

RAMCO INSTITUTE OF TECHNOLOGY

Approved by AICTE, New Delhi & Affiliated to Anna University
Accredited by NAAC & An ISO 9001:2015 Certified Institution
NBA Accredited UG Programs: CSE, EEE, ECE and MECH

Academic Year: 2023 - 2024 (Even Semester)

Department of Electrical and Electronics Engineering

RIT – UBA & Energy Conservation Quality Circle (ECQC)

Event Report

Name of the Event : Workshop on Electrical Energy Conservation in Home Appliances

Date : 23.02.2024

Villages Participated : Zamin Kollankondan Village

In order to create awareness on Energy Conservation among the general public, the Workshop on Energy Conservation in Home Appliances is conducted on 23.02.2024 by ECQC in association RIT- UBA. The awareness workshop was conducted in Zamin Kollankondan. Over 75 school students and 20 public people were benefited. The structure and content of the Workshop on Electrical Energy Conservation in Home Appliances, focusing on educating participants about energy consumption, promoting energy-efficient appliances, and fostering a commitment to sustainable practices. The diverse sessions and interactive activities aim to empower attendees with knowledge and practical tips to contribute to a more energy-conscious and environmentally friendly lifestyle. The workshop content is given below:

Energy-Efficient Appliances:

- Overview of Energy Star Ratings
- Selection Criteria for Energy-Efficient Appliances

Practical Tips for Conservation

- Proper Appliance Usage
 - i. Refrigerators and Freezers
 - ii. Washing Machines and Dryers
 - iii. Air Conditioners and Heaters
 - iv. Electrical Motors, Lighting
- Behavioral Changes for Energy Conservation
 - i. Turning Off Lights and Electronics

ii. Unplugging Idle Devices

Government Incentives and Policies

- Available Incentives for Energy-Efficient Appliances
- Government Policies Supporting Energy Conservation
- Case Studies: Successful Implementation of Policies
