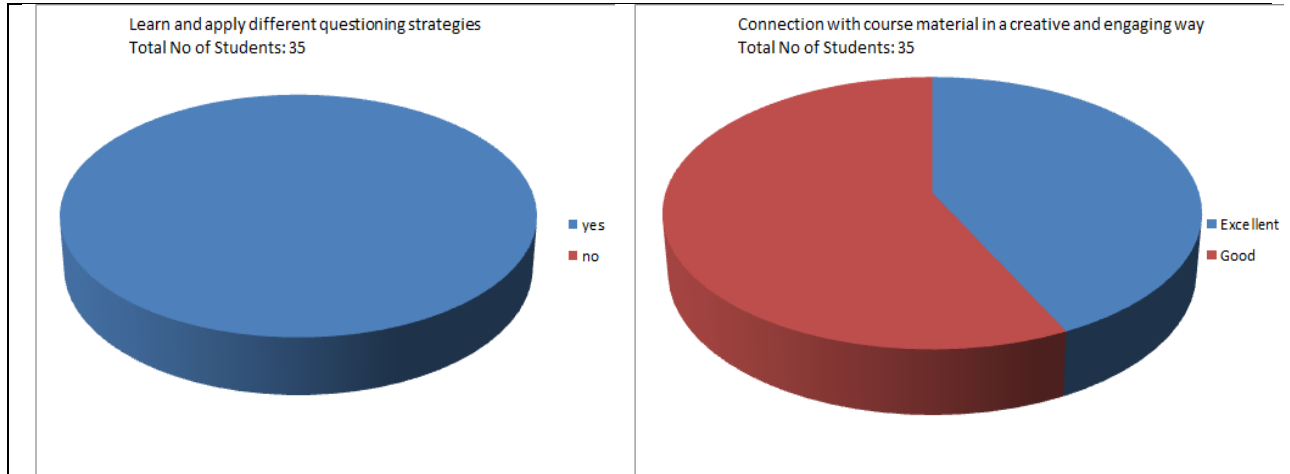

The image displays six sample feedback forms arranged in a 3x2 grid. Each form is titled 'Feed Back' and 'Innovative practice: Three step interviews'. The course details are consistent across all forms: Course Code & Title: IT6801 Service Oriented Architecture, Name of the Faculty member: Dr.M.Kaliappan, Associate Professor/CSE, Theme of discussion: XML Transformation, Modelling Databases in XML, Date and Time: 14.08.2019 & 2.15 pm to 3.05.

The feedback questions and responses are as follows:

- Form 1 (Top Left):** U. R. Jagan / 14.8.19. Responses: Yes, Excellent, Excellent.
- Form 2 (Top Right):** [Signature] / 14.8.19. Responses: Yes, Excellent, Excellent.
- Form 3 (Middle Left):** [Signature] / 14.8.19. Responses: Yes, Excellent, Excellent.
- Form 4 (Middle Right):** [Signature] / 14.8.19. Responses: Yes, Excellent, Excellent.
- Form 5 (Bottom Left):** [Signature] / 14.8.19. Responses: Yes, Excellent, Excellent.
- Form 6 (Bottom Right):** [Signature] / 14.8.19. Responses: Yes, Excellent, Excellent.

Figure 4: Sample feedback

2.6 Feedback Analysis

From the feedback analysis, students Learn and apply different questioning strategies and Able to grasp a content of the course

2.7 Reflective report

2.7.1 Pre-implementation Reflection

2.7.1.1 Challenges:

- To make slow learner to involve the activity effectively.
- Noise and flexible arrangement
- Availability of resource such as seminar hall

2.7.1.2 Steps taken for address the challenges

- Motivated the slow learners.
- Addressed the awareness and importance of the activity to students who know it prior to involving.
- Chosen seminar hall to provide flexible arrangement for students and reduce the disturbance to neighbor class.

2.7.2 Post implementation reflection.

- Most of the students including slow learners actively participated and enjoyed.
- This activity is uploaded in slideshare.net for public view and critique. It shown in the following URL. <https://www.slideshare.net/kaliappan20/innovative-practicethinkpairsharetopic-dtd-for-tv-schedule>.
- It clearly notice to achieve the successful based on the critique and analytics.
- Students were given excellent feedback for conducting this activity. Feedback analysis clearly shows the success of this activity because all the students are given positive feedback.
- This practice is published on slideshare.net in the following URL for public view and critique. URL: <https://www.slideshare.net/kaliappan20/innovative-practice-three-step-interviewdrmk>

In order to reduce the disturbance of neighboring class, this activity can conduct in a seminar hall that provides a flexible arrangement of students.

4.12 Relevance of program outcomes

Programme Outcome	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12
Objective(O)	3	2				2		2	2	2		2
