Department of Electrical and Electronics Engineering

RIT-ELECTRA

NEWS LETTER

JUNE 2014-MAY 2015

Editorial Desk:

I am happy to inform you that, as part of our department Association activities, The Newsletter for Jun'2014 to May'2015 is being introduced. This Newsletter contains various activities carried out by the students and Faculty of the EEE department.

- **Dr.S.Kannan**

26.07.2014 - "Inauguration of electrical and electronics engineering department association function"

The inaugural function of Electrical and Electronics Engineering department association RIT ELECTRA was held on 26.07.2014 at ECE Seminal Hall for the academic year 2014-2015. The program started with a prayer. Dr. S. Kannan, Prof. and Head welcomed the gathering. Dr. R. V. Mahendra Gowda, Principal, delivered the Presidential address. He explained about the importance of a Technical Association and gave guidelines to students. He also motivated the students to make good use of Association activities. He advised the students to design an affordable Electric car. Er. B. Velvendan, General Manager, Electrical, Textile Division, Ramco Group was the chief guest and gave a special lecture about Renewable energy sources that are developing in the market. It was very useful to the students. Mr. D. Karthik Prabhu, Asst. Prof., presented the Association Plan for the academic year 2014-15. The Association Logo was designed by Ms.M.Belsibai and M.Ambika, students of II year EEE. The efforts of those students were recognised and they were duly honoured. Lastly the vote of thanks was given by Mr.Aashik Ali, II year EEE, Student Secretary of the association.

RIT-ELECTRA Inaugural Function

Standing: Mr. D.Karthik Prabhu; Sitting: Dr.S.Kannan, Er.B.Velvendan, Dr.R.V.Mahendra Gowda

Report by: Mr. D.Karthik Prabhu, AP/EEE

19.07.2014 - Visit to Power House of RIT

RIT-ELECTRA arranged a visit to the powerhouse inside the campus on 19.07.2014 between 3.30 and 5.00 PM for the II year students of EEE. Er. M. Rengasubramanian, Senior Electrical Engineer, RIT Power house explained the various equipment such as Power transformer, Potential transformer (PT), Current Transformer (CT), Lightning arrestor, 11 kV HV Underground Cable, Distribution system, UPS along with battery backup etc. The students showed keen interest in learning and clarified their doubts. He also explained the input and output ratings of various electrical equipment installed in the RIT powerhouse.

Students Visiting RIT Power House

Report by: Mr.D.Karthik Prabhu, AP/EEE

09.08.14 - Guest Lecture on "Electrical Safety and Energy Management in Lighting Systems"

A Guest Lecture on "Electrical safety and Energy Management in Lighting Systems" was held on 09.08.14 for 68 students of II year EEE from 1.30 PM to 05.00 PM. Dr. V. Saravanan, Asst. Prof., EEE, Thiagarajar College of Engineering, Madurai, delivered the lecture. The importance of Electrical safety was explained with case studies in the first session. In the next session, he discussed about the recent trends in lighting systems and energy management in lighting system. The students were motivated to interact with the guest. A Quiz was conducted based on the lecture. Ms.S.Abirami and Ms.S.A.Devi Durga, II year EEE won the first prize in it.

Dr.V.Saravanan, Associate Professor delivering lecture on Electrical Safety and Lighting Systems

Report by: Mr.D.Karthik Prabhu, AP/EEE

16.08.2014 One day' Industrial Visit to Ramco Cements Pvt Ltd., R.R. Nagar, Virudhunagar

RIT-ELECTRA arranged a one day industrial visit to Ramco Cements Pvt Ltd, from 10.30 AM to 5.00 PM for the II year students of EEE. The students got an idea about the production of cement and visited the sub-station present inside the factory. The electrical engineers explained the voltage and current levels of incoming and outgoing power lines and basic functioning of the various equipments such as transformers, circuit breakers, metering instruments, and distribution system. The visit gave an overall view of the functioning of various electrical machines installed inside the premises and the students clarified their doubts with the engineers present.

Report by: Mrs.H.Narthana, AP/EEE

24.08.2014 & 07.09.2014 Two day' Workshop on "PCB DESIGN"

A Workshop on "PCB Design" was conducted by PG (M.Tech PED) students of Kalasalingam University, Krishnankoil to 69 students of II year EEE on 24.08.2014 and 07.09.2014. The morning session dealt with the theory about PCB and softwares used for PCB designing. In the afternoon session, hands on training was given on designing of PCB's. Students did PCB design using simulation. On 07.09.2014, students implemented small electronic circuits using PCB hardware.

