Academic Year 2024-2025

Program Assessment and Quality Improvement Committee Meeting-VIII

Ref.: Ref.: RIT/Academic/ECE/PA&QIC/08

Date: 28.11.2024

MINUTES OF EIGHTH PROGRAM ASSESSMENT AND QUALITY IMPROVEMENT COMMITTEE MEETING

The Eighth Program Assessment and Quality Improvement Committee Meeting was held on 26.10.2024 at ECE Seminar Hall with the following Agenda.

- Review of Previous Meeting (7th PA&QIC)
- Dissemination of vision, mission, POs, PSOs and PEOs. Fine tuning of Vision, Mission & Revision Plan-Process-PEO and PSO - Stake holders.
- Academic Reforms
 - i) Steps taken towards knowledge deepening in honorary courses. (R2021)
 - ii) Strategies to be adapted in the knowledge acquisition of vertical courses (R2021)
(Additional/ Mandatory courses- Value added course, Naan Mudhalvan course, Reverse Engineering course under LEAP)
 - iii) Steps taken towards autonomous work.
- New initiative taken for quality improvement in Teaching and Learning-(Curricular Gap, Question paper quality improvement, Action taken for slow learners and bright students and Innovative practices)
- Impact analysis of Institute – Industry Interaction, Internship and In-Plant Training.
- Proposed methodology for Attainment of COs, POs, PSOs with program effectiveness.
- Students performance in Co-curricular and Extra-curricular activities and initiatives taken towards CO attainment
- Training and Placement progress with qualitative and quantitative analysis

- Admission Process and Analysis
- Review of faculty Contribution
 - i) Faculty participation
 - ii) Research and Development Activities
- Alumni Interaction and Stake holders feedback analysis
- Facilities and Technical support
- Continuous Improvement – department progress
- Department Budget Allocation 2024-2025 and its utilization 2023-2024

1. Welcome Address

(by Dr.A.Lakshmi, Professor/ECE)

Dr.C.Arunachala Perumal, Professor/ECE welcomed the PA&QIC members for the Eighth meeting and reiterated the agenda of the meeting. The members present are,

Dr.C.Arunachala Perumal	Professor & HoD, Department of ECE, Ramco Institute of Technology, Rajapalayam
Dr.A.Lakshmi	Professor, Department of ECE, Ramco Institute of Technology, Rajapalayam
Dr.A.Azhagu Jaisudhan Pazhani	Associate Professor, Department of ECE, Ramco Institute of Technology, Rajapalayam
Dr.S.Vairaprakash	Associate Professor, Department of ECE, Ramco Institute of Technology, Rajapalayam
Mrs.A.Leema Margret	Assistant Professor, Department of Civil Engineering, Ramco Institute of Technology, Rajapalayam
Dr.R.Venkatesh	Associate Professor, Department of CSE, Ramco Institute of Technology, Rajapalayam
Dr. P. Prem	Associate Professor, Department of EEE, Ramco Institute of Technology, Rajapalayam
Dr.V.Sivakumar	Professor, Department of Mechanical Engineering, Ramco Institute of Technology, Rajapalayam
Dr. K. Jeyapappa	Associate Professor, Department of Physics, Ramco Institute of Technology, Rajapalayam
Dr. M. Venkatesh Perumal	Associate Professor, Department of Chemistry, Ramco Institute of Technology, Rajapalayam
Dr. G. Kannan	Assistant Professor, Department of Maths, Ramco Institute of Technology, Rajapalayam
Dr. S.Gomathi	Assistant Professor, Department of English, Ramco Institute of Technology, Rajapalayam

1. Review of previous meeting (7 th PAQIC) and Review of Quality Objectives		
Points Delivered by the Faculty Members	Suggestions were given by PA&QIC Members	(by Dr.A.Lakshmi, Prof/ECE) Remarks with Target Date and Responsibility
- The recommendations made by participants in the seventh PA&QIC meetings were retrieved beforehand by Dr. A. Lakshmi, Professor and ECE. - As per the implementation advice, she gave a comprehensive presentation on the Seventh PA&QIC meeting. - Employer feed back is designed and got approval from HoD/ECE - Adjunct professor is acted as one of the reviewer for Final year Project/Mini project. He also gave motivational lectures for the students of ECE. - The Faculty has been allotted to take vertical course based on the online course completion and based on domain knowledge. - Steps were taken to increase the number of online courses. - Continuous motivations and encouragements are given to students to achieve university rank in the near future. - Encouraged the students to get stipend Internship in the reputed national level organizations like IITs, NITs and SAMEER, Chennai - Outcome in terms of placement after internship will be analysed and included - Planning to invite resource person from MoU for FDP/Workshop/Webinars - According to the suggestions given, PO and PSO Attainment analysis were made. Incorporated course exit survey results into program assessment and reporting. - Conducted faculty training sessions on CO mapping, focusing on newly joined faculty members.	- All completed actions to be mentioned properly. If the suggestion is not completed means, the plan for implementing the suggestions to be clearly specified. - The controlled copy of 7th PAQIC minutes should be published in website. 8th PAQIC minutes need to be circulated to all the members for reference.	Remarks: - The completed activity and plan for implementing the suggestions will be discussed clearly. - The 8th PAQIC minutes will be circulated to all faculty members of ECE as well as PAQIC external members. - The 7th PAQIC Minutes Published in Website. Target Date: Continuous Responsibility: Dr.A.Lakshmi

