

Ramco Institute of Technology

Department of Electrical and
Electronics Engineering

RIT-ELECTRA

NEWS LETTER

JUNE 2015-MAY 2016

Department of Electrical and Electronics Engineering:

The Department of Electrical and Electronics Engineering is established in the year 2013. Currently, it offers a 4 year Under-Graduate programme, B.E. Electrical and Electronics Engineering with a sanctioned intake of 60.

The objective of the Department is to impart quality education and competitive training that will transform Students into Professional Engineers who are prepared to meet the needs of the society and adapt to the rapidly changing technology in various areas of Electrical and Electronics Engineering.

The Department has well-qualified and experienced Faculty members with specialization in Power Systems, High Voltage Engineering, Power Electronics and Control Systems. The Faculty members also have wide experience in teaching. They have a strong sense of responsibility to provide the finest possible engineering education to the students.

The Department has dedicated and state-of-the-art laboratories and leading softwares like DigSILENT Lab VIEW Academy, ETAP, MATLAB, PLC/SCADA and Power World Simulator to cater to academic and research activities. It provides the Students with an in-depth knowledge in fundamentals and practical applications, so that he/she can pursue for wide-range of career opportunities.

The Department conducts Workshops, Seminars and Conferences and invites renowned academicians and industrial experts to enable the Students and Faculty to update with the latest developments. It also encourages Students to interact with Experts from Industries and other prominent Institutions.

Dr. S. Kannan, Professor and Head

Vision:

❖ To produce highly competent Electrical and Electronics Engineers with professional skills and a sense of ethics to meet the demands of technologically advancing society.

Mission:

❖ Empowering the students with up-to-date knowledge and technological skills in Electrical and Electronics Engineering thrust areas.

❖ Providing a rigorous practical training through industrial collaboration to produce Electrical and Electronics Engineers with good design experience.

❖ Adopting effective teaching learning methodologies and value added courses to create Electrical and Electronics Engineers with a strong fundamental knowledge.

❖ Enabling the students to be “life-long” learners to meet intellectual, ethical and career challenges.

Program Educational Objectives (PEOs):

❖ Graduates will have adequate knowledge in basic science, mathematics and engineering necessary to formulate, solve and analyse electrical and electronics problems.

❖ Graduates will have the ability to apply engineering & management skills in their own / team projects in multidisciplinary environment, leading to successful careers and research.

❖ Graduates will have ability to engage in lifelong learning and an appreciation for professional ethical behaviour.

❖ Graduates will demonstrate technical knowledge and ethical values for professional development to meet the societal needs.

Program Specific Outcomes (PSOs):

❖ Model and analyze the performance of Electrical Machines, Control and Instrumentation systems and Power and Power Electronic systems.

❖ Design the hardware and software requirements for the development of Electrical drives and Industrial Automation systems.

❖ Provide socially acceptable technical solutions to complex electrical engineering problems with the application of modern and appropriate techniques for sustainable development.

❖ Apply the knowledge of ethical standards and management principles required to work in a team

Editorial Desk:

I am happy to inform you that, as part of our department Association activities, The Newsletter for Jun'2015 to May'2016 is being introduced. This Newsletter contains various activities carried out by the students and Faculty of the EEE department.

- **Dr.S.Kannan**

15.06.2015 to 19.06.2015 Five day' Faculty Training Programme on “NI – LabVIEW Software and Hardware”

A five day faculty training programme on “NI – LabVIEW Software and Hardware” was conducted from 15.06.2015 to 19.06.2015. 7 faculty from EEE department and 25 faculty from various other departments participated and benefited from this training programme.

Dr. S. Kannan, Prof. and Head delivered the welcome address. The resource persons **Mrs.C.B.Moganavalli & Mr.M.Santha Kumar**, from National Instruments, Bangalore explained about the importance of LabVIEW software.

The trainers initiated the lecture with the introduction about main components of NI LabVIEW Environment and its benefits.

Dr.S.Kannan, Prof & Head of EEE delivering the welcome address.

They explained about various data types like integer, Boolean, double, string, numeric, cluster and dynamic along with simple exercises. Other important topics about for and while loops, case structures, arrays, sequence structures, graphs and charts, file I/O, enum, variables and nodes were discussed with many examples.

The entire session was interactive and useful for the entire faculty to appear for the CLAD certification exam. The last session was followed by the introduction about NI myRIO and myDAQ with the few simple demos.