Students attending workshop on PCB Design

Report by: Mr.D.Karthik Prabhu, AP/EEE

09.12.2014 to 13.12.2014 Five days' Value Added Course on "Arduino"

A value added course on "Arduino" was conducted from 09.12.2014 to 13.12.2014. Dr.S.Kannan, Prof., EEE addressed the students on the 'importance of innovation' during the inaugural function. Mr.G.Jaisarathy and Mr.S.Karthikeyan, Embedded project developers from M/S. ONEYES TECHNOLOGIES, Chennai gave hands on training using Arduino. 64 students of II year EEE attended and benefited from this course. The five day training programme gave an idea about the functioning of electronics components and dealt with the embedded C programming using Arduino as a controller with the applications of LED blinking, control of robots using Bluetooth module, 7 segment LCD display, thermistor, Buzzer and other simple application. The training was very helpful to the students. They learnt all the industrial applications for monitoring and controlling the equipment using Arduino as a controller.

Students attending workshop on Arduino Course

The training programme was successfully completed with positive feedbacks from students. At the end certificates were distributed to students. In their feedback, students said the training will be helpful to do mini projects. The Principal Dr.R.V.Mahendra Gowda informed the students to prepare mini-projects to be displayed in the National Science day function to be held on 28.02.2015. He also distributed Certificates to the participants. Mr.Aashik Ali, Secretary, RIT-ELECTRA proposed the vote of thanks.

Students attending hands-on training with Arduino board

Report by: Mr.D.Karthik Prabhu & Mr.P.Ram Prakash, AP/EEE

STUDENT ACTIVITIES

29 Students of II year EEE participated in Workshop on "ETHICAL HACKING" conducted by the dept. of CSE held during 24-25 July 2014 at Ramco Institute of Technology, Rajapalayam.

22 Students of II year EEE participated in Workshop on "INTELLECTUAL PROPERTY RIGHTS (IPR) AWARENESS" conducted by the dept. of Mechanical Engg., held on 23rd August 2014 at Ramco Institute of Technology, Rajapalayam.

S.Prema Sangeetha and M.Manonmani, of II Year EEE participated in the Blood donation camp organized by National Service Scheme, RIT on 23rd August 2014.

R.K.Ravi Venkatesh, R.Stephen Franz, G.Hari Vignesh, J.Jayavigneshkumar, R.Ravi Raja, J.Aravinth, S.Anathulla Jasila and S.Indhuja, of I Year EEE participated in the Blood donation camp organized by National Service Scheme, RIT on 23rd August 2014.

M.Sivabalan of II year EEE, member of Table Tennis Team (Zone XVIII) secured **Third position** in the Anna University Zonal Tournaments for the year 2014-2015, held at Regional Office Anna University, Tirunelveli, during 23-24 August 2014.

S.Fazil Mehmudh and K.Mohan kumar of II year EEE won II prize in CERBAL CORTEX Event in "ALCONESY 14" - A National Level Technical Symposium conducted by EEE Association of A.C.College of Engineering and Technology, Karaikudi, during 2-3 September 2014.

S.Fazil Mehmudh of II year EEE won II prize in KEEP CALM Event in "ALCONESY 14" A National Level Technical Symposium conducted by EEE Association of A.C.College of Engineering and Technology, Karaikudi, during 2-3 September 2014.

40 Students of II year EEE attended In-plant training in 10 different companies from 15.12.2014 to 31.12.2014.

RESEARCH

Research Scholar (Ph.D.) Completed in this semester (Odd Semester of Academic year 2014-2015)

Mr.R.Arun, Part-time, "Process Control", Faculty of EEE/RIT

Research Scholar (Pursuing)

Mr.K.Karthikeyan, Part-time, "Generation, Expansion Planning", Faculty of EEE/RIT

Faculty Participations / Achievements / Guest Lecture Delivered / FDP's Attended

Mr.R.Arun, attended an Eight day' Workshop on "Electromagnetic Theory", at Kamaraj College of Engineering and Technology, Virudhunagar from 12-19 June 2014.

Mr.P.Ram Prakash attended a Two day' FDP on "FPGA and BSV Programming" at SASTRA University during 23-24 June, 2014.

Dr.S.Kannan, Professor & HoD, delivered a Guest Lecture on "Renewable Energy Sources" in ISTE & SRM University Sponsored Staff Development Program Conducted at Theni Kammavar Sangam Polytechnic College on 1st July 2014.

Mrs.H.Narthana, AP/EEE and **Mrs.S.Gnanalakshmi**, JA/EEE participated in the Blood donation camp organized by National Service Scheme, RIT on 23rd August 2014.

Mr.R.Arun presented his Research findings through Oral Presentation during **Research Scholars' Day (RSD – 2014)** organized by the Department of Instrumentation Engineering, Madras Institute of Technology Campus, Chennai on 5th September 2014.

Mr.K.Karthikeyan participated in a Two day' NPTEL workshop on "Technology Enhanced Learning" organized by IIT Madras, Conducted at Loyola ICAM College of Engineering and Technology, Chennai on 19th & 20th September 2014.

Mr.D.Karthik Prabhu attended a Two day' National Seminar on "Smart Grid Technologies and Applications" conducted at PSG college of Technology, Coimbatore on 10th and 11th Of October 2014.

Mrs.H.Narthana attended a Two day' Workshop on "Soft Computing Techniques For Applications In Electrical Sciences" conducted at PSG College of Technology, Coimbatore on 7th and 8th of November 2014.

