Sir,

Sub: Permission for Industrial Visit - II Year EEE - 57 students - Reg.

I wish to inform you that, as a part of the curriculum, all students are required to undertake Industrial Visits to a few industries of repute. We feel it will be fruitful if the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

In this context, we would like to send a batch of about 57 students of II year B.E. Electrical and Electronics Engineering accompanied by two faculty members to visit your esteemed industry preferably on 14.03.2025 (Friday).

I request you to kindly accord the necessary permission for the above visit and arrange for guiding the students.

We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit.

We shall be grateful to you for a favorable response. Herewith we have furnished the list of students and accompanying faculty.

Thanking you,

Yours faithfully

Dear Sir,

Sub: Permission for Student Industrial Visit to RML 110 kV Substation on 23.05.2025 (Friday) - II Year EEE – 66 students – Reg.

I wish to inform you that, as per the syllabus of the course EE3401 Transmission and Distribution for the IV semester students, it is required to undergo an industrial visit to the HV Substation. We feel it will be fruitful if the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

In this context, we would like to send a batch of about 66 students of II year B.E. Electrical and Electronics Engineering accompanied by two faculty members to 110 kV Substation at RML, preferably on 23.05.2024 (Friday) at 2.00 PM.

I request that you kindly accord the necessary permission for the above visit and arrange for guiding the students.

We assure you that our students will observe the rules and regulations that are prescribed by your industry for visitors and will in no way disturb the functioning of the company during their visit.

We will be grateful to you for a favourable response. Herewith, we have furnished the list of students and accompanying faculty members.

Thanking you,

Yours faithfully

S. Ke