This created interest among the faculty to motivate the students to do their mini projects as well as their final year projects. The training also gave an idea about publishing research papers in the area of NI LabVIEW hardware and software with respect to real time applications.

Faculty attending training on NI LabVIEW software

Finally, the vote of thanks was given by Dr.R.Arun, AP(Sr.Gr)/EEE with the positive feedbacks from the faculty.

Report by: Mrs. H.Narthana, AP/EEE

22.06.2015 and 23.06.2015 Two day' Students Training Programme on “NI – LabVIEW Software and Hardware”

A two day training programme on “NI – LabVIEW Software and Hardware” was conducted from 22.06.2015 to 23.06.2015 for the 32 students of III year EEE and ECE departments. Dr. S. Kannan, Prof. and Head delivered the welcome address. The resource person **Mr.M.Santha Kumar**, from National Instruments, Bangalore explained about the importance of LabVIEW software. The trainer initiated the lecture with the introduction about components of NI LabVIEW and its benefits.

Trainer giving lecture on LabVIEW software

He explained about the main elements of LabVIEW, front panel and Block diagram, important shortcut keys and various data types like integer, Boolean, numeric, double, string, cluster and dynamic. Simple exercises with the above data types were practiced by the students. The second day dealt with the other concepts like for and while loops, arrays, case structures, sequence structures, graphs and charts with many examples like thermometer indication, water tank level indication etc. Lastly the trainer explained about the importance of CLAD certification exam and motivated the students for placements in the area of NI LabVIEW software. The programme was useful and innovative, rated with the positive feedback among the students. In their feedback, students said the training will be helpful to do mini projects and UG projects.

Students attending training on NI LabVIEW software

10.07.2015 - "Inauguration of EEE association function & IE chapter"

The inaugural function of Electrical and Electronics Engineering department association RIT ELECTRA was held on **10.07.2015** at ECE Seminal Hall for the academic year 2015-2016. The program started with a prayer. Dr. S. Kannan, Prof. and Head welcomed the gathering. Dr. R. V. Mahendra Gowda, Principal, delivered the Presidential address. He explained about the importance of a Technical Association and gave guidelines to students. He also motivated the students to make good use of Association activities. He quoted the headlines in "Today's HINDU". He mentioned the article about new locomotive having 6000 HP with microprocessor technology.

RIT-ELECTRA Inaugural Function

Dr.S.Kannan, Chief Guest- Mr.Kaliyaperumal,
Dr.R.V.Mahendra Gowda

Mr. D. Karthik Prabhu, Asst. Prof., presented the Association Plan for the academic year 2015-16. It was followed by the chief guest, Mr.Kaliyaperumal, Power Advisor, Ramco Systems, Chennai gave a special lecture about History of electricity. He had nearly 35 years of experience in TNEB and explained very well about the grids in India and load demand in present scenario. It was very useful to the students. Finally the vote of thanks was given by Mr.P.RamPrakash, AP (Sr.Gr)/ EEE, Faculty Advisor, IE chapter.

Report by: Mrs.M.Eswari, AP/EEE

11.07.2015 One day' Industrial Visit to Ramco Cements Pvt Ltd., R.R. Nagar, Virudhunagar

RIT-ELECTRA arranged a one day industrial visit to Ramco Cements Pvt Ltd, from 09.30 AM to 5.00 PM for the II year students of EEE. Mr. Veerabagu, manager (Electrical) explained them clearly about the

manufacturing process of cement and factory's electrical segments through a single line diagram. The students asked many doubts to him about electricity consumption of the factory and he cleared their doubts. They learnt about the function of transformer in production section and also the operation of thermal power plant. Safety helmets were given to all the students and the faculty members. Finally, they were taken to transformer yard, generator room, motor panel room and explained about its working. The visit gave an overall view of the functioning of various electrical machines installed inside the premises.

Report by: Mrs.M.Eswari, AP/EEE

11.07.2015 Guest lecture on How to Face a Job Interview

RIT-PLACEMENT CELL ARRANGED a one day Guest lecture on **"How to Ace a Job Interview"** for III year EEE students. Mr.Peer Mohamed Sardhar, Senior Manager, HR, coastal Energen, Tuticorin addressed the students.