Mr.K.Karthikeyan participated in a Two Week' Main Workshop on "Control Systems" organized by National Mission on Education through ICD-MHRD (Government

of India), conducted at Mepco Schlenk Engineering College, Sivakasi from 02nd to 12th of December 2014.

Mr.R.Arun, attended a Three day' Workshop on "Real Time signal acquisition and processing using open source software SCILAB" conducted during 15th – 17th December 2014 at National Institute of Technology, Tiruchirappalli, organized by the Department of Instrumentation and Control Engineering.

Dr.S.Kannan, Professor & HoD, delivered a Lecture on "Electrical Energy Conservation through Water Conservation" Organized by the TANGEDCO, Rajapalayam Division, Virudhunagar Distribution circle electrical energy conservation circle week 14.12.2014 to 20.12.2014 on 18th December 2014.

Dr.S.Kannan, Prof & HoD, gave a speech about "Steps to Improve the Discipline of students" and "Stress Management and Psychology" and **Mr.K.Karthikeyan**, AP/EEE delivered a speech on "Interpersonal relationship between Class Advisor and Students" in the two day' Faculty Development Programme on "Introspection of Teaching Learning Process" conducted at Ramco Institute of Technology, Rajapalayam on 23rd & 30th of December 2014.

10.01.2015 - Half a day' Industrial Visit to "Sri Vishnu Shankar Mills", Rajapalayam

RIT-ELECTRA arranged a half a day industrial visit to Sri Vishnu Shankar Mills, Rajapalayam between 2.30 PM and 5.00 PM for the I year students of EEE. The students were accompanied by two faculty members, namely, Mr.D. Karthik Prabhu, AP/EEE & Mrs.H. Narthana, AP/EEE. One of the supervisor explained the fire safety methods in the industry for creating awareness among the students. The chief electrical engineer took the students into the mill and explained the different sections of the mill starting from the power house, transformer, bus bars, circuit breakers like oil circuit breaker, air circuit breaker and generators. He also explained the fuel used for the generators. Finally, one of the supervisors took the students to the section where the thread is made from the cotton. The information given to the students was informative and their doubts were clarified. Finally, the visit came to an end at 5.00 PM.

Report by: Mrs.H.Narthana, AP/EEE

06.02.2015 to 07.02.2015 - Two day' Industrial Visit to "GD Electrical equipments", Coimbatore

RIT-ELECTRA arranged a two day industrial visit to "GD Electrical equipments", Coimbatore for the II year students of EEE. Two faculty members from EEE dept, Mr.K Karthikeyan, AP/EEE and Mrs.H. Narthana, AP/EEE accompanied the students during the visit. Mr.G.D. Gopal Raja of GD Electrical equipments explained the manufacturing of a.c. and d.c. motors. The various sections in which the machines were manufactured were explained practically. The students got an idea about the windings, stampings, stator, rotor, commutator and brushes present inside the motor. The components inside the motor were shown clearly for demonstration to the students. The students benefited from the visit by clarifying their doubts regarding machines. Lastly the industrial visit successfully ended with a visit to GD Naidu Museum, Coimbatore where the students learnt about inventions made by the scientist, Mr.G.D. Naidu.

Report by: Mrs.H.Narthana, AP/EEE

16.02.2015 - Half a day workshop on "PLC Course"

A Half a day workshop on "PLC Course" was conducted on 16.02.2015 for 68 students of EEE from 2.15 pm to 5.00 pm. Mr. G.Raghuramraja, Lead Engineer, from Stonehat Technologies, Coimbatore delivered a lecture on PLC basics, Architecture, system,

input, programming, basic ON/OFF control using switch or sensor, concepts of timer and counter, PLC output, Data flow and scan process to the students with the help of PLC Trainer kit. The students were informed about the availability of many example programs, instructions and experiments in the website for their reference and use. The concepts of PLC were explained with different case studies while executing the programs. The students benefited out of the course as it provided useful ideas for doing mini-projects.

Report by: Mrs.H.Narthana, AP/EEE

28.02.2015 - One day "National Science Day Celebration"

Ramco Institute of Technology organized the one day National Science Day celebration for all the students of RIT on 28.02.2015. The program started with a prayer. Dr.S Rajakumarakaran, Prof. & Head, Department of Mechanical Engineering, RIT welcomed the gathering. Dr. R.V. Mahendra Gowda, Principal, delivered the presidential address. The inaugural function started with the release of the book of abstracts by Shri. P. Chandrasekar Raja, MD, Rajalakshmi Accessories Pvt. Ltd. As part of the celebration, events like Paper presentations in the domain of Science and Technology and Mathematics, aptitude test in C programming, Mathematical Rangoli, Model Making and Drawing, Mathematical Aptitude, Collage and Project Exhibition were conducted.