- Action taken for not attained target subjects was addressed in new initiative taken for quality improvement in teaching and learning.
- Curriculum gap identified shall be taken into account while planning events.
- Measures were taken to ensure that every final year project yields a clearly defined and measurable outcome, aligning with the academic standards and objectives of our institution.
- Organizing an international conference adhering to rigorous standards for ISBN registration and Scopus indexing, ensuring a high-quality platform for scholarly exchange and dissemination of research.
- Provided students with comprehensive information about the benefits and opportunities of pursuing M.S. (by research) outlined in the guidelines, empowering them to make informed decisions regarding their academic path.
- Thorough review of our copyright policies and procedures to identify areas for improvement and implement necessary updates.
- The students are motivated to attend GATE coaching classes and foreign language classes.
- Over 90% of the authorized funds would be spent on professional society activities this academic year and next academic year.

Contents

- Review of Seventh PA&QIC Meeting
- Points discussed in previous meeting
- Suggestions given by the members
- Implementation of suggestions

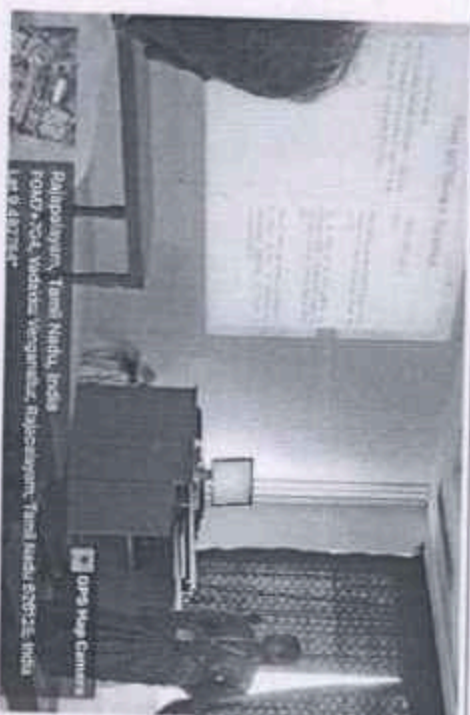

2. Dissemination of vision, mission, POs, PSOs and PEOs. Fine tuning of Vision, Mission & Revision Plan-Process-PEO and PSO - Stake holders.

(by Ms.S.Harini Shriram, AP/ECE)

Points Delivered by the Faculty Members	Suggestions were given by P&QIC Members	Remarks with Target Date and Responsibility
- Ms.S.Harini Shriram, AP/ECE explained the department Vision, Mission, Program Educational Objectives (PEOs), and Program Specific - Outcomes (PSOs) and their dissemination details with evidence. She presented the Consistency of PEOs with the Mission of the department along with the evidence	- Members insisted to redefine M3 - Members insisted to include the employer feedback form which is related to PEO. - Intern proof should be in this specific period	Remarks: Faculty incharge requested to take steps to implement the suggestions Target Date: Continuous Responsibility: Ms.S.Harini Shriram

Screenshot

3. Academic Reforms

- Steps taken towards knowledge deepening in honorary courses. (R2021)
- Strategies to be adapted in the knowledge acquisition of vertical courses (R2021)(Additional/ Mandatory courses- Value added course, Naan Mudhalvan course, Reverse Engineering course under LEAP)
- Steps taken towards autonomous work.

