ELECTRONICS & COMMUNICATION ENGINEERING

The Department of Electronics and Communication Engineering (ECE) is established in the year 2013 with a vision to develop competent professionals to meet the global challenges in modern engineering society and to educate the students to become enlightened engineers with latest know-how to take on the challenges concerned with the society. At present RIT offers a 4-year B.E. ECE programme with a sanctioned intake of 120 students. The Laboratories are equipped with latest technology in the fields of Electronic Devices and Circuits, Digital Electronics, Linear Integrated Circuits, Microprocessors & Microcontrollers, Very Large Scale Integration Circuits, Digital Signal Processing, Communication System, Computer Networks, Optical & Microwave and Embedded Systems that offer opportunities on a wide range of hardware and advanced software packages. The Department encompasses professional associations such as Students Technical Association "Electronica", IETE, ISTE chapters which provide students the platform to learn professional and soft skills.

In the academic year 2016-2017, the Department had organized various Value Added Courses, Electronica-Association activities, Workshops, Conference, Guest lectures and Industrial Visits. The students had excelled in both co-curricular and extra curricular activities. The students had participated in various competitions and won prizes. The Department of ECE delights to release the News Letter "Electro Wits" for the academic year 2016-2017.

Vision, Mission, PEOs & PSOs

Vision

Develop futuristic technologist in Electronics and Communication Engineering to meet the global challenges and the societal needs of our nation.

Mission

- Educate students to become enlightened engineers with the latest know-how to take on the challenges concerned with the society.
- Equip the students with the current trends and latest technologies in the field of Electronics and Communication Engineering to make them technically strong and ethically sound.
- Constantly motivate the students and faculty members to achieve excellence in Electronics and Communication Engineering and Research & Development activities.

Program Educational Objectives (PEOs)

- Graduates will gain knowledge through continuous learning to enhance core competency and career prospects.
- Graduates will be technically competent to design, analyze, develop and implement Electronics and Communication Systems.
- Graduates will apply the basic fundamental concepts in Electronics and related fields to solve general engineering Problems related to societal needs.
- Graduates will be professionals with attributes, passion, positive attitude, ethics and moral values for a successful career.
- Graduates will Communicate effectively and interact responsibly with colleagues, employees, team members, clients and the society.

Program Specific Outcomes (PSOs)

After successful completion of the degree, the students will be able to

- Adapt to emerging trends in Information and Communication Technology by innovating new ideas to solve existing/novel problems.
- Excel in latest technologies of Embedded Systems.
- Design, analyze and develop electronic products in the area of VLSI Design and Communication Systems.
- Contribute as Entrepreneurs in building electronic products

Department Association Inauguration

RIT-ELECTRONICA

The Department of Electronics and Communication Engineering has inaugurated the association “RIT-ELECTRONICA 2016” on 30.07.2016. The Chief guest, Mr.M.S.Damodara, Product Manager at Global IEEE, Bangalore delivered a guest lecture on “EDA Tools” for the II & III year ECE students. He shared his experience on EDA tools and insisted them to learn all subjects with interest.

RIT-ELECTRONICA Activities

- ◆ Department of Electronics and Communication Engineering Association “RIT-ELECTRONICA” conducted various technical events such as Tech thought, Project Expo, Electropuzz, Pinocchio, Sapientia, Techwizard for ECE students during August 19-20, 2016. Dr.S.Periyanayagi, HOD/ Incharge, ECE, distributed the certificates and prizes for the winners.

Second National Conference on Innovation in Engineering, Science and Technology - (NCIEST '17)

The RIT has organized the Second National Level Conference on 24th & 25th March 2017 . The Primary purpose of this conference is to bring the budding Engineers, young researchers together to share the knowledge in various emerging fields of Engineering, Science and Technology. The conference was inaugurated on 24th March 2017 by Mr.D.Rajakumar, Vice President-operations, Tessolve semiconductors, Bangalore, delivered an Invited talks on ‘Technical requirements in Semiconductor Engineering Industry’, he spoke on the various features of Transistor scaling trends, VLSI design, Fabrication of IC’s, Testing process and the Industry expectations on fresh graduates.

The Two day National conference was chaired by two Expert members, one internal and one external faculty. Dr. P.Suveetha Dhanaselvam, Associate Professor, Velammal College of Engineering and Technology for Electronics and Communication Engineering who gave her views to improve the technical skills. The participants had presented 29 papers from the various areas in the discipline of Electronics and Communication Engineering.