Inaugural Function of National Science Day Celebration

The Project exhibition was held at the respective department laboratories. 57 students of II year EEE and 10 students of I year EEE participated and presented projects. V. Sri Janani Jayapratha, G.Poornima,

M.Tharanya & B.Gayathri of II year EEE participated and won the I prize. A.Aashik Ali, M.Murali Kumar & R.Vignesh Balaji won the II prize and M.Hari Prasath & G.Ramkumar of I year EEE won the III prize. Finally the vote of thanks was proposed by Dr. S. Kannan, Prof. & Head, Department of EEE.

Students explaining their mini-project during project exhibition

Winners of National science day project exhibition

Report by: Mrs.H.Narthana, AP/EEE

06.03.2015 to 07.03.2015 - Two day National Conference on "Innovations in Engineering, Science and Technology (NCIEST-2015)"

A two day National Conference on "Innovations in Engineering, Science and Technology (NCIEST-2015)" was held on 06.03.2015 and 07.03.2015. The programme was organized by Dr.R.V. Mahendra Gowda, Principal, RIT, Faculty Co-ordinators, Dr.S.Rajakarunakaran, HoD/Mech and Dr.S.Periyannayagi, HoD Incharge/ECE. Dr.S.Kannan, Prof & Head/EEE, Mr.K.Karthikeyan, AP/EEE, Mr.D.Karthik Prabhu, AP/EEE and Mr.P.RamPrakash, AP/EEE presented papers. A paper titled "Energy based Reliability Index – A Tutorial was presented by Mr.K.Karthikeyan, AP/EEE & Dr.S.Kannan, Prof & Head/EEE. Mr.P.RamPrakash, AP/EEE presented a paper titled "Modified PWM Technique for Harmonic Elimination in Modified Cascaded Inverter". Mr.P.RamPrakash, AP/EEE & Mr.D.Karthik Prabhu, AP/EEE presented a paper titled "Performance Evaluation of Nine-Level modified cascaded Inverter with different PWM techniques". The top 10 students of I year and II year EEE participated in the conference.

Report by: Mrs.H.Narthana, AP/EEE

04.04.2015 - Two Hour' Local Visit to "Mudangiyar Sub-Station (110/11kV)", Rajapalayam.

The EEE Department arranged a local visit to Mudangiyar Sub-Station (110/11kV) on 04.04.15 from 11.00 AM to 1.00 PM for 62 students of II year EEE. The Assistant Engineer in the substation explained about the overall layout and how power is distributed among various places. The layout gave the idea about the control unit, lightning arrestor switch, group control breaker and low voltage breakers. The students were taken to the battery room consisting of 55 cells of a dc battery for back-up which is a combination of acid and distilled water. The purpose of battery back-up was explained clearly to the students. The control panel for all the feeders with the metres, type of relays and circuit breakers was shown. Finally, the students were explained about the distribution stage i.e. from 110 kV to 11 kV, type of insulators, isolator switches, step-down transformer, instrument transformers like CTs and PTs and feeders taken out for distribution. The students understood the concepts of substation and also clarified their doubts.

Report by: Students of II year EEE

04.04.2015 – A RIT-ELECTRA Valedictory Function

The Valedictory function of RIT-ELECTRA was held on 04.04.2015 at ECE Seminal Hall organized by the department of EEE. The function started with a prayer. 69 students of II year EEE and 55 students of I year EEE participated in the function. Dr.S.Kannan, Prof., & Head/EEE, delivered the welcome address. Dr. R. V. Mahendra Gowda, Principal, delivered the presidential address and honoured the chief guest. The introduction to the chief guest was given by Ms.S. Amirtha Priya, of II year EEE. The annual report for the academic year 2014-2015 was delivered by Mr.D.karthik Prubhu, AP/EEE, faculty incharge for RIT-ELECTRA association. The annual report included various programmes (Guest lectures, value added courses) conducted, industrial visits and in-plant training organized for the students.

RIT-ELECTRA Valedictory Function
Standing: Er.G.V.Palanivel; Sitting: Dr.S.Kannan,
Dr.R.V.Mahendra Gowda

Er.G.V.Palanivel, Executive Engineer, TANGEDCO, Kottaiipatti, Srivilliputhur was the chief guest and gave a special lecture on crisis of power generation in Tamil Nadu and the requirement of land for the construction of towers. The students were advised on how to trouble shoot the problems happening in the field of electricity using wireless technology. The function was interactive and informative with the few puzzles and riddles. Certificates and prizes were distributed by the chief guest to the winners of **National Science Day Project Exhibition held on 28.02.2015**. V. Sri Janani Jayapratha, G.Poornima, M.Tharanya & B.Gayathri of II year EEE received the I prize, A.Aashik Ali, M.Murali Kumar & R.Vignesh Balaji of II year EEE received the II prize and M.Hari Prasath & G.Ramkumar of I year EEE received the III prize. Finally, the vote of thanks was proposed by Mr.A.Aashik Ali, II year EEE, Student Secretary of the association.