(by Mrs.V.SrirengaNachiyar, AP(SG)/ECE)

Points Delivered by the Faculty Members	Suggestions were given by PA&QIC Members	Remarks with Target Date and Responsibility
- Honour courses Chosen for VII semester students for R-2021 based on the specialization, already handled and previous results and steps followed for knowledge deepening along with proof. - The Vertical Course is assigned based on the criteria like Faculty member Domain specialization in M.E. / Ph.D., Completed online courses in specific domain, Already handled and produced good result & Based on FDP/Workshop attended more than 7 days - Vertical Courses allotted for VI Semester - Syllabus has been framed for autonomous and yet to finalize	- Suggested to allot vertical courses based on the online and certification courses completed by the faculty members - Work to be done for autonomous work	Remarks: Faculty members were gone for FDP & Should complete online and certification courses regarding honor and verticle courses for R-2021 offered under Naan Mudhalvan scheme Target Date: Next PAQIC Responsibility: Faculty members handling Vertical & Honor courses

Screenshot

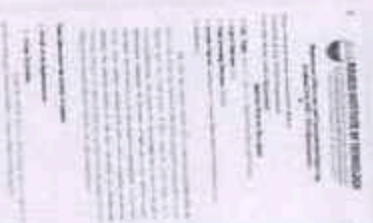

4. New initiative taken for quality improvement in Teaching and Learning (By Dr.A.Lakshmi, Prof/ECE& Ms. R. Chandralekha, AP/ECE)

Points Delivered by the Faculty Members	Suggestions were given by PA&QIC Members	Remarks with Target Date and Responsibility
- The coordinator talked about the utilization of virtual laboratories, cutting-edge techniques, and their ramifications in addition to outlining the curriculum gaps and offering suggestions for changing the syllabus to meet industry demands and expectations. - The coordinator concluded by outlining the actions done to assist students who demonstrated initiative and those who had academic difficulties. - She also described the program that was run for both fast and slow learners. - She also talked about the internal and external auditing procedures used to guarantee the caliber of the question paper.	- Fast learner and slow learner outcome due to conduction of programs to be clearly mentioned. - Effectiveness of all programs conducted to be discussed. - New innovative practices adopted should be explained. - The innovative practices for even sem 2023-2024 need to be updated in website.	Remarks: - The effectiveness of all program will be clearly specified in the next presentation. - The new innovative practices and pedagogical method implemented will be discussed clearly. - Informed all the faculty members to send the innovative practices to the website incharge for updation. Target Date: Continuous Responsibility: All Faculty members

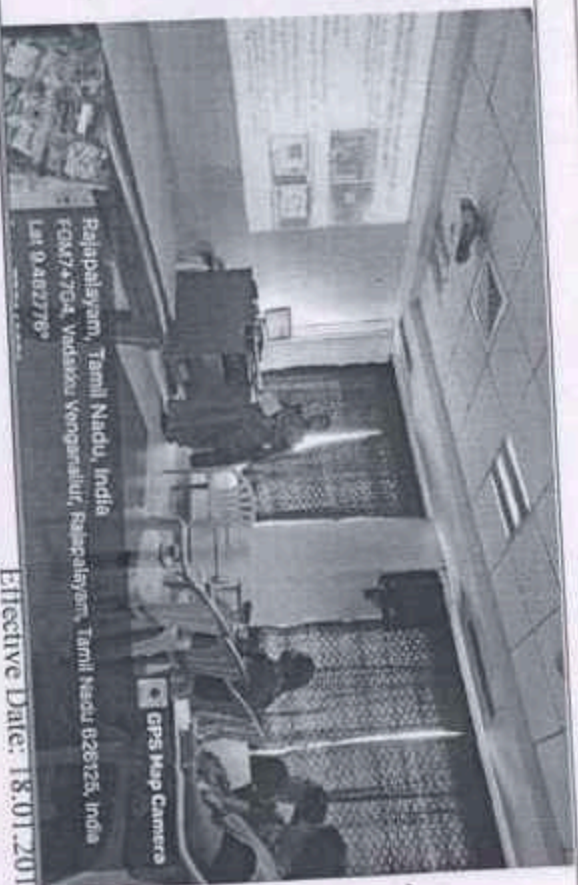

USE OF VARIOUS INSTRUCTIONAL METHODS AND PEDAGOGICAL INITIATIVES

Screenshot

Experiential learning

Activity	Duration	Remarks
1. Group discussion	15 min	Students were divided into groups of 5 and discussed the importance of experiential learning.
2. Role play	10 min	Students acted out a scenario where they had to solve a problem using their own resources.
3. Case study	20 min	Students read a case study about a company that was facing a crisis and discussed the possible solutions.
4. Simulation	30 min	Students participated in a simulation exercise where they had to make decisions based on a set of data.

