

Department of Computer Science and Engineering

Academic Year 2024– 2025 (Even Semester)

Degree, Semester & Branch: VI Semester – B.E. CSE - A Section

Course Code & Title: CCW332 - Digital Marketing

Name of the Faculty member (s): Dr.R.Venkatesh, ASP/CSE

Date of Implementation : 01.03.2025

Innovative Practice Description

- **Unit / Topic:** Unit I / Digital Marketing Components
- **Course Outcome:** CO1
- **Topic Learning Outcome /UO:** 1a
- **Activity Chosen:** One Minute Paper
- **Justification:**
 - The Minute Paper activity prompts students to quickly summarize key components of a digital marketing strategy, reinforcing comprehension and identifying gaps in understanding.
 - Writing a brief response within a limited time forces students to focus on essential elements like target audience, content strategy, and performance metrics, leading to better retention of concepts.
 - Instructors can review responses to gauge student understanding and clarify misconceptions, fostering interactive discussions and deeper learning.
- **Time Allotted for the Activity:** 10 Minutes
- **Details of the Implementation:**
 1. **Pre-Activity Preparation**
 - Faculty member define and explained the key components of a Digital Marketing Strategy (e.g., target audience, content strategy, SEO, social media, paid advertising, analytics, influencer marketing etc.,)
 - Prepared a lecture material covering these components.
 2. **Execution of the Activity**
 1. **Explain the Activity**
 - Inform students that they will have **one minute** to write a short response summarizing a key concept from the lecture.
 2. **Distribute the Prompt**
 - Display or verbally communicate the question related to digital marketing strategy components.

3. Writing Phase

- Students independently write their responses within **05–10 minutes**.
- The Fig 1. shows the students writing the given questions.

4. Collection & Review

- Collect responses (physically or digitally) and skim through them to identify trends and misconceptions.
- The Fig 2. shows the sample one minute paper activity.

3. Post-Activity Discussion & Reflection

- Share common themes or highlight strong responses.
- Ask students to discuss their answers in small groups or pairs.
- Address misunderstandings or elaborate on key components based on student responses.
- Relate the responses to real-world digital marketing strategies and campaigns.

• CO – PO / PSO mapping:

CO	PO1	PO2	PO3	PO5	PO9	PO10	PSO2
CO2	3	2	1	1	1	1	2
(1 – Low 2 – Moderate 3 – High)							

• PO / PSO mapped:

Innovative practice	PO1	PO2	PO3	PO9	PO10	PSO2
Justification for correlation	Students will develop a strong foundational understanding of digital marketing strategy components, essential for effective marketing decision-making.	Students will be able to apply digital marketing concepts in real-world business scenarios, improving their strategic approach.	Students will enhance their ability to analyze marketing challenges and propose suitable digital marketing strategies.	As students individually engage in the activity, their independent thinking and analytical skills are improved.	Students' writing and documentation skills are enhanced as they summarize and articulate marketing strategy concepts concisely.	The problem-solving skills gained through this activity will help students address real-world digital marketing challenges effectively.

• **Reflective Critique:**

❖ **Feedback of practice from students and other stakeholders:**

- Students said that they were able to recollect and remember the concepts of digital marketing strategy components after the activity.
- Students felt that the activity would be helpful in applying digital marketing strategies effectively in real-world scenarios.

❖ **Benefit of the practice:**

- Improved retention and understanding of digital marketing strategy components.
- Helped instructors assess student learning and identify knowledge gaps for further clarification.

❖ **Challenges faced in implementation:**

- Some students misinterpreted certain concepts while writing their responses.
- A few students required extra time to complete the activity, impacting session pacing.
