Innovative Practice Description

- **Unit / Topic:** Unit III / E-Mail Automation and Lead Generation
- **Course Outcome:** CO3
- **Topic Learning Outcome/UP:** 3a
- **Activity Chosen:** Flash Cards
- **Justification:**
 - Flash cards are a memory aid tool that helps in quick recall and active learning.
 - E-Mail Automation and Lead Generation involves understanding processes, tools, and best practices.
 - Enhance conceptual clarity and quick recall of terminologies and processes in E-Mail Automation and Lead Generation, flash card activity was chosen.
- **Time Allotted for the Activity:** 15 Minutes
- **Pre Implementation:**
 - Two sets of flash cards were prepared:
 - One set with questions related to E-Mail Automation tools, steps in automation, benefits of lead generation, etc. as shown in the figure no. 1.
 - Another set with answers.
 - Question and answer cards were not shuffled together.
- **Details of the Implementation:**
 - Students were divided into two groups: those with even register numbers were in the answer card group, while those with odd register numbers were in the question card group.
 - Question cards were given to one group, answer cards to another.
 - A student with an answer card would read it aloud; the others listened carefully to match it with the correct question.
 - The student holding the matching question card then explained both the question and answer to the entire class.
 - The student holding the matching question card explained both the question and the corresponding answer to the entire class. During the activity, students *Asrar Siddiq S* and *Venkadesha Harihara Pandian M* actively participated, demonstrating the use of flash cards to enhance understanding of the topic as shown in the figure 2.

- **CO – PO / PSO mapping:**

- **Reflective Critique:**

- ❖ ***Feedback of practice from students and other stakeholders:***

- Students found the flash card activity highly engaging.
 - They requested more such interactive sessions for difficult topics.

- ❖ ***Benefit of the practice:***

- Improved understanding of E-Mail Automation steps and strategies.
 - Enhanced memory retention of key concepts and terminologies.

- ❖ ***Challenges faced in implementation:***

- Some students struggled initially to match questions and answers due to similar terminologies.