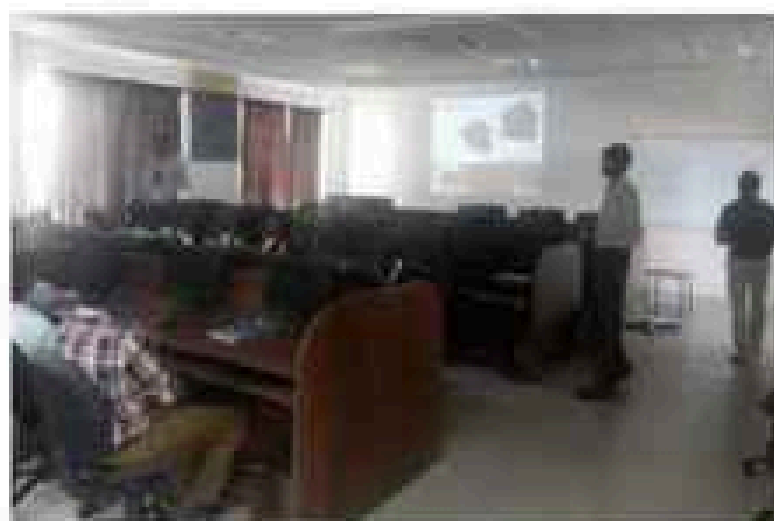

Student of II year EEE getting prize for national science day project exhibition

Report by: Mrs.H.Narthana, AP/EEE

20.05.2015 to 31.05.2015 Twelve days' Value Added Course on "Raspberry Pi"

RIT-ELECTRA conducted a 12 day value added course, Certification programme on "Raspberry Pi" from 20.05.2015 to 31.05.2015 for 61 students of II year EEE. Dr.S.Kannan, Prof., & Head/ EEE, delivered the welcome address during the inaugural function. The trainers Mr.S.Satheesh, Mr.S.Pradeep & Mr.M.Narendra Babu, from M/S. BETA TECHNOLOGIES INDIA PVT LTD, Coimbatore gave hands on training using Raspberry Pi. The first day went on with the introduction about the basics of embedded system, history and various types of architecture in microprocessor and peripheral interface controllers. They discussed about the version and applications of Raspberry pi, power supply diagram, bridge rectifier, transformers, python programming concepts and installation of library files using software. The programming concepts like modes of operation, simple programs using conditional and looping statements were explained in detail.

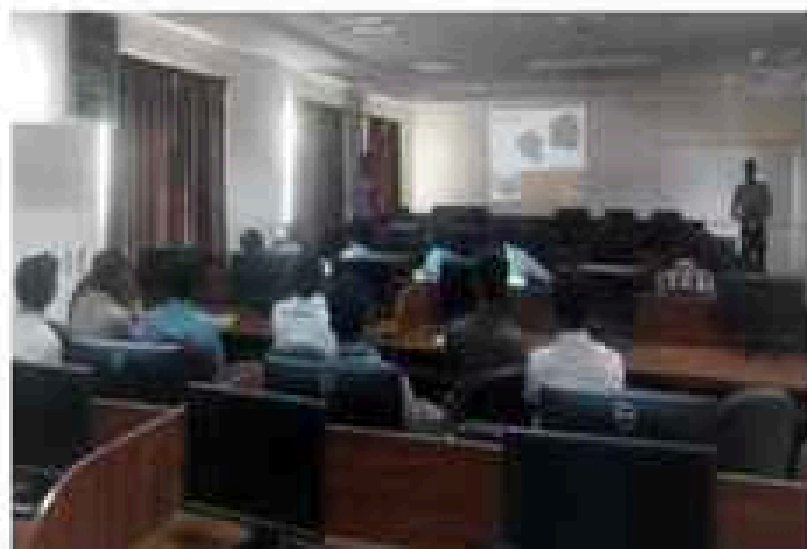

Trainers delivering lecture on "Raspberry pi" course

The students also got an idea about hardware component of Raspberry pi, pin diagram of BROADCOM 2835 ARM II, new animations, games using python shell, switch and relay circuits, different types of sensors such as fire sensor, gas sensor, PIR, IR sensor, Humidity and vibrating sensor etc. The last day of the session dealt with the interfacing of external hardware with the software, wireless protocols such as zigbee, Bluetooth and wi-fi. The entire course molded the students to do their mini projects by using raspberry pi in real time applications.

The training programme was successfully completed with positive feedbacks from students. At the end certificates were distributed to students. Mr.Aashik Ali, Secretary, RIT-ELECTRA proposed the vote of thanks.

Students attending training on "Raspberry pi" Course

Report by: Students of III year EEE

STUDENT ACTIVITIES

P.Premkumar of I year EEE participated in the Cavalier Dr. G.K. Devurajulu Memorial Inter – Collegiate Quiz Competition held on 04.02.2015, organized by G.Venkatasawamy Naidu College, Kovilpatti.

57 students of II year EEE and 10 students of I year EEE participated and presented their projects in the One day "National Science Day Celebration", held on 28th February 2015, organized by Ramco Institute of Technology, Rajapalayam.