Report by: Mrs.M.Eswari, AP/EEE

01.08.2015 Guest lecture on Power Plant Engineering

RIT-PLACEMENT CELL ARRANGED a one day Guest lecture on **"Power Plant Engineering"** for III year EEE students. **Mr.G.Senthil Kumar**, Electrical Project Manager, coastal Energen, Tuticorin addressed the students. He explained the students about coal and oil trading. He gave an idea about the types of power plant. He explained how Rankine Cycle works in thermal power plant. He also covered the recent trends adopted at Tuticorin thermal power station.

Report by: Mrs.M.Eswari, AP/EEE

08.08.2015 Inauguration of Centre for Innovation

RIT inaugurated the centre for Innovation on 08.08.2015 at 2.30 PM in ECE seminar hall. The program started with a prayer. Dr. S. Kannan, coordinator-Centre for Innovation, welcomed the gathering. Dr. R. V. Mahendra Gowda, Principal, delivered the Presidential address. Dr.R.Jayavel, Director, Centre for Research, Anna University, Chennai, delivered the inaugural address. Dr.O.Senthilkumar, Assistant professor, Chemistry, Department of Science and humanities delivered the vote of thanks.

Report by: Mrs.M.Eswari, AP/EEE

12.09.2015 Guest lecture on Employ ability Skills

RIT-PLACEMENT CELL arranged a Guest lecture on **"Employ ability Skills"** for III year EEE students on 12.09.2015 from 11.00 – 12.30 AM. Mr.Stanley George, Vice President & Location head - HR, South India, Hexaware Technologies, Chennai addressed the students. He explained them about the expectations of the industry from engineering graduates. He insisted the importance of communication skills. He included that students must read newspaper, Watch BBC channel and NDTV news to enhance their communication skills. Next they must also improve their personality, attitude.

Standing: Placement officer addressing the students
Sitting: Chief Guest - **Mr.Stanley George**

Report by: Mrs.M.Eswari, AP/EEE

15.09.2015 Engineers' Day Celebration

RIT celebrated the Engineers' Day on 15.09.2015. The inaugural address was given by Dr. R.Mohana, HoD i/c, Civil. She gave a brief introduction and history of Engineers' day. It created awareness among the young blooming engineers about the importance of Engineering and Engineers to the world. Dr. R. V. Mahendra Gowda, Principal, delivered the Presidential address. His speech inspired the students.

Report by: Mrs.M.Eswari, AP/EEE

02.10.2015 Inauguration of RIT-Tamil Mandram

RIT – Tamil Mandram was inaugurated on 02.10.2015 at 4.00 PM at ECE seminar hall along with the celebration of “Gandhi Jeyanthi” and “Thiruvalluvar Day”. The program started with a prayer. Dr. S. Kannan, Faculty coordinator, RIT-Tamil Mandram, welcomed the gathering. Dr. R. V. Mahendra Gowda, Principal, delivered the Presidential address. It was followed by felicitations to the chief guest. Mr.A.Annaraja, Assistant Engineer (Planning and Design), Public Works Department (PWD), Virudhunagar was the chief guest.

He addressed the gathering and inaugurated RIT- Tamil Mandram. Dr.S.Rajakarunakaran, HoD, Mechanical, presented a report about the events which were held during the celebration of “Gandhi Jeyanthi” and “Thiruvalluvar Day”. He spotted the various extra-curricular events like Thirukkural Recitation, Essay writing in Tamil & English, Elocution in Tamil & English, Quiz, Painting, Poetry writing and power point presentations which were conducted exclusively for I year students. The chief guest distributed the prizes for the winners of various events. Finally, the function ended with the vote of thanks given by Dr.K.Vijayalakshmi, HoD/CSE.

Report by: Mrs.M.Eswari, AP/EEE

02.12.2015 to 06.12.2015 Value Added Course on “PLC and SCADA”

A value added course on “PLC and SCADA” was conducted from 02.12.2015 to 06.12.2015. Dr.S.Kannan, Prof., EEE addressed the students. Mr.M.Senthilarasan and Mr.C.M.Ram Kumar, Trainers, from Yokogawa India Limited, Chennai gave hands on training on PLC and SCADA. 65 students of III year EEE attended and benefited from this course. The five day training programme gave an idea about the Programmable Logic Controller (PLC) and SCADA. The day 1 was dealt with startdom and fast/tools softwares for PLC and SCADA.