Workshop Organized

One day Workshop on “**Internet of things (IOT)**” in association with M/s. Enthu Technology Solutions India Pvt. Ltd., Coimbatore on 20.08.2016 for III year ECE A and B Students.

Value Added Course On Arduino with IOT

Six days Value Added Course on “Arduino with Internet of Things (IOT)” was organised by the Department of Electronics and Communication Engineering from 05.12.2016, 09.12.2016 to 13.12.2016 for II year ECE students. Mr.M.Manikandan, Application Engineer, M/s. Enthu Technology Solutions India Pvt Ltd., Coimbatore, was the resource person for this course.

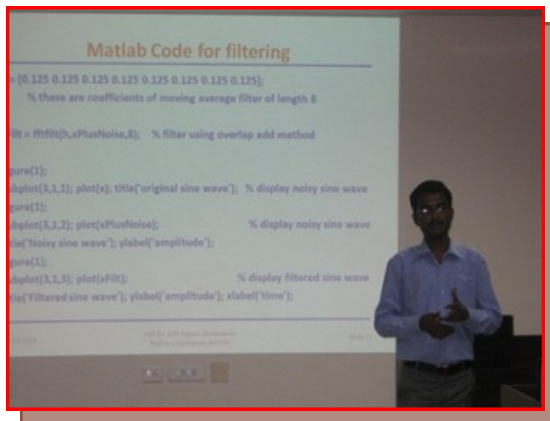

Value Added Course On Internet of Things (IOT) with Raspberry Pi

Six days Value Added Course on “Internet of Things (IOT) with Raspberry Pi” was organised by the Department of Electronics and Communication Engineering from 28.11.2016 to 03.12.2016 for III year ECE students. Mr.Moorthy Kanagaraj, Product Manager, M/s. Enthu Technology Solutions India Pvt Ltd., Coimbatore, was the resource person for this course.

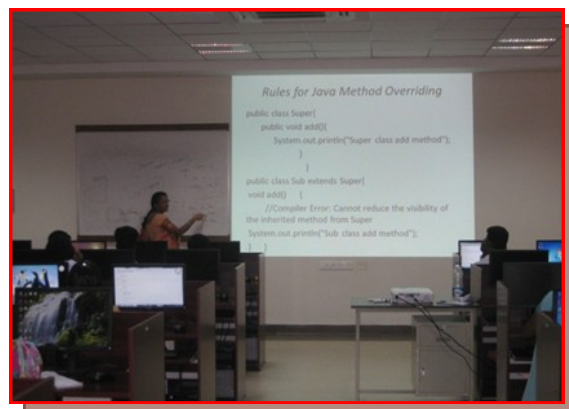

Value Added Course On MATLAB

Six days Value Added Course on “**MATLAB**” was organised by the Department of Electronics and Communication Engineering from 12.12.2016 to 17.12.2016 for II year ECE students. **Mr.Moorthy Kanagaraj, Product Manager, M/s. Enthu Technology Solutions India Pvt Ltd., Coimbatore**, was the resource person for this course.

Value Added Course On JAVA

Six days Value Added Course on “**JAVA**” was organised by the Department of Electronics and Communication Engineering from 05.12.2016, 09.12.2016 to 13.12.2016 for III year ECE students. Faculty members from the Department of Computer Science and Engineering, Ramco Institute of Technology were the resource persons for this course.

Guest Lecture on Enjoyable coding

Guest Lecture on “Enjoyable coding” was delivered by Dr.JeyVeerasamy, Director, Center for Computer Science & Outreach University of Texas at Dallas, Texas, USA, for II & III year ECE students on 03.08.2016. He explained about the 3D Programming tool and highlight its features & show how it makes learning to program really exciting. It is a freely available teaching tool designed to be a student's first exposure to programming.

Guest Lecture on Semiconductor Devices and its Applications

Guest Lecture on “Semiconductor Devices and its Applications” for III year ECE students on 24.08.2016. The resource person explained about the application of semiconductor devices in electronics and optoelectronics. Also, he explained about the importance of semiconductors in military and industrial markets.

