

Courses Offered

The following undergraduate courses approved by AICTE and affiliated to Anna University, Chennai are offered from the academic year 2013-14.

- B.E. Civil Engineering - 60
- B.E. Computer Science and Engineering - 60
- B.E. Electrical and Electronics Engineering - 60
- B.E. Electronics and Communication Engineering - 120
- B.E. Mechanical Engineering - 120

Admission

With a firm belief that, education can truly diffuse socio-economic borders. We at Ramco Institute of Technology have taken all possible steps in providing the right guidance and good ambience to become deserving engineers. We aim to impart quality education, advanced knowledge and research in engineering and technology through an innovative teaching and practical training to foster excellence and creativity.

Outstanding Facilities

Conveniently located at the foothills of Western Ghats, 85 KM south of Madurai at Rajapalayam, surrounded by natural beauty and lush green landscape, Ramco Institute of Technology provides a serene and healthy environment for learning.

We have taken steps to provide world-class infrastructure and facilities to both our students and staff members and the management has already invested in the required resources to make this possible.

- A very good learning atmosphere facilitated by 99 well-qualified and experienced faculty members consisting of 17 Ph.D holders and 82 Postgraduates from renowned institutions.
- Ten High-tech Computer Centres, IBM Servers and IT tools for advance learning.
- Wi-fi campus with 108 MBPS internet connectivity.
- Most modern Language laboratory to hone communication skills.
- Elegant and well stocked library with nearly 15,500 Textbooks, 66 National Journals, 1545 e-journals, 37 Magazines, 500 CD-ROM's, 1200 NPTEL Videos, 3000 E-Books, and e-learning modules in Digital Library.
- Invited talks and special lectures by Professors from IITs and Experts from prominent Universities and industries.

- 28 Smart classrooms, 7 seminar halls and Video Conferencing facilities for interactive learning
- Fully furnished hostels for boys and girls with sophisticated facilities for comfortable stay, advanced learning, recreation, etc.
- All round sports facilities with modern Gymnasium to encourage the youth to excel.
- Various clubs including Eco club, Elite English Learners' Club, Math Experts Club, Science Club, Fine Arts and Cultural Club, RRC, YRC, Photography club, Tamil Mantram and NSS.
- Industrial visits, practical training and placement opportunities in Ramco group of companies and other industries.
- Scholarship for Meritorious and Deserving students.
- Elegant Auditorium with seating capacity of 2500.
- Individual counselling, Mentoring, Coaching, Training and Placement opportunities.
- Special coaching for competitive exams such as GATE, IES, GRE, etc.
- Centre for Innovation and Entrepreneurship development.
- Professional Societies includes ISTE, IETE, IE, CSI, SAE and ISHRE.
- Funding for Innovative Student projects/Patent filing/Participation in reputed National and International competitions.

How to Reach RIT

- By Road**
Situated on NH205, RIT is easy to reach and locate. Madurai is 85 kms away (1.5 hours by road). Chennai and Bangalore are roughly 7 hours away.
- By Bus**
Frequent buses are available from Rajapalayam to Madurai, Tirunelveli, Virudhunagar, Tiruvallur, etc.
- By Rail**
Rajapalayam is connected by rail to Chennai & Madurai.
- By Air**
The nearest domestic airport is Madurai Airport (85 kms). Madurai Airport is well connected to Chennai, Bangalore, Delhi and Mumbai.

RAMCO INSTITUTE OF TECHNOLOGY

Approved by AICTE, affiliated to Anna University, Chennai

An ISO 9001:2015 certified Institution

RIT Stands in the List of Top 5 Colleges

RIT has secured 89.26% result in April / May 2017
and 79.63% result in Nov. / Dec. 2017
Anna University Examinations.

RIT QUALITY POLICY

RIT aims to impart Quality Education in Engineering and Technology through an effective teaching-learning process, up-gradation of facilities and human resources, collaborating with Industry for training, placement, research and consultancy activities with commitment to continual improvement of Quality Management System.

Chairman's Message

Dear Engineering Graduates

My best wishes for a bright future.