The day 2 gave an introduction about open and closed loop control by sensors and actuators, target setting and task downloading. The day 3 gave an idea about ladder logic, traffic light control. The day 4 introduced about the SCADA, installations of fast tools and execution of automatic control of power plant using SCADA. The last but not the least day 5 was ended up with the simulation of simple application based upon SCADA. The course was very innovative and challenging to the students and gave the basic knowledge about the simulation of softwares which will be useful for their upcoming projects.

Finally, the training programme was successfully completed with positive feedbacks from students. At the end certificates were distributed to students. In their feedback, students said the training will be helpful to do mini projects. He also distributed Certificates to the participants. Mr.Aashik Ali, Secretary, RIT-ELECTRA proposed the vote of thanks.

Report by: Mrs.H.Narthana, AP/EEE

04.12.2015 to 08.12.2015 Value Added Course on “ARDUINO”

A value added course on “Arduino” was conducted from 04.12.2015 to 08.12.2015. Dr.S.Kannan, Prof., EEE addressed the students on the ‘importance of innovation’ during the inaugural function. Mr.K.Moorthi, Senior Engineer and Mr.P.Kesavan, Application Engineer from M/S. ENTHU TECHNOLOGIES, Coimbatore, gave hands on training using Arduino. 72 students of II year EEE attended and benefited from this course. The five day training programme gave an idea about the functioning of electronics components and dealt with the embedded C programming using Arduino as a controller with the applications of LED blinking, control of robots using Bluetooth module, 7 segment

LCD display, thermistor, Buzzer and other simple application. The training was very helpful to the students. They learnt all the industrial applications for monitoring and controlling the equipment using Arduino as a controller.

Report by: Mrs.H.Narthana, AP/EEE

27.02.2016 One day “National Science Day Celebration”

Ramco Institute of Technology organized the one day National Science Day celebration for all the students of RIT on 27.02.2015. The program started with a prayer. Dr.S.Rajakarunakaran, Prof. & Head, Department of Mechanical Engineering, RIT welcomed the gathering, Dr. R.V. Mahendra Gowda, 0 delivered the presidential address. events like Paper presentations in the domain of Science and Technology and Mathematics, aptitude test in C programming, Mathematical Rangoli, Model Making and Drawing, Mathematical Aptitude, Collage and Project Exhibition were conducted. Inaugural Function of National Science Day Celebration

The Project exhibition was held at the respective department laboratories. 15 projects of III year EEE, 3 projects of II year EEE and 5 projects of I year EEE were presented. A.Aashik Ali & M.Murali Kumar III year EEE participated and won the I prize. M. Vignesh, K. Balamurugan (953614105303), M.Thangavel Pandi and M.Karthik won the II prize and A. Athmanathan, S.Sambandham and P. Sudharson of III year EEE won the III prize. Finally the vote of thanks was proposed by Dr. S. Kannan, Prof. & Head, Department of EEE.

16.04.2016 Valedictory function of “RIT-ELECTRA” (Technical Association of Electrical and Electronics Engineering)

The valedictory function of Electrical and Electronics Engineering department association RIT

ELECTRA was held on **16.04.2016** at EEE Seminar Hall for the academic year 2015-2016. The program started with a prayer. Dr. S. Kannan, Prof. and Head welcomed the gathering and honoured the respected chief guest. He explained about the importance of a Technical Association and gave guidelines to students. The introduction to the chief guest was given by Ms.S. Amirtha Priya, of II year EEE. The annual report for the academic year 2015-2016 was delivered by Mr.D.karthik Prabhu, AP/EEE, faculty incharge for RIT ELECTRA association. The annual report included various programmes (Guest lectures, value added courses, Technical Symposium ‘TECHYUGA’) conducted, industrial visits and in-plant training organized for the students.

RIT-ELECTRA Valedictory Function
Standing: Mr.A.Govindasamy, Dr.S.Kannan, HoD/EEE and Mr.D.Karthik prabhu.

Mr.A.Govindasamy, Senior Server Platform Designer, Advanced Micro Devices, Bangalore, was the chief guest and delivered the valedictory address to the students. He spoke about the placement and career domain for the electrical engineers. He advised the students about the extra courses such as VHDL, VLSI and FPGA for the students development. The students understood the importance of placement training and their career improvement. Certificates and prizes were distributed by the chief guest to the winners of **National Science Day Project Exhibition held on 27.02.2016**. A.Aashik Ali and M.Murali Kumar of III year EEE received the I prize, M. Vignesh, K. Balamurugan (953614105303), M.Thangavel Pandi and M.Karthik of II year EEE received the II prize and A. Athmanathan, S.Sambandham and P. Sudharson of III year EEE received the III prize. Finally, the vote of thanks was proposed by Mr.A.Aashik Ali, III year EEE, Student Secretary of the association.

