Sir,

Sub: Permission for Industrial Visit – II Year EEE – 55 students – Reg.

I wish to inform you that, as a part of the curriculum, all students are required to undertake Industrial Visits to a few industries of repute. We feel it will be fruitful if the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

In this context, we would like to send a batch of about 55 students of II year B.E. Electrical and Electronics Engineering accompanied by two faculty members to visit your esteemed industry preferably on **13.02.2026 (Friday)**.

I request you to kindly accord the necessary permission for the above visit and arrange for guiding the students.

We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit.

We shall be grateful to you for a favorable response. Herewith we have furnished the list of students and accompanying faculty.

Yours faithfully