I am pleased to inform you that, RAMCO Institute of Technology (RIT) has been established to offer value based quality engineering education to the young talented boys and girls of the present generation. RIT is a unique institute with a difference from other engineering institutions, guided by prominent Governing Council and Advisory Committee consists of eminent academicians such as Prof. M.S. Ananth, Former Director of IIT, Madras, Prof. M.S. Palanisamy Former VC of Tamilnadu Open University and others.

The Advisory Committee selects highly talented academic faculty members who impart wholesome engineering education using modern teaching learning methodology, giving more emphasis on practical education relevant

to industry needs. The faculty members update their knowledge by pursuing online courses offered by overseas Universities and the knowledge gained through the courses are used for their teaching. The faculty members are committed to provide quality education to the students who join RIT.

The excellent infrastructure created at RIT provides a conducive learning atmosphere. RIT provides the right ambience for the students to have world class education and helps them transform into highly talented graduates capable of life-long learning.

I invite aspiring students to join RIT for experiencing the best engineering education and to prosper in their life.

Mr. P.R. Venketrama Raja
Chairman, Ramco Group

Vision

To evolve as an Institute of international repute in offering high-quality technical education, research and extension programmes in order to create knowledgeable, professionally competent and skilled Engineers and Technologists capable of working in multi-disciplinary environment to cater to the societal needs.

Mission

To accomplish its unique vision, the Institute has a far-reaching mission that aims:

- To offer higher education in engineering and technology with highest level of quality, professionalism and ethical standards.
- To equip the students with up-to-date knowledge in cutting-edge technologies, wisdom, creativity and passion for innovation and life-long learning skills.
- To constantly motivate and involve the students and faculty members in the education process for continuously improving their performance to achieve excellence.

The Ramco Group

It was in 1938, when the reverberations of the Industrial Revolution had not yet reached the interiors of South India, despite scarce capital and resources, Mr. P.A.C. Ramasamy Raja set up the first spinning mill at Rajapalayam, which later became the focal point of the Ramco Group. His sharp focus on technology and quality has inspired a generation of entrepreneurs and formed the basis for the collective vision of the Group.

He founded P.A.C. Ramasamy Raja Education Charity Trust in 1950 and Raja Charity Trust in 1951. Number of educational institutions are functioning under the aegis of these Trusts including a Polytechnic College, Industrial Training Centre and Schools in and around Rajapalayam.

Shri. P.R. Venketrama Raja the Chairman of Ramco Group, carries forward the mission started by his visionary father Shri. P.R. Ramasubrahmaneya Rajha, and more than 10,500 students are being benefited by the Trust.

Today, under the stewardship of the Chairman Mr. P.R. Venketrama Raja, the Ramco Group has expanded into a USD 1 Billion industrial conglomerate with interests in cotton and synthetic yarn, cement, building products, software solutions, wind energy and education. The Group has become one of the most reputed business houses in India and has achieved international recognition for its quality products and services.

Ramco Group's presence in the Educational Sector

- P.A.C. Ramasamy Raja Polytechnic College.
- Ramco Private Industrial Training Centre.
- P.A. Chinniah Raja Memorial Higher Secondary School.
- P.A.C.R. Annamali Ammal's Girls Higher Secondary School.
- Chinmaya Vidyalaya P.A.C. Ramasamy Raja Matriculation Higher Secondary School.
- Smt. Lingammal Ramaraju Matriculation Higher Secondary School.
- Ansha Vidya Mandir Matriculation Hr. Sec. School.
- Ramco Balevidyalaya Kendra.
- T.A.K.M. Ramammal Primary School.
- P.A.C.R. Selthurammammal Primary School.
- Chinmaya Vidyalaya Smt. PACR Selthurammammal Nursery & Primary School.
- Sri Ram Primary School.

The students from the above institutions consistently secure District Ranks and State Ranks and we are proud that many of them have become successful professionals.

Ramco Institute of Technology started in the year 2013, fully supported by the Ramco Group of Companies and Raja Charity Trust to produce quality Engineers for the future.