Top 10 students of I year and II year EEE Participated in Two day' National Conference on "Innovations in Engineering, Science and Technology (NCIEST-2015)", held on 06.03.2015 and 07.03.2015, organized by Ramco Institute of Technology, Rajapalayam.

A. Athmanathan, T. Balachandar, P. Gomatheesivaram, K. Murugesan P. Pradeep, N.S. Ramakrishnan, S. Sambandham, G. Sri Ramakrishnan and M. Rishikesan, II Year EEE participated in the Blood donation camp organized by National Service Scheme, RIT on 19th March 2015.

R. Stephen Franz and A. MohamedSameer, I Year EEE participated in the Blood donation camp organized by National Service Scheme, RIT on 19th March 2015.

V.Roshan, G.Hari Vignesh, R.K.Ravi Venkatesh, S.Marieswaran and P.Prem Kumar of I year EEE participated in a Two day National Level Technical Symposium, "ORACLE-15" held during 19-20 March 2015, organized by EEE and E&I Dept., Government College of Technology, Coimbatore. G.Hari Vignesh and P.Premkumar won the I prize in the events, VENDOSALE and TRESURE HUNT.

G.Hari Vignesh and P.Premkumar of I year EEE participated in the event 'CIRCUITRIX', R.K.Ravi Venkatesh participated in the event 'POWER CLASH', V.Roshan participated in the event 'CONTROL GURU' in a Two Day National Level Technical Symposium, "ORACLE-15" at Government College of Technology, Coimbatore held during March 19-20, 2015.

V. Roshan of I year EEE presented a paper on "Graphene Coated Solar Plates" in A Two day National Level Technical Symposium, "ORACLE-15" organised by EEE and E&I Dept., Government College of Technology, Coimbatore, during 19-20 March 2015.

R.Ravi Raja, N.Sathesh, M.Sivaprakash and J.Jeyavigneshkumar of I year EEE participated in events like TRACKING and Line followers in a two day Technical Symposium, "XION-2015" held during 19-20 March 2015, organized by SRM University, Vadapalani Campus, Chennai.

T. Balasubramaniyan and K. Mohan Kumar won the II prize in the event SUDOKU and S. Fazil Mehamudh and K. Mohan Kumar won the III prize in the event VENDOSALE in "ORACLE 15" – A Two day Technical Symposium held during 19-20 March 2015, organized by Government College of Technology, Coimbatore.

A.Aashik Ali and M.Murali Kumar of II year EEE participated in the events TRACKING and line followers in Technical Symposium, "XION-2015" at SRM University, Vadapalani Campus, Chennai held during March 19-20, 2015.

A.Aashik Ali and V.Kamalakkannan of II year EEE participated in the events PROJECT PRESENTATION, MIND TEASER, Mr.BRAIN and BEST MANAGER in "TEXPERJA'15 - A Two day National Level Technical Symposium held during 19-20 March 2015, organized by SNS College of Technology, Coimbatore.

A. Aashik Ali and V. Kamalakannan of II year EEE presented a paper on "HVDC AND FACTS" in "TEXPERJA'15 - A Two day Technical Symposium, held during 19-20 March 2015, organized by SNS College of Technology, Coimbatore.

7 students of II year EEE attended a One hour "C aptitude program" held on 23rd March 2015, organized by RIT-CLUSTRA Association - Ramco Institute of Technology.

T.Prasad, R.Dinesh kumar, C.Pandiyarajan, R.Vignesh, S.Kathir, V. Karthikeyan, M. MadhanKumar, S. Mohamed Asfar, A. Mohamed Sameer and K. Muthukrishnan of I year EEE participated in "AspireX' 15" - a One day National Level Techno Management Fest, held on 27th March 2015, organized by Tamilnadu College of Engineering, Coimbatore.

V. Karthikeyan, M. MadhanKumar, S. Mohamed Asfar, A. Mohamed Sameer & K. Muthukrishnan of I year EEE won I prize in the event "AD-ZAP" in "AspireX' 15 - A One day National Level Techno Management Fest, held on 27th March, 2015, organized by Tamilnadu College of Engineering, Coimbatore.

V. Karthikeyan, M. MadhanKumar, S. Mohamed Asfar, A. Mohamed Sameer & K. Muthukrishnan of I year EEE won II prize in the events Business Quiz and Business management in "AspireX' 15" - A One day National Level Techno Management Fest, held on 27th March, 2015, organized by Tamilnadu College of Engineering, Coimbatore.

R. Vignesh & S. Kathir of I year EEE presented a paper on "Hydrogen fuel cells" in "AspireX' 15" - A One day National Level Techno Management Fest, held on 27th March 2015, organized by Tamilnadu College of Engineering, Coimbatore.

R. Dinesh Kumar, C. Pandiyarajan & T. Prasad of I year EEE presented a paper on "The E-Bomb" in "AspireX' 15" - A One day National Level Techno Management Fest, held on 27th March 2015, organized by Tamilnadu College of Engineering, Coimbatore.