Effective Date: 18.01.2016

5. Impact analysis of Institute – Industry Interaction, Internship and In-Plant Training (by Mr.D.Gopinath & Mr.G.Sivakumar, AP/ECE)

Points Delivered by the Faculty Members	Suggestions were given by PA&QIC Members	Remarks with Target Date and Responsibility					
- Presented details of students intership and industrial visit and review process <table><tr><td>2023-2024 Internship</td><td>2024-2025 Internship</td></tr><tr><td>III year 34</td><td rowspan="2">IV year 123</td></tr><tr><td>IV Year 57</td></tr></table> Students Industrial visit 4 industries visited - II year ECE A- The Rajapalayam Mills Limited,Rajapalayam - II year ECE B-Sri Vishnu Shankar mills Limited, Rajapalayam - I Year ECE A&B-Kerala Electrical &Allied Engineering Kochi - II Year ECE A&B- Traco cables kochi - Presented about Institute industry interaction-8 programs has been conducted.	2023-2024 Internship	2024-2025 Internship	III year 34	IV year 123	IV Year 57	Members suggested to encourage students to do their Internship and Projects in MoU signed industries.	Remarks: Class advisors and faculty members will motivate students to pursue projects and internships in MoU-signed industries. The faculty in-charge of MoU-signed industries will try to obtain permissions for internships and projects. Target Date: Continuous Responsibility: All Faculty Members
2023-2024 Internship	2024-2025 Internship

6. Proposed methodology for Attainment of COs, POs, PSOs with program effectiveness

(by Dr.A.Azhagu Jaisudhan Pazhani,ASPECE
Mr.R.Deiva Nayagam, AP/ECE)

Points Delivered by the Faculty Members	Suggestions were given by PA&QIC Members	Remarks with Target Date and Responsibility
- The course codes and titles for subjects under Regulation 2021, along with their specific course indices, were presented. - A domain-wise list of subjects, along with their respective domain coordinators for the AY: 2023-2024 Even Semester and AY: 2024-2025 Odd Semester, was reviewed. - The methodology for establishing target values was discussed for consecutive batches of R2021. - The metrics for various direct and indirect assessments used to evaluate the attainment of COs and POs were examined.	- Members recommended that a comprehensive evaluation of all four-year courses for the batch of 2020-2024 should be conducted. Each subject should then be classified as "Attained" or "Not Attained" - For subjects classified as "Not Attained," specific strategies for improvement should be outlined. This includes identifying the root causes of underachievement and implementing targeted actions. - It is essential to include relevant details regarding both the attainment and non-attainment of subjects in the program. This will provide transparency and facilitate discussions on improvement initiatives	Remarks: Following the results of the 2023-2024 Even Semester, including any revaluation results, the evaluation of CO attainment and the implementation of suggested improvements will be conducted. This will ensure that all recommendations are appropriately addressed. Target Date: After the revaluation results of 2023-204 Even Semester Responsibility: Dr.A.Azhagu Jaisudhan Pazhani, ASP/ECE & Mr.G.Sivakumar, AP/ECE Mr.A.RameshBabu, AP/ECE

Screenshot

CO Attainment Target (Regulation 2021)

