Reflective Critique:

❖ **Discussing with students:**

- The self-analyzing activity helps to identify the areas to be improved.
- It helps to identify and explore a lot on the topics which has less understanding.

❖ **Benefit of the practice:**

- Quick Assessment: Exit slips provide a snapshot of students' understanding in a short amount of time.
- Feedback Loop: It create a feedback loop between teachers and students, helping

to modify instruction to students' needs.

- Active Engagement: Students are actively engaged in reflecting on their learning.

❖ ***Challenges faced in implementation:***

- Reviewing and analyzing exit slips from an entire class can be time-consuming
- Some students may view exit slips as a low-stakes activity and may not put in their best effort when responding. Ensuring that students take exit slips seriously can be a challenge.