Publications in Journals

- Mrs.B.Deepalakshmi, AP(SG)/ECE, published a paper entitled **“Artificial Neural Networks for Wind Speed Prediction”**, International Journal of Control Theory and Applications, 2016.
- Mrs.B.Deepalakshmi, AP(SG)/ECE, published a paper entitled **“Image Processing for monitoring windmills”**, International Journal of Control Theory and Applications, 2016.
- Mrs.R.Chitra, AP/ECE, published a paper entitled **“Design of High Speed Vedic Multiplier using carry Select Adder”**, International Journal of engineering Research and Technology, 2017.
- Mr.K.Ragavan, AP/ECE, published a paper entitled **“Combined Keyframe Extraction and Object Based Segmentation in Video Processing”**, International Journal of engineering Research and Technology, 2017.
- Ms.S.Jeeva, AP/ECE, published a paper entitled **“Transform Based Medical Image Enhancement”**, SSRG International Journal of Electronics and Communication Engineering, 2017.
- Mr.A.Azhagu Jaisudhan Pazhani AP/ECE, published a paper entitled **“FPGA Implementation of Reconfigurable Error Tolerant Carry Look Ahead Adder”**, SSRG International Journal of Electronics and Communication Engineering, 2017.
- Mr.A.Azhagu Jaisudhan Pazhani AP/ECE, published a paper entitled **“FPGA Implementation of Fast Multiplier using Interlaced Partition Concept”**, SSRG International Journal of Electronics and Communication Engineering, 2017.

Publications in Conferences

- Dr.S.Periyanayagi, Asso.Prof/ECE presented a paper entitled, **“Controlling and Monitoring of Rocket Engine Test Facility using Web Based SCADA”** in National Conference on Communication Technology Interventions for Rural and Social Development (NCCTIRD-2017) at Sri Krishna College of Engineering and Technology, Coimbatore on March 10, 2017.
- Dr.S.Periyanayagi, Asso.Prof/ECE presented a paper entitled, **“Sensor Based Monitoring System for Reduction in Dosage of Pesticide in Agriculture Fields”** in National Conference on Communication Technology Interventions for Rural and Social Development (NCCTIRD-2017) at Sri Krishna College of Engineering and Technology, Coimbatore on March 10, 2017.
- Mrs.B.Deepa Lakshmi, AP(SG)/ECE presented a paper entitled, **“Enhancement of Photovoltaic Cell Efficiency using Peltier Tiles”** in National Conference on Optimization Techniques in Engineering Sciences and Technologies (OPTTEST-2017) at Bannari Amman Institute of Technology, Sathyamangalam during March 17-18, 2017.
- Mr.K.Ragavan, AP/ECE presented a paper entitled, **“Shot Based Segmentation Techniques in Video Processing- A Survey”** in National Conference on Recent Trends in Engineering and Information Technology at K.L.N. College of Information Technology, Madurai on March 21, 2017.
- Mrs.V.SrirengaNachiyar, AP/ECE presented a paper entitled, **“Smart Irrigation System using Arduino”** in International Conference on Recent Trends in Engineering, Computers, Information Technology and Applications (ICRTECITA-2017) at PSNA College of Engineering and Technology, Dindigul on March 22, 2017.
- Mr.A.Azhagu Jaisudhan Pazhani, AP/ECE presented a paper entitled, **“FPGA Implementation of Reconfigurable Error Tolerant Carry Look Ahead Adder”** International Conference on Recent Trends in Engineering, Computers, Information Technology and Applications (ICRTECITA-2017) at PSNA College of Engineering and Technology, Dindigul on March 22, 2017.