Chief guest delivering the speech on “**Importance of Placement**” to the students of III year and II year EEE.

A.Aashik Ali of III year EEE receiving the **I prize**

M.Karthik of II year EEE receiving the **II prize**

P.Sudharson of III year EEE receiving the III prize

Report by: Mrs.H.Narthana, AP/EEE

STUDENT ACTIVITIES

45 Students of III year EEE attended In-plant training in 13 different companies from 01.06.2015 to 21.06.2015.

14 Students of II year EEE attended In-plant training in 2 different companies from 01.06.2015 to 21.06.2015.

21 Students of III year EEE participated in two day’ training programme on “NI LabVIEW Software and Hardware” conducted by the dept. of EEE, during 22nd to 23rd June 2015 at Ramco Institute of Technology, Rajapalayam.

K.Mohankumar and S.Sambandham of III year EEE participated in **ICTACT YOUTH – ENTREPRENEUSHIP SUMMIT** organised by ICT Academy of Tamil Nadu held at RajaMuthiah Mandram, Madurai on 29.07.2015

M.Sivablan of III year EEE participated in **Table Tennis - Zonal tournament** held at Dr.sivanthi Aditanar College of engineering, Thiruchendur during 10.08.2015 to 11.08.2015 and won I prize.

Hari Vignesh.G and Roshan.V of II year EEE presented a paper on “**ATRIFICIAL PHOTOSYNTHESIS**” in 18th National level Electrical symposium “**ACONESY 2K 15**” organised by EEE Association, Alagappa Chettiar College of Engineering & Technology, Karaikudi on 22.09.2015 and **Won III Prize**

Ravi Venkatesh.R.K, Marieeswaran.S, Hari Vignesh.G and Roshan.V of II year EEE participated in the event “**CIRCUITRIX**” in 18th National level Electrical symposium “**ACONESY 2K 15**” organised by

EEE Association, Alagappa Chettiar College of Engineering & Technology, Karaikudi on 22.09.2015

Hari Vignesh. G, Marieeswaran.S and Ravi Venkatesh.R.K of II year EEE participated in the event “**SOLAR CAR RACE**” in 18th National level Electrical symposium “**ACONESY 2K 15**” organised by EEE Association, Alagappa Chettiar College of Engineering & Technology, Karaikudi on 22.09.2015

K.Mohankumar and K.B.Ragaventhiraa of III year EEE participated in **ICTACT Leadership SUMMIT** organised by ICT Academy of Tamil Nadu held at Codissia Hall, Coimbatore on 23.09.2015

N.Satheesh and J.Jeyavigneshkumar of II year EEE participated in **ICTACT Leadership SUMMIT** organised by ICT Academy of Tamil Nadu held at Codissia Hall, Coimbatore on 23.09.2015

Ajith.R and Karthikeyan.I of I year EEE participated in the event **PowerPoint Presentation** during “**CELEBRATION OF GANDHI JEYANTHI & THIRUVALLUVAR DAY**” organised by RIT-Tamil Mandram, Ramco Institute of Technology, Rajapalayam on 02.10.2015 and **Won I Prize**.

Ramadevi.C of I year EEE participated in the event **English Essay Writing** during “**CELEBRATION OF GANDHI JEYANTHI & THIRUVALLUVAR DAY**” organised by RIT-Tamil Mandram, Ramco Institute of Technology, Rajapalayam on 02.10.2015 and **Won I Prize**

Karunamoorthy.E of I year EEE participated in the event **Tamil Elocution** during “**CELEBRATION OF GANDHI JEYANTHI & THIRUVALLUVAR DAY**” organised by RIT-Tamil Mandram, Ramco Institute of Technology, Rajapalayam on 02.10.2015 and **Won I Prize**

Jaganathan.M of I year EEE participated in the event **English Elocution** during “**CELEBRATION OF GANDHI JEYANTHI & THIRUVALLUVAR DAY**” organised by RIT-Tamil Mandram, Ramco Institute of Technology, Rajapalayam on 02.10.2015 and **Won II Prize**.