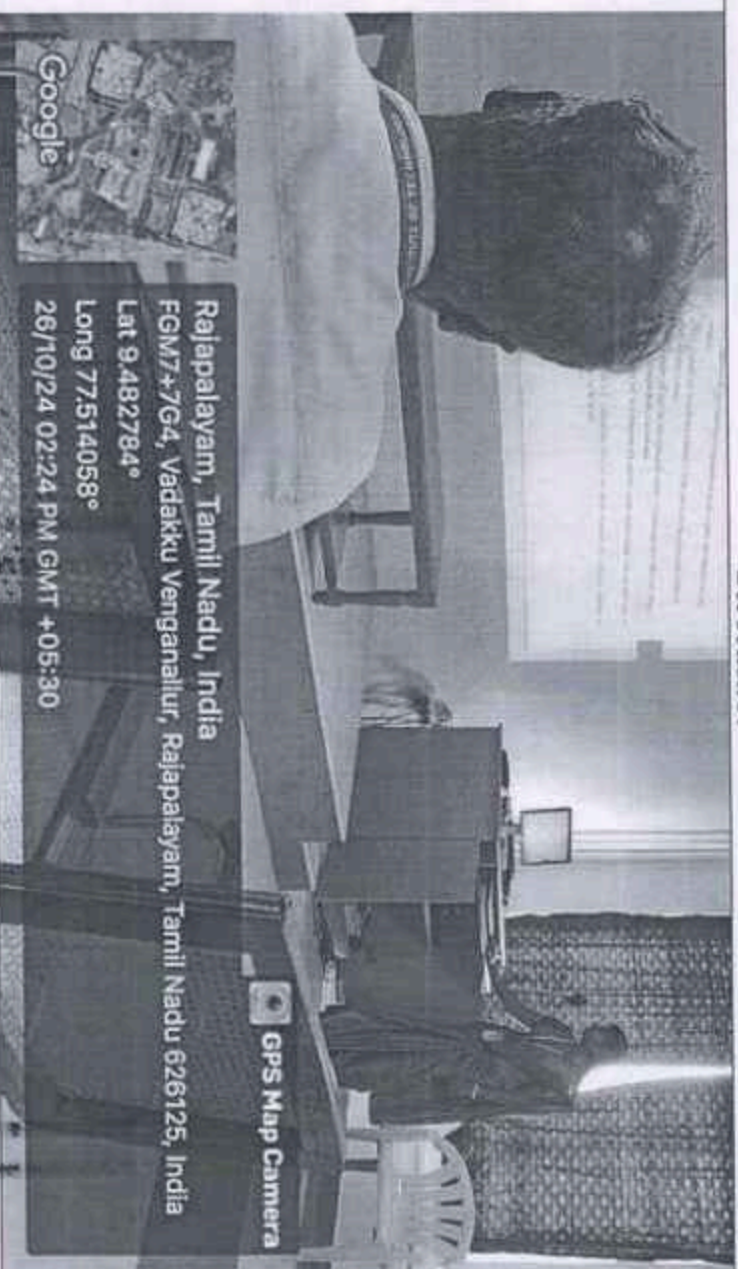

Batch	Target Attainment
2021-2025 (AGPA ₁)	1.85 for Theory Courses & 2.1 for Laboratory Courses/Projects Target Attainment = (AGPA ₁ * 0.3)
2022-2026 (AGPA ₂)	If it is less than previous Attainment keep previous attainment value as Target Attainment
2023-2027	Target Attainment = ((AGPA ₁ + AGPA ₂)/2) * 0.1 If it is less than previous Attainment keep previous attainment value as Target Attainment

7. Students performance in Co-curricular and Extra-curricular activities and initiatives taken towards CO attainment

(by Mr.P.Venkatesh, AP/ECE
Ms.S.Harini shriram,AP/ECE)

Points Delivered by the Faculty Members	Suggestions were given by PA&QIC Members	Remarks with Target Date and Responsibility
- Annual plan of professional societies - Events conducted with proof - Students outside participation - Total number of students participated through professional societies is 776 (277-IETE + 228-IE + 271 RIT Electronica) - Total number of students outside participation is 18	- Highlight the fund received from IEEE photonics society - Apply for professional society awards	Remarks: Remarks: 1. In future presentations, funds, if received from any society will be updated and included for presentation 2. Faculty and students shall be encouraged to apply for society awards, in future Target Date: continuous Responsibility: respective incharges and all faculty members

Screenshot

8. Training and Placement progress with qualitative and quantitative analysis

(by Dr.A.Azhagu Jaisudhan Pazhani, AS/PECE
Mr.R.Ramasamy, AP/ECE)

Points Delivered by the Faculty Members	Suggestions were given by PA&QIC Members	Remarks with Target Date and Responsibility
● Placement Details of 2020-2024 Batch. ● Out of 88 students, 77 were placed. ● The salary packages range from ₹2.04 LPA to ₹6.5 LPA, with a median of ₹2.5 LPA and an average of ₹2.88 LPA. ● Separate training is provided to students for both core companies and software. ● An overall placement percentage of 86.51%. ● 13 companies visited the campus.	● All faculty members work together and make good placement.	Remarks: NIL Target Date: Completed Responsibility: Dr.A.Azhagu Jaisudhan Pazhani,AS/PECE & Mr.R.Ramasamy, AP/ECE

Screenshot

PLACEMENT DETAILS (2020-2024 BATCH)

S.No	Name of the Company	Number of Student Placed	Salary Package
1	Amphisoft & Rimey	1	Rs.4.0 LPA
2	Econstrucl	1	Rs.3 - 6.5 LPA
3	Kaar Technology	1	Rs. 6.5 LPA
4	Qspider	3	Rs.2.5LPA
5	Ramco Cements	3	Rs.4.5 LPA
6	SAI POWER	2	Rs.2.04 LPA
7	SANDHATA	4	Rs.2.5LPA
8	Sharda Motor Industries Limited	9	Rs.2.5LPA
9	Smart DV	11	Rs.3.75LPA
10	Sona Comstar Pvt Ltd	8	Rs.2.5LPA
11	Tessolve Semiconductor	2	Rs.4.0 LPA

Training	Date	No. of students attended
E-Box Training	19.02.2024 to 24.02.2024	25
Lavendal Training	25.03.2024 to 30.03.2024	22
Lavendal Training	14.05.2024 to 20.05.2024	22
Lavendal Training	21.05.2024 to 27.05.2024	22
E-Box Training	20.05.2024 to 26.05.2024	25
E-Box Training	27.05.2024 to 30.05.2024	25
Data Pattem Core Placement Training	20.07.2024	29

9. Admission Process and Analysis

(by Mrs.S.Jeeva, AP/ECE & Mr.R.Deiva Nayagam, AP/ECE)