- Mr.A.Azhagu Jaisudhan Pazhani, AP/ECE presented a paper entitled, **“FPGA Implementation of Fast Multiplier using Interlaced Partition Concept”** in International Conference on Recent Trends in Engineering, Computers, Information Technology and Applications (ICRTECITA-2017) at PSNA College of Engineering and Technology, Dindigul on March 22, 2017.
- Mrs.S.Jeeva, AP/ECE presented a paper entitled, **“Transform Based Medical Image Enhancement”** in International Conference on Recent Trends in Engineering, Computers, Information Technology and Applications (ICRTECITA-2017) at PSNA College of Engineering and Technology, Dindigul on March 22, 2017.
- Dr.S.Periyanayagi, Asso.Prof/ECE presented a paper entitled, **“Embedded Based System for Reduction in Dosage of Pesticides”** in National Conference on Innovations in Engineering, Science and Technology (NCIEST) at Ramco Institute of Technology, Rajapalayam during March 24-25, 2017.
- Dr.S.Periyanayagi, Asso.Prof/ECE presented a paper entitled, **“Enhanced Automation using IOT”** in National Conference on Innovations in Engineering, Science and Technology (NCIEST) at Ramco Institute of Technology, Rajapalayam during March 24-25, 2017.
- Dr.S.Periyanayagi, Asso.Prof/ECE presented a paper entitled, **“Generation of Electricity Using Microbes”** in National Conference on Innovations in Engineering, Science and Technology (NCIEST) at Ramco Institute of Technology, Rajapalayam during March 24-25, 2017.
- Mrs.B.DeepaLakshmi, AP(SG)/ECE presented a paper entitled, **“Biometric and RFID Based Polling System”** in National Conference on Innovations in Engineering, Science and Technology (NCIEST) at Ramco Institute of Technology, Rajapalayam during March 24-25, 2017.
- Mr.B.Kannan, AP/ECE presented a paper entitled, **“A Seismic Approach using PIC and IOT”** National Conference on Innovations in Engineering, Science and Technology (NCIEST) at Ramco Institute of Technology, Rajapalayam during March 24-25, 2017.

- Mrs.Sangeetha, AP/ECE presented a paper entitled, **“Wireless Signalling System in Railways”** in National Conference on Innovations in Engineering, Science and Technology (NCIEST) at Ramco Institute of Technology, Rajapalayam during March 24–25, 2017.
- Mrs.Sangeetha, AP/ECE presented a paper entitled, **“E-Paper Technology”** in National Conference on Innovations in Engineering, Science and Technology (NCIEST) at Ramco Institute of Technology, Rajapalayam during March 24–25, 2017.
- Mr.T.Ramprakash, AP/ECE presented a paper entitled, **“Arduino Microcontroller Based Robotic Vehicle for Rescue Operation”** in National Conference on Innovations in Engineering, Science and Technology (NCIEST) at Ramco Institute of Technology, Rajapalayam during March 24–25, 2017.
- Mrs.R.Divya, AP/ECE presented a paper entitled, **“Food Wastage Tracking System using Arduino”** in National Conference on Innovations in Engineering, Science and Technology (NCIEST) at Ramco Institute of Technology, Rajapalayam during March 24–25, 2017.
- Mrs.G.Gnana Priya, AP/ECE presented a paper entitled, **“Automatic Safety Measure for Automobiles”** in 4th National Level Conference on Ubiquitous Technologies in Electronics (NCUTE 17) Theni Kammavar Sangam College of Technology, Theni on March 30, 2017.
- Mr.B.Kannan, AP/ECE presented a paper entitled, **“Design of Wind and Vane System with Anemometer using PIC Microcontroller”** in National Conference on Innovations in Electronics, Communication and Computing (NCIECC’17) at Velammal College of Engineering and Technology, Madurai on March 31, 2017.
- Mrs.R.Chitra, AP/ECE presented a paper entitled, **“Design of High Speed Vedic Multiplier Using Carry Select Adder”** in National Conference on Innovations in Electronics, Communication and Computing (NCIECC’17) Velammal College of Engineering and Technology, Madurai on March 31, 2017.
- Mr.T.Ramprakash, AP/ECE presented a paper entitled, **“Extraction of Number Plate by Monitoring the Vehicle Speed using Image Procesing”** in National Conference on Innovations in Electronics, Communication and Computing (NCIECC’17) at Velammal College of Engineering and Technology, Madurai on March 31, 2017.