S.Amirtha Priya of II year EEE from Emerald team won the I prize in the events Hammer Throw and Tennis doubles. V.Sri Janani Jayapratha and T.Saahithya of II year EEE from Sapphire team were the winners in the event Volleyball. S.Amirtha Priya of II year EEE from Emerald team was the runner in the event Volleyball. S.Indhuja of I year EEE from Emerald team was the winner in the event Throw ball. T.Pavethra of I year EEE and S.Prema Sangeetha of II year EEE from Ruby team were the runners in the event Throw ball.

M.Siva Prakash of I year EEE from Invincible team won the I prize in the events 100 meters and 200 meters. J.Jeyavigneshkumar of I year EEE from RIT Avengers team won the III prize in the event 5000 meters. P.Mathan Raj of II year EEE from commandos team won the I prize in the event 4 x 100 meters relay. P.Tamilselvan and P.Sudharson of II year EEE from the challengers team won II prize in the event 4 x 100 meters relay. G.Hari Vignesh and M.Siva Prakash of I year EEE from Invincible team won III prize in the event 4 x 100 meters relay. P.Mathan Raj of II year EEE from Commandos team won the I prize and M.Siva Prakash of I year EEE from Invincible team won the III prize in the event 4 x 400 meters relay. M.Selva Mani of II year EEE from RIT avengers was the runner in the event Carrom. S.Fazil Mehamudh, M.Sivabalan, T.Bala Subramaniyan and V.Karpaga Sivanandam of II year EEE from RIT Challengers were the winners in the event Table Tennis. K.Mohan Kumar and P.Mathan Raj of II year EEE from Commandos team were the winners in the event Volleyball. A.M.Abinesh of II year EEE from RIT Avengers was the winner and K.Kalidas, S.Krishnakumar of II year EEE.

S.Marieswaran of I year EEE from RIT Challengers were the runners in the event Cricket. S.Fazil Mehamudh, M.Sivabalan and P.Tamil Selvan of II year EEE from RIT Challengers were the winners in the event Football. R.Vignesh Balaji and K.B.Ragaventhiraa of II year EEE, M.Siva Prakash and K.Varun Kumar of I year EEE from RIT Invincible were the runners in the event Football.

LIST OF STUDENTS PROJECTS IN NATIONAL SCIENCE DAY

II Year Electrical and Electronics Engineering:

- Automatic switching of water tank motor
- Wireless system
- 7805 IC Voltage Regulator
- Driver Fatigue accident prevention Using Sensor
- MOSFET based Inverter
- Solar Energy to Electrical Energy conversion
- Intelligent Lighting System
- Accident Preventer using IR eye blink sensor
- Battery charging using SCR
- Current Producer from pressure
- Curtain Opener and Closer Using Clap switch
- Automatic plant irrigation system
- Mosquito repellent circuit
- Line Follower
- Smart Traffic Control System
- Tunnel Circuit wiring
- Portable mobile charger
- LED Services Connection

I Year Electrical and Electronics Engineering:

- Automatic in feeding water for agricultural land.
- Power Factor Improvement
- Blood Flow Indicator
- BFO Metal Detector

IN-PLANT TRAINING

Our Students underwent In-Plant Training during the odd semester (2014-2015) holidays in the following Industries:

- Sterlite India Private Limited, Spicot Complex,

Tuticorin.

- Energy Electricals
- Code Bind Technologies
- Thalaiyuthu substation (TNEB)
- Sundaram Textiles Limited
- TVS Training And Services Limited
- The Ramco Cements Limited, Thulakapatti
- The Ramco Cements Limited, Alathiyur.
- Energe Capacitor Pvt. Ltd.

STUDENTS CONTRIBUTION IN ACADEMIC ADMINISTRATION

Class Committee Members:

II Year

Ms.M.Tharanya
Ms.B.Suga Priya
Ms.R.Ponjothilakshmi
Mr.G.Sri Ramakrishnan
Mr.S.Sambandham
Mr.M.Rishikesan

I Year

Ms.S.Amathulla Jasila
Ms.S.Angel Josepha
Ms.S.R.Deve Kala
Mr.M.Hari Prasath
Mr.N.Sathesh
Mr.M.Siva Prakash

Association Members:

President : Dr.S.Kannan, HoD/EEE
Faculty Coordinator : Mr.D.Karthik Prabhu, AP/EEE
Secretary : Mr.A.Aashik Ali, II year/EEE
Joint Secretary : Ms.R.Ponjothilakshmi, II year/EEE

Faculty Participations / Achievements / Guest Lecture Delivered / FDP's Attended

Dr.R.Arun, AP(Sr.Gr.)/EEE delivered a lecture on "INTERNAL MODEL CONTROL", in the National Seminar on Recent Trends in Controller Design and System Identification '15, Organized by the Saveetha Engineering College, Chennai on 21st February 2015.