Points Delivered by the Faculty Members	Suggestions were given by PA&QIC Members	Remarks with Target Date and Responsibility
- For the academic year 2024-2025, a total of 126 students were admitted, with detailed insights into the admission cut-off scores presented, including the highest, lowest, and average values to reflect the academic profiles. - To further enhance admissions, a series of engaging events were organized for students who completed their +2 exams in 2023-2024, offering valuable insights into the field of Electronics and Communication Engineering (ECE). - These events helps the students with an understanding of the program's scope, innovations, and career opportunities	- The PA&QIC Members congratulated the entire department for achieving full admission strength of 126 students, acknowledging the collective hard work and dedication that contributed to this accomplishment. - Additionally, the members suggested preparing a subject-by-subject analysis based on students' +2 marks in English, Mathematics, Physics, and Chemistry. - This analysis would provide a clearer understanding of each student's academic foundation, helping to identify areas for targeted support and thereby enhancing their performance in first-semester subjects.	Remarks: In response to the members' suggestions, a list analyzing students' +2 marks in English, Mathematics, Physics, and Chemistry will be prepared and circulated to the faculty members handling relevant first-semester subjects. This will enable faculty to better understand students' academic backgrounds and provide targeted support where needed. Target Date: Immediate Responsibility: - Mrs.S.Jeeva, AP/ECE & - Mr.R.Deiva Nayagam, AP/ECE

10. Review of faculty Contribution

(by Mr.P.Gunasekaran, AP/ECE
Dr.R.Rajalakshmi,ASPE/ECE)

- a) Faculty participation
b) Research and Development Activities

Points Delivered by the Faculty Members

Suggestions were given by PA&QIC Members

Remarks with Target Date and Responsibility

- a) During the PAQIC meeting, the following points were delivered by the faculty members:
- Presented about the faculty participation details for the Academic year 2023-24 even semester.
 - The Details of the participations are
 - FDP/STTP/STC: 44
 - Workshop: 08
 - Webinar: 20

- Members suggested including the faculty wise score details for faculty participations based on NBA Criteria 5.

Remarks:
Target Date: Continuous
Responsibility: Faculty participation Incharge

- b) During the PAQIC meeting, the following points were delivered by the faculty members:

- Journals under categories SCI/SCIE/ESCI were discussed.
- Journals indexed in Scopus, UGC, and other databases were mentioned.
- IEEE conference publication opportunities were explored.
- Book chapter publications, including both Scopus-indexed and others, were highlighted.
- Patent publications and grants were reviewed.

SCI/SCIE/ESCI Journals

- Suggestion:** Prioritize publishing in high-impact SCI/SCIE/ESCI journals to enhance the research visibility and academic profile of the institution.
- Scopus, UGC, and Other Indexed Journals**
 - Suggestion:** Encourage submissions to UGC-recognized and Scopus-indexed journals to meet institutional research goals and enhance publication standards.
- IEEE Conference Publications**
 - Suggestion:** Increase participation in IEEE and other top-tier conferences to foster collaborative research and bring international visibility to research outputs.

SCI/SCIE/ESCI Journals, Scopus, UGC, and Other Indexed Journals:

- Remarks:** Increase the number of high-quality journal publications to improve institutional ranking.
- Target Date:** Annually, with semester reviews.
- Responsibility:** Individual Faculty members and department research committee.

IEEE Conference Publications :

- Remarks:** Enhance networking and research dissemination through quality conference participation.
- Target Date:** Ongoing; each faculty should aim for one conference presentation annually.
- Responsibility:** Faculty advisors and project coordinators.

• International and national conference presentations were presented for both students and faculty. • Student publications were acknowledged. • Ph.D. scholars' periodic progress details were shared. • The department's R&D center updates included Ph.D. scholars' synopsis and thesis submissions, open seminars, and synopsis meetings. • External notable participations related to Research Center activities, such as DC member, reviewer, session chair, and resource person roles, were noted. • Details of programs organized related to the Research Center were provided. • Student project proposal submissions were discussed. • Faculty project proposal submissions were recorded. • Seminar grant/FDP/workshop/conference grant proposal submissions were presented. Details: • Journals (SCI/SCIE/ESCI): • 17 journal publications under	• Book Chapter Publications (Scopus and Others) • Suggestion: Motivate faculty to contribute to reputed book chapters indexed by Scopus to diversify research dissemination and elevate the institution's academic reputation. • Patent Publications and Grants • Suggestion: Encourage faculty and students to explore patent filing as a means to protect intellectual property, with regular workshops and support for patent processing. • International and National Conference Presentations (Faculty and Students) • Suggestion: Provide support for students and faculty to present at renowned conferences to increase networking opportunities and receive feedback from experts in their fields. • Research Center Programs Organized • Suggestion: Organize and promote regular research programs, such as workshops and seminars, for knowledge exchange and collaboration among faculty and students.	• Book Chapter Publications (Scopus and Others). • Remarks: Book chapter contributions increase institutional academic visibility and recognition. • Target Date: Ongoing, with a minimum of one chapter annually. • Responsibility: Faculty members • Patent Publications and Grants • Remarks: Increased patent filings strengthen the institution's innovation profile. • Target Date: Annually, with 6 patent proposal per department. • Responsibility: R&D, Patent and IP cell coordinators. • International and National Conference Presentations (Faculty and Students) • Remarks: Boosts institutional visibility and provides valuable peer feedback on research. • Target Date: Annually, with presentations targeted each academic year. • Responsibility: Faculty members • Research Center Programs Organized • Remarks: Facilitates active knowledge exchange and builds a collaborative research culture. • Target Date: At least one program per semester. • Responsibility: Department research committee and event coordinators.
--	--	--