Events Attended

- Mr.K.Ragavan, AP/ECE attended a Faculty development Programme on **"Digital Image Processing"** at Kalasalingam Institute of Technology, KrishnanKovil during June 06-13, 2016.
- Mr.T.Ramprakash, AP/ECE attended a Workshop on **"Microcontroller Based System design"** at Sri Sai Ram Institute of Technology, Chennai during June 20-27, 2016.
- Mr.B.Kannan, AP/ECE attended a Faculty development Programme on **"VLSI Design"** at SSM Institute of Engineering, Dindigul during November 18-24, 2016.
- Ms.G.Lakshmi Priya, AP/ECE attended a Faculty development Programme on **"Innovations in Nano science Engineering"** Jeppiaar Engineering College, Chennai during November 28 – December 02, 2016.
- Ms.R.Divya, AP/ECE attended a Second National Seminar on **"Recent trends in RF, Antennas and MIC"** at K.L.N College of Engineering, Madurai during December 01-02, 2016.
- Mr.K.Ragavan, AP/ECE attended a Faculty development Programme on **"Wireless Networks"** at R.M.D Engineering College, Chennai during December 01-08, 2016.
- Ms.R.Divya, AP/ECE attended a Faculty development Programme on **"Embedded System"** at Kamaraj College of Engineering and Technology, Virudhunagar during December 02 -03, 2016.
- Mrs.G.Gnana Priya, AP/ECE attended a Faculty development Programme on **"Communication Theory"** at K.L.N College of Engineering, Madurai during December 5-12, 2016.
- Mr.D.Gopinath, AP/ECE attended a Faculty development Programme on **"RF Circuits and Antenna Design"** at MEPCO Engineering college, Sivakasi during December 19-23, 2016.
- Mrs.Sangeetha, AP/ECE attended One day Seminar on **"Recent Advance in Antenna System"** at Sri Vidya College of Engineering and Technology, Virudhunagar on December 23, 2016.
- Mrs.V.SrIREngaNachiyar, AP/ECE attended a Workshop on **"NS-3 simulator for future generation Wireless Networks"** at Anna University, Chennai during February 25-26, 2017.
- Mr.A.Azhagu Jaisudhan Pazhani, AP/ECE attended a National Seminar on **"Research Issues in Digital Image Processing"** at Mepco Schlenk Engineering College, Sivakasi on March 18, 2017.

Placement Activities

The Training and Placement Cell of this college provides guidance and all the assistance for the students in order to achieve their career goals. The unit takes right steps in identifying the demands of the current industry and prepares our students towards this need. Adequate emphasis is given for soft skill development complementing the regular academic programmes.

Aptitude Tests and Group Discussions are conducted at regular intervals to enable the students to improve their performance in interviews. Pre-placement training is given based on their core subject for three days before every interview schedule for them. Further, the Training and Placement Cell were conducted Soft skills and Aptitude Training Programmes by various reputed training organizations like FACE, SMART etc., to enrich their knowledge for successfully to achieve their placements.

Our Students achieved placement in various reputed companies through On-Campus and Off-Campus Recruitment. Many IT and Core companies visit our college to select candidates. The list of placed students in the Batch 2013-2017:

S.No	Name of the student	Placed company Name
1.	RESHMA V	Ramco Systems
2.	VEERALAKSHMI R	Ramco Systems

Academic Excellence

In order to cope with the rapidity with which knowledge itself changes, today's student must seek to achieve academic excellence. Achieving academic excellence is a process of both formal and informal education. Indeed, education is a limitless and unending process to be enjoyed for a lifetime. The academic excellence of our students were exhibited in the Anna university examinations.

Science Day Project Winners

National Science Day was celebrated on 28th of February every year to mark the discovery of light scattering by Dr.Chandrasekhara Venkat Raman. 40 Science projects were displayed by the Department of ECE Students in the National Science Day project Exhibition on February 28, 2017. The Chief Guest Mr.C.R.Venkatesh, Managing Director and CEO, Dot Com Infoway, Madurai distributed the prizes for the winners of various events.

First Prize – “Gesture Vocalizer for Deaf and Mute People Interaction” by K.Sanghavi, S.Pavithra, K.Piruthika and V.Ponni (III year ECE B), guided by Mr.D.Gopinath, AP/ECE.

Second Prize – “Arduino Based Walking Aid for the Visually Challenged” by P.Siva Chidambaram and S.B.Dhananjayan (I year ECE B), guided by Dr.S.Periyanayagi, Asso.Prof. /ECE.

Second Prize – “Vehicle Accident Detection and Intimation System using GSM” by S.S.Ajith Kumar, M.Hariharan, M.Aravinthan, A.Gnanaguru and P.Krishnakumar (III year ECE A), guided by Mr.B.Kannan, AP /ECE.

Third Prize – “Homemade Vaccum Cleaner” by R.Archana, M.Iswarya, P.Iswaryadevi, R.Manjupriya and T.R.Muthulekshmi (I year ECE A), guided by Mrs.T.Vigneshwari, AP/ECE.