Dr.S.Kannan, Prof & Head/EEE, Mr.K.Karthikeyan, AP/EEE, Mr.D.Karthik Prabhu, AP/EEE and Mr.P.RamPrakash, AP/EEE presented papers in the Two day National Conference on "Innovations in Engineering, Science and Technology (NCIEST-2015)", held during 6-7 march 2015. A paper titled "Energy based Reliability index – A Tutorial was presented by Mr.K.Karthikeyan, AP/EEE & Dr.S.Kannan, Prof & Head/EEE, Mr.P.RamPrakash, AP/EEE presented a paper titled "Modified PWM Technique for Harmonic Elimination in Modified

Cascaded Inverter. Mr.P.RamPrakash, AP/EEE & Mr.D.Karthik Prabhu presented a paper titled "Performance Evaluation of Nine-Level modified cascaded Inverter with different PWM techniques".

Mr.K.Karthikeyan, AP/EEE presented papers titled "Application of MOEA algorithm to multiobjective generation expansion planning" and "Application of NSGA-II, Modified NSGA-II and IGDE-3" in the joint international conference on **Communication, Computing and Power Technologies (ICCCPT'2015)** and **Artificial Intelligence and Evolutionary Computations in Engineering Systems (ICAIECES 2015)**, Organized by department of Electrical and Electronics Engineering, Velammal Engineering College, Chennai on 22nd & 23rd April 2015.

Mr.P.RamPrakash, AP/EEE attended a Two day Seminar on "Harmonics" conducted at Rajapalayam Mills, Rajapalayam on 28th and 29th April 2015.

Dr.S.Kannan, Prof & Head/EEE, delivered a lecture on "Power System Planning – Generation Expansion Planning" and "Power System Planning – Transmission Expansion Planning", in AICTE Sponsored Two Weeks FDP on "Topics of Research in Electrical Engineering" (TREE'15) organized by department of EEE, Mepco Schlenk Engineering College, Sivakasi on 13th May, 2015 (during 11- 24 May, 2015).

RESEARCH

Research Scholars (Pursuing)

Mr.K.Karthikeyan, Part-time, "Generation, Expansion Planning", Faculty of EEE/RIT

Mr.P.Ram Prakash, Part-time, "Grid tie inverter using FPGA", Faculty of EEE/RIT

FORTHCOMING EVENTS

- **Faculty Development Training Programme**

The EEE Department has planned a 5 day training programme on "NI LabVIEW Hardware and Software", from 15.06.2015 to 19.06.2015 for faculty

members of EEE, ECE, CSE, Mechanical and Civil departments.

- **Students Training Programme**

The EEE Department has planned to organize a 2 day training programme on "NI LabVIEW Hardware and Software", from 22.06.2015 to 23.06.2015 for the students of EEE and ECE.

ACADEMIC ACHIEVERS For the year of 2014-15

TOP 10 STUDENTS II Year

VIGNESH S
(953613105057)

BELSIBAI M
(953613105011)

AMBIKA M
(953613105005)

AMIRTHA PRIYA S
(953613105006)

SUGA PRIYA B
(953613105051)

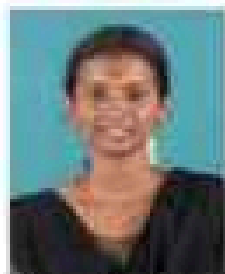

MANONMANI M
(953613105029)

PUNITHA C P
(953613105040)

AASHIK ALI A
(953613105001)

PONJOTHILAKSHMI R
(953613105035)

DHIVYA B
(953613105016)

ACADEMIC ACHIEVERS For the year of 2014-15

TOP 10 STUDENTS 1 Year

PREM KUMAR P
(953614105035)

PAVETHRA T
(953614105032)

DEVE KALA S R
(953614105010)

RAVI RAJA R
(953614105039)

**AMATHULLA
JASILA S**
(953614105003)

PONRAJ M
(953614105033)

JEYALAKSHMI J
(953614105018)

SATHESH N
(953614105043)

PRASAD T
(953614105034)

ANGEL JOSEPHA S
(953614105005)

Department of Electrical and Electronics Engineering

Academic Year 2014-2015

TEACHING FACULTY MEMBERS

Dr. S. Kannan, M.E.(PE),
Ph.D.
Professor and Head of the
Department

Mr. P. Ravi Prakash,
M.E.(PED)
Assistant Professor and
Senior Grade

Dr. R. Arun, M.E.(EE)
Ph.D.
Assistant Professor and
Senior Grade

Mr. K. Karthikeyan,
M.E.(HVE)
Pursuing Ph.D.
Assistant Professor

Mr. D. Karthik Prabhu,
M.E.(HVE)
Assistant Professor

Mrs. H. Narthana,
M.E.(PED)
Assistant Professor

NON-TEACHING STAFF MEMBERS

Mr. V. Jothibass,
DEEE
Lab Technician

Mr. P. Vijaya Kumar,
DEEE
Lab Technician

Mrs. S. Gnanalakshmi,
B.C.A., B.Ed.
Junior Assistant

Mr. B. Muthukumar,
HSC
Office Assistant