65 students of III year EEE attended Value Added Course on “**PLC and SCADA**” by the M/s YOKOGAWA INDIA LIMITED, Bengaluru, **Mr.M.Senthilarasan and Mr.C.M.Ram Kumar**, the trainers trained the programme, organised by “**RIT – ELECTRA’15, Department of EEE**”, Ramco Institute

of Technology, Rajapalayam, during 02.12.2015 to 06.12.2015.

72 students of II year EEE attended Value Added Course on “**ARDUINO**” by Enthu Technologies, Coimbatore, **Mr.K.Moorthi, Senior Engineer and Mr.P.Kesavan, Application Engineer** trained the programme, organised by “**RIT –ELECTRA’15, Department of EEE**”, Ramco Institute of Technology, Rajapalayam, during 04.12.2015 to 08.12.2015.

R.Ravi Raja and R.K.Ravi Venkatesh of II year EEE participated in the event “**Line Follower**” - A two day’ Technical Symposium – **EPIPHANY**, Organised by Department of EEE, Sri Krishna College of Engineering and Technology, Coimbatore, during 28.01.2016 to 29.01.2016.

N.Satheesh, T.Prasad, R.DineshKumar and K.VarunKumar participated in the events “**Paper presentation on Sustainable cities, Line Follower and Magneto**” - A two day’ Technical Symposium – “**ANOKHA 2K16**”, Organised by Amirtha School of Engineering, Coimbatore, during 18.02.2016 & 19.02.2016.

J.Jeyavigneshkumar, B.Karthikeyan, S.Kathir and A.Mohamed Sameer participated in the event “**Line Follower**” - A two day’ Technical Symposium – “**ANOKHA 2K16**”, Organised by Amirtha School of Engineering, Coimbatore, during 18.02.2016 & 19.02.2016.

M.Deepadurgadevi, K.Vijaya Prabha, M.Esakki Rani, P.Sankareswari, M.Subashini, S.Mathumathi and A.Mahalakshmi attended the workshop on “**Solar and Wind Energy**” - A two day’ Technical Symposium – “**ANOKHA 2K16**”, Organised by Amirtha School of Engineering, Coimbatore, during 18.02.2016 & 19.02.2016.

R.Vignesh and A.Ashok Kumar of II year EEE attended the workshop on “**Cyber Forensics**” - A two day’ National Level Techno-Management Symposium – “**GYAN MITRA 16**”, Organised by Mepco Schlenk Engineering College (Autonomous), Sivakasi, on 19th February 2016.

A.Athmanathan, P.Sudharson, K.B.Ragaventhiraa and S.Sambandham of III year EEE attended the workshop on “**NI MULTI SIM**” - A two day’ National Level Techno-Management Symposium – “**GYAN MITRA 16**”, Organised by Mepco Schlenk Engineering College (Autonomous), Sivakasi, on 19th February 2016.

P.Amarnath, P.Prem Kumar, W.Deotus and R.Stephen Franz of II year EEE participated in the event of **“Paper presentation”** - A two day’ National Level Techno-Management Symposium – **“GYAN MITRA 16”**, Organised by Mepco Schlenk Engineering College (Autonomous), Sivakasi, on 20th February 2016.

P.Prem Kumar of II year EEE participated in the event **“Technical Quiz”** and **won II prize** in - A two day’ National Level Techno-Management Symposium – **“GYAN MITRA 16”**, Organised by Mepco Schlenk Engineering College (Autonomous), Sivakasi, on 20th February 2016.

S.Indhuja, B.Divyalaxmi and A.Ajantha of II year EEE participated in the **HANDS-ON WORKSHOP ON “TRANSMISSION SYSTEM”** - A one day’ National Level Workshop – **“AUTO VAULT 16”**, Organised by Government College of Technology, Coimbatore, on 20th February 2016.

S.Amirtha Priya, S.S.Devi Durga, M.Belsibai, M.Ambika and S.Abirami of III year EEE participated in the events of **Gyan Mitra’16** - A two day’ National Level Techno-Management Symposium – **“GYAN MITRA 16”**, Organised by Mepco Schlenk Engineering College (Autonomous), Sivakasi, on 20th February 2016.

M.Ambika of III year EEE participated in the event Paper Presentation on **“SECURITY COAT”** and **won I Prize** in A two day’ National Level Techno-Management Symposium – **“GYAN MITRA 16”**, Organised by Mepco Schlenk Engineering College (Autonomous), Sivakasi, on 20th February 2016.