Inplant Training

In order to cope with the rapidity with which knowledge itself changes, today's students must seek to achieve theoretical and practical academic excellence. To bridge the gap between theoretical and practical knowledge in our technical areas, our students had undergone inplant training in various organizations in the field of electronics and communications during their semester holidays. This will provide an industrial exposure to the students as well to develop their career in the high tech industrial requirements. The students had undergone training in

- Bharat Sanchar Nigam Limited (Virudhunagar, Tirunelveli, Madurai, Trichy & Chennai)
- Code Bind Technologies Coimbatore
- Rail Net Software Solutions, Madurai
- Southern Railway, Srivilliputhur
- Doordharshan Kendra, Coimbatore
- Uniq Technologies, Coimbatore
- All India Radio (Kodaikanal, Madurai)

Industrial Visits

- The II year ECE A & ECE B Students were visited one day Industrial Visit at **Vikram Sarabhai Space Centre ISRO**, Thiruvananthapuram, Kerala on 05.06.2017.
- The III year ECE A & ECE B Students were visited Two days Industrial Visit at **Entuple Technologies Pvt Ltd**, Bengaluru, Karnataka on 16.06.2017 & 17.06.2017.
- The I year ECE A & ECE B Students were visited one day Industrial Visit at **RAMCO Group Textile Division**, Rajapalayam on 04.03.2017.
- The II year ECE A & ECE B Students were visited one day Industrial Visit at **RAMCO Group Textile Division**, Rajapalayam on 01.07.2016.
- The III year ECE A Students were visited one day Industrial Visit at **City Electronics Pvt Ltd**, Madurai on 30.07.2016.
- The III year ECE A Students were visited one day Industrial Visit at **City Electronics Pvt Ltd**, Madurai on 15.07.2016.

Co-Curricular Activities

- AB.Dhana Dharshini, B.Anubala, JM.Jaisri, S.Devi and A.Azhagulakshmi, III year ECE attended the Workshop on **"IOT using Raspberry Pi"** organized by Ramco Institute of Technology in association with Enthi Technology Solution India Pvt. Ltd., on August 20, 2016.
- T.R.Thiravia Tharani, II year ECE attended the Workshop on **"Big Data Analytics using Hadoop"** at Kongu Engineering College on September 03, 2016.
- S.Pargavi, S.PandiLakshmi, R.Prathumna and A.Piruthiba, II year ECE attended a Workshop on **"ANDROID App Development"** conducted by Uniq technologies on December 15, 2016.
- T.Selvakarhiga, M.Priyadharsini, A.Sathiyavathi and M.vaishnavi, II year ECE attended a Workshop on **"ANDROID App Development"** conducted by Uniq technologies on December 15, 2016.
- R.Kiran Rakshana, M.Divya, A.Beena, S.V. Laksikha, and S.Mareeswari, IV year ECE participated in the events of **"Gyan Mitra '17"** a National level techno-management symposium organised by Mepco Schlenk Engineering college, Sivakasi on February 17-18, 2017.
- A.Syed Muhamed Nihall, II year ECE has attended the Workshop on **"Practical Applications of Embedded Systems"** at Mepco Schlenk Engineering College, Sivakasi on February 17-18, 2017.
- V.Subalakshmi, R.Petchiammal, M.Vaishnavi and R.Nivethitha, II year ECE attended the Workshop on **"NI LabView at Mepco Schlenk Engineering College, Sivakasi"** on February 17-18, 2017.
- A.Vidya and T.R.Thiravia Tharani, II year ECE attended the Workshop on **"DIY Solar Latern at College of Engineering, Guindy"** on February 18, 2017.
- I.Atshal mahhiba joy and L.Mithra devi, I year ECE participated in paper presentation held during **"National science day celebration"** at Ramco Institute of technology, Rajapalayam on February 28, 2017.