SC/SCIE/ESCI.(SC/SCIE/ESCI:09.Sc
opus:08)

- **Journals (Scopus/I/GC/Others):**
 - 17 publications indexed in Scopus.
- **IEEE Conference Publications:**
 - 17 publications in IEEE conferences (Scopus-indexed).
- **Book Chapter Publications:**
 - 4 book chapters published, including Scopus-indexed and others.
- **Patent Publications and Grants:**
 - 2 patents published and 1 granted.
- **International and National Conference Presentations:**
 - Presented at 39 conferences, combining both faculty and student contributions. (Int.Conf:34; Nat.Conf:05)
- **Ph.D. Scholars' Periodic Progress Details:**
 - Progress updates for 15 Ph.D. scholars under various faculty supervisors.
- **Faculty Project Proposal Submissions:**
 - 9 funded project proposals submitted for schemes such as ISRO RESPOND, SERB, and ICMR, amounting to ₹2.953 crore.
- **Seminar Grant/FDP/Workshop/Conference Grant Proposals:**
 - 1 seminar grant proposal for a workshop titled "Printed Circuit Board Design & Analysis" submitted for partial financial assistance.

Academic Year: 2023-2024 Odd Semester

FDP / STTP / STC	59
Workshop	07
Webinar	10
Total	76

11. Alumni Interaction and Stake holders feedback analysis

- i) Alumni Contribution
- ii) Alumni Interaction

Points Delivered by the Faculty Members

i) Alumni Contribution

- DAC meeting: 04 Alumni Members
- Project Review: 01 Alumni Member
- Alumni Mentorship: 06 Alumni Members
- ii) Alumni Interaction
 - Orientation Program: 08 Alumni Members

Suggestions were given by PA&QIC Members

- iii) The member proposed that including the financial contributions of alumni members will strengthen the alumni contribution.

(by Mr.B.Kannan, AP(SG)/ECE
Mrs.G.Subhashini, AP(SG)/ECE)
Remarks with Target Date and Responsibility

Remarks: As per the member suggestion, we planned to get nominal financial support from alumni for event prize distribution.
Target Date: Academic Year 2024-2025
Responsibility: Faculty Incharges

Screenshot

ALUMNI CONTRIBUTION

DAC Meeting

Sr. No.	Name of the DAC Member	Activities	Position
1.	Mr C. Suresh Kumar	Member, Technical Education, Chennai	Alumni Member (March 2023-2023)
2.	Mr A. Anand	Software Engineer, Chennai	Alumni Member (March 2023-2023)
3.	Mr S. Suresh	Medical Engineering, Chennai	Alumni Member (March 2023-2023)
4.	Mr D. Suresh	Software Engineer, Chennai	Alumni Member (March 2023-2023)

ALUMNI INTERACTION

Orientation Program

Sr. No.	Name of the Activities	Invited Alumni with Details	Date & Time
1.	Orientation Program for the Engineering Students	Mr. A. Suresh Kumar, Chennai	10/07/2024 and 11/07/2024
2.	Job Fair - Alumni Support	Mr. A. Suresh Kumar, Chennai	10/07/2024 and 11/07/2024
3.	Orientation Program for the Students	Mr. A. Suresh Kumar, Chennai	10/07/2024 and 11/07/2024

12. Facilities and Technical support

(by Dr.S.Vairaprakash, ASPECE
Mrs.V.Krishna Meera,AP/ECE

Points Delivered by the Faculty Members

- The facilities provided in the lab other than the curriculum is presented with components list.
- Through Major, mini projects and by organizing various programs , labs resource are utilized effectively The details are as follows

Events organized	Utilized Labs
STTP on photonics and optical Networks	Optical Lab
FDTP on "Troubleshooting, Debugging And Designing Skills"	Electronics Lab
"3D printing and Industrial applications"	All Labs
Niral Thiruvilla Projects	All Labs
NI LabVIEW Applications using myDAQ and myRIO	NI LabVIEW
Major Projects	All Labs

- He explained the MOU signed industry lab utilization with the proof of conduction of student enhancement training.