A.Athmanathan, P.Sudharson, K.B.Ragaventhiraa and S.Sambandham of III year EEE participated in the events of **Gyan Mitra’16** - A two day’ National Level Techno-Management Symposium – **“GYAN MITRA 16”**, Organised by Mepco Schlenk Engineering College (Autonomous), Sivakasi, on 20th February 2016.

J.Jeyalakshmi, P.Gayathri, S.Angel Josepha, T.Pavethra, S.Sharmela and T.Tharani of II year EEE participated in the workshop on the topic **“Internet Of Things”** - A two day’ National Level championship – **UTKRAANTI’16**, Conducted by Panimalar Institute of Technology, Chennai in association with **ChemClave’16**, IIT, Madras, organised by **Wingfotech Excellence**, during 20.02.2016 & 21.02.2016.

C.Pandiya Rajan, R.Siddharth, K.Muthukrishnan, S.Mohamed Asfar, V.Karthikeyan and S.Vinoth kannan of II year EEE participated in events of **“Paper Presentation”** and **“Line follower”** - A two day’ State

Level Technical Symposium – **“IMPIRE 2K16”**, Organised by department of EEE, Bannari Amman Institute of Technology, Sathyamangalam, during 23.02.2016 to 24.02.2016.

C.Pandiya Rajan, R.Siddharth, K.Muthukrishnan, S.Mohamed Asfar, V.Karthikeyan and S.Vinoth kannan of II year EEE attended the workshop on **“PLC & SCADA”** conducted by Prolific Systems & Technologies Pvt Ltd. - A two day’ State Level Technical Symposium – **“IMPIRE 2K16”**, Organised by department of EEE, Bannari Amman Institute of Technology, Sathyamangalam, during 23.02.2016 to 24.02.2016.

RESEARCH

Research Scholar (Pursuing)

Mr.K.Karthikeyan, Part-time, “Generation, Expansion Planning”, Faculty of EEE/RIT

Mr.P.Ram Prakash, Part-time, “Grid tie inverter using FPGA”, Faculty of EEE/RIT

Faculty Participations / Achievements / Guest Lecture Delivered / FDP’s Attended

Mr.P.RamPrakash, Mr.D.Karthik Prabhu, Mrs.H.Narthana, Dr.R.Arun, Mr.N.Ganesh, Mr.A.Arunkumar and Mrs.M.Eswari participated in a five day’ faculty training programme on **“NI LabVIEW Software and Hardware”**, organized by EEE department, conducted at Ramco Institute of Technology, Rajapalayam, from 15th to 19th June 2015.

Dr.R.Arun, AP (Sr.Gr.)/EEE gave a speech about Traditional Vs Modern Teaching and Learning Methodologies”. **Mr.P.RamPrakash, AP(Sr.Gr.)/EEE** delivered a speech on “Effective Preparation of PPTs” and **Dr.S.Kannan, Prof & HoD/EEE**, gave a speech about “Review of Popular Books to be read by Engineering College Teachers” in a two day’ Faculty Development Programme on **“Training the Trainers”** conducted at Ramco Institute of Technology, Rajapalayam, during 22-23 June 2015.

Mr.A.Arun kumar, AP/EEE attended a Two day’ workshop on **“E Yantra – Robotics Workshop”** conducted by IIT Bombay, organised by Mepco Schlenk Engineering College (Autonomous), Sivakasi, during 22nd and 23rd June 2015.

Mrs.H.Narthana, AP/EEE attended a Two day’ Seminar on **“Challenges in Grid Connected Renewable Energy Systems (CGRES-15)”** organised by the department of Electrical and Electronics Engineering, conducted at

Mepco Schlenk Engineering College (Autonomous), Sivakasi, during 25th and 26th June 2015.

Dr.S.Kannan, Prof. & Head, EEE participated in “**Fifth Department Advisory Board Meeting for Electrical & Electronics Engineering**”, at Sethu Institute of Technology (Autonomous), Kariapatti, on 27.06.2015.

Mr.A.Arun kumar, AP/EEE & **Mr.N.Ganesh** AP/EEE attended a Training Programme on “**Industrial Protection using Relays**” conducted at Rajapalayam Mills, Rajapalayam during 20th and 21st July 2015.