- Ms.Nivetha, Ms.Padmajeyarekha and Ms.Vaishnavi, II year ECE attended the Workshop on **“Swarm Robotics at National Institute of Technology, Tiruchirapalli”** from March 02-05, 2017.
- S.Swathy and M.Sumathi Priya of II year ECE has attended the **“National level Workshop on Data Analytics using Python”** at Kongu Engineering College on March 04, 2017.
- P.Siva Chidambaram, S.Sri karthick, and S.Rajaguru, I year ECE attended workshop on **“Ethical hacking at IIT-Madras”** in on March 04-05, 2017.
- S.Rajaguru, I year ECE attended workshop on **“Vision Robotics at IIT-Madras”** in on March 04-05, 2017.
- V.Ranjana, B.Rajam, V.PunithaLakshmi, S.Ragha, S.Yaswandra, A.Perunjothi and S.Vinodhini II year ECE attended the Workshop on **“Robotics at Madras Institute of Technology, Chennai”** on March 04-05, 2017.
- A.Prithuiba, T.SelvaKarthiga and M.Priyadharsini, II year ECE attended the Workshop on **“Signal Processing using MATLAB”** at Kongu Engineering College on March 16, 2017.
- G.Koushika, R.Divyadharsini, T.Geethanjali and V.Gobiya , III year ECE prticipated the Workshop on **“Real Time Projects design using PIC and ARM Controllers”** at Kongu Engineering College on March 18, 2017.
- A.sangareswari, A.Sathiyavathi, S.Rohini and K.ShyamSundar, II year ECE attended the Workshop on **“Internet of Things at Government College of Technology, Coimbatore”** organized by National Institute of Electronics and information Technology, Chennai on March 21, 2017.
- R.Kalaiaarasi, R.Aruna and B.Muthumeena, III year ECE attended the Workshop on **“Internet of Things at Government College of Technology, Coimbatore”** organized by National Institute of Electronics and information Technology, Chennai on March 21, 2017.

Paper Presentation

- M.Thevya Shree and S.Swathy, II year ECE presented a paper titled **"Wireless Communication –Cell Phone the Life Saver on TechYuga'16"**– State level Technical Symposium Organized by Ramco Institute of Technology during August 19-20, 2016.
- S.Yaswandra and M.Vinothini, II year ECE presented a paper titled **"Nano Materials on TechYuga'16"**– State level Technical Symposium Organized by Ramco Institute of Technology during August 19-20, 2016.
- S.Jayalakshmi, R.Sheeba Evageline and R.Abhissha Manonmani, IV year ECE presented a paper titled **"Sensor based monitoring syatem for Reduction in Dosage of pesticide in agriculture fields"** in National Conference on CommunicationTechnology Interventions for Rural and Social Development at Sri Krishna College of Engineering and Technology during March 10, 2017.
- A.Beena, M.Divya, M.Parvathi and V.Reshma, IV year ECE presented a paper titled **"Controlling and Monitoring of Rocket engine test facility using web based SCADA"** in National Conference on CommunicationTechnology Interventions for Rural and Social Development at Sri Krishna College of Engineering and Technology during March 10, 2017.
- M.Murugalakshmi, M.Menaka and R.Sandhiya, IV year ECE presented a paper titled **"Enhancement of Photovoltaic cell efficiency using Peltier Tiles"** in National Conference on Optimization Techniques in Engineering Sciences and Technology at Bannari Amman Institute of Technology during March 17-18, 2017.
- K.Abirami and S.V.Iasikha, IV year ECE presented a paper titled **"FPGA Implementation of Reconfigurable Error tolerant carry look ahead adder"** in International Conference on Recent Trends in Engineering, Computers, Information Technology and Applications at PSNA College of Engineering and Technology on March 22, 2017.
- C.Mathuribanu, M.Saranyamalini and S.Shobana, IV year ECE presented a paper titled **"Object based segmentation using PSO and WPSO algorithms in video processing"** in National Conference on Innovation in Engineering, Science and Technology at Ramco Institute of Technology during March 24-25, 2017.