Suggestions were given by PA&QIC Members

MODROB equipment usage can be improved by encouraging the projects and inclusion of experiments in autonomous syllabus.

Remarks with Target Date and Responsibility

Remarks: Utilization improvements can be focussed.
Target Date: Within Next PAQIC
Responsibility: All Faculties.

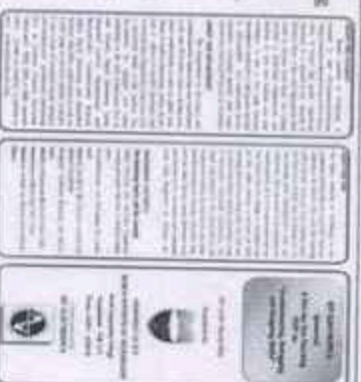

Screenshot

LAB UTILIZATION OF OTHER PROJECTS

Sr No	Laboratory Utilized	No. of Projects
1	VLSI Laboratory	03
2	Communication Systems laboratory	08
1	Embedded Laboratory	20

Five Day Non-teaching
FDTP on
"Troubleshooting,
Debugging
And Designing Skills"

Resource : Basic Electrical
and Electronic Equipment
working principles Subjects
of Artificial Intelligence.

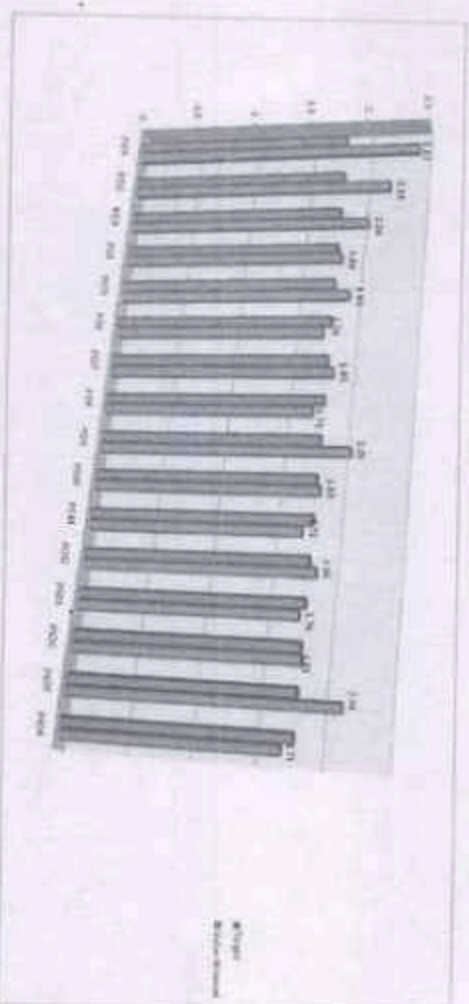

13. Continuous Improvement – department progress

(by Mrs.R.Ramakrishna, AP/SG/ECE
Ms.L.Krishnakumari, AP/ECE)

Points Delivered by the Faculty Members	Suggestions were given by PA&QIC Members	Remarks with Target Date and Responsibility
The faculty members delivered the following points, • Actions taken for PO & PSO improvement, Academic audit • Placement, Higher studies and Entrepreneurship • Improvement in the quality of admission	• Members suggested to improve the writing for actions taken for PO & PSO attainment. • Appreciated the full admission strength of 126 this academic year. • The opening and closing cut off score has been reduced when compared to previous years. Suggested to take some measures regarding the scores.	Remarks: Suitable action measures will be taken to justify the PO & PSO attainment. Inorder to increase the cut off scores, necessary actions will be taken. Target Date: By the end of next semester Responsibility: Students, Faculty Members, HOD

Screenshot

PO AND PSO ATTAINMENT (19-23)

ADMISSION MEASURES

- Programme for school students have been conducted. Scholarship schemes were introduced to attract more meritorious students.
- Students are invited for Campus visit and motivational programmes were conducted on the day of visit and also the job Quiz competition were conducted for the schools of Visakhapatnam district to attract more students.
- Various events were conducted to school students by department faculty members.
- Manuals were prepared for A.TAL Lab and circulated to schools.
- Airtel tower has been erected for proper mobile communication.
- 2x7 Wi-Fi Facility has been provided for students.
- Awareness about the facilities & infrastructure available can be exposed to school students (through programs).