- N.Muthumalar and S.Jeyaselvi, IV year ECE presented a paper titled **“Digital Jewellery”** at KPR Institute of Engineering and Technology on March 24, 2017.
- R.Srija of IV year ECE presented a paper titled **“Biometric and RFID Based Polling System”** in National Conference on Innovation in Engineering, Science and Technology at Ramco Institute of Technology during March 24-25, 2017.
- E.Nivetha of IV year ECE presented a paper titled **“Modern Real Time Tremble Sensor using IOT”** in National Conference on Innovation in Engineering, Science and Technology at Ramco Institute of Technology during March 24-25, 2017.
- N.Subashini of IV year ECE presented a paper titled **“Detection of Microaneurysms using shape Features”** in National Conference on Innovation in Engineering, Science and Technology at Ramco Institute of Technology during March 24-25, 2017.
- S.Karthigayeni, S.Kavitha, and T.Kaviya, IV year ECE presented a paper titled **“Design of a Wind Vane System with Anemometer using PIC Microcontroller”** in National Conference on Innovation in Electronics, Communication and Computing at Velammal College of Engineering and Technology on March 31, 2017.
- M.Manimozhi of IV year ECE presented a paper titled **“Combined Keyframe Extraction and Object based Segmentation in Video Processing”** in National Conference on Innovation in Electronics, Communication and Computing at Velammal College of Engineering and Technology March 31, 2017.
- C.Sathyasree and C.Durgaveni, IV year ECE presented a paper titled **“Design of High Speed Vedic Multiplier using carry select Adder”** in National Conference on Innovation in Electronics, Communication and Computing at Velammal College of Engineering and Technology on March 31, 2017.
- S.Shobana, M.Saranya Malini and C.Mathuri Banu, IV year ECE presented a paper on **“Object Based Segmentation using Optimization algorithm in video Processing”** in National Conference on Innovative Technologies in Computer and Communication held at Velammal College of Engineering and Technology on April 04, 2017.

Extra Curricular Activities

- S.J.Poornima, IV Year ECE Department has won First Prize in Throw Ball in 4th sports day celebration 2017 at Ramco Institute of Technology.
- S.Siva Ranjani, III Year ECE Department has won Second Prize in Chess in 4th sports day celebration 2017 at Ramco Institute of Technology.
- T.Geethanjali, III Year ECE Department has won First Prize in Volley Ball in 4th sports day celebration 2017 at Ramco Institute of Technology.
- A.Azhagu Lakshmi, III Year ECE Department has won First Prize in Carrom in 4th sports day celebration 2017 at Ramco Institute of Technology.
- S.Angel Josepha, III Year ECE Department has won First Prize in Kho-Kho in 4th sports day celebration 2017 at Ramco Institute of Technology.
- R.Sreejayapratha, II Year ECE Department has won First Prize in Throw ball in 4th sports day celebration 2017 at Ramco Institute of Technology.
- S.Siva Santhiya, II Year ECE Department has won First Prize in Throw Ball in 4th sports day celebration 2017 at Ramco Institute of Technology.
- K.Padmajaya Rekha, II Year ECE Department has won First Prize in Kho-Kho in 4th sports day celebration 2017 at Ramco Institute of Technology.
- R.Nivethitha, II Year ECE Department has won First Prize in Carrom in 4th sports day celebration 2017 at Ramco Institute of Technology.
- S.Yaswandra, II Year ECE Department has won First Prize in Badminton in 4th sports day celebration 2017 at Ramco Institute of Technology.
- A.A.Ashwin, II Year ECE Department has won First Prize in Foot Ball in 4th sports day celebration 2017 at Ramco Institute of Technology.

Awards and Honors Received

- Ms.M.Divya, IV year ECE got the **“Best Outgoing Student of the College”** in 2013-2017 Batch.
- Ms.S.Mareeswari, IV year ECE got the **“Best Outgoing student”** for the Department of Electronics and Communication Engineering in 2013-2017 Batch.
- V.Paul essakki, I year ECE participated and secured II place in the event **“Drawing in Independence 70’ celebration”**, organised by Ramco Institute of technology, Rajapalayam on August 19-20 2016.
- P.Siva Chidambaram, I year ECE participated and secured first place in the event **“Mathematics Quiz in independence 70 ‘ celebration”**, organised by Ramco Institute of technology, Rajapalayam on August 19-20 2016.
- Veeramani Viswanathan B, III year ECE B has participated in the **“Regional Orals of the ICT Quiz”** and stood II out of the VI positions and awarded a cash prize of Rs.750/- at KLN College of Engineering, Madurai on October 25, 2016.
- Mr.B.Veeramani Viswanathan III year ECE B has presented a project entitled **“Automatic Irrigation System based on crop requirements”** and Won Third Prize with a cash award of Rs.6000 in National level IT Olympiad 2017 hosted at College of Engineering, Pune.

Online Certification Courses

- 18 students of IV year ECE successfully completed the online course on **“Programming for Everybody (Getting Started with Python)”** offered by University of Michigan, USA.
- 9 students of IV year ECE successfully completed the online course on **“Python Data Structures”** offered by University of Michigan, USA.
