BUSINESS PLAN – BMC TEMPLATE

(Can be edited as required)

A. IDEA 1 / START-UP 1: Palm Fruit Selling

Brief about the idea:

This is my family business. But I have here to innovate some new product by using palm fruit (ice apple). I have found some difficulties are faced by my father, for preserving the ice apple. So my plan to implement preserving techniques to making an ice apple into mixer variety product.

BMC for the idea / Start-up:

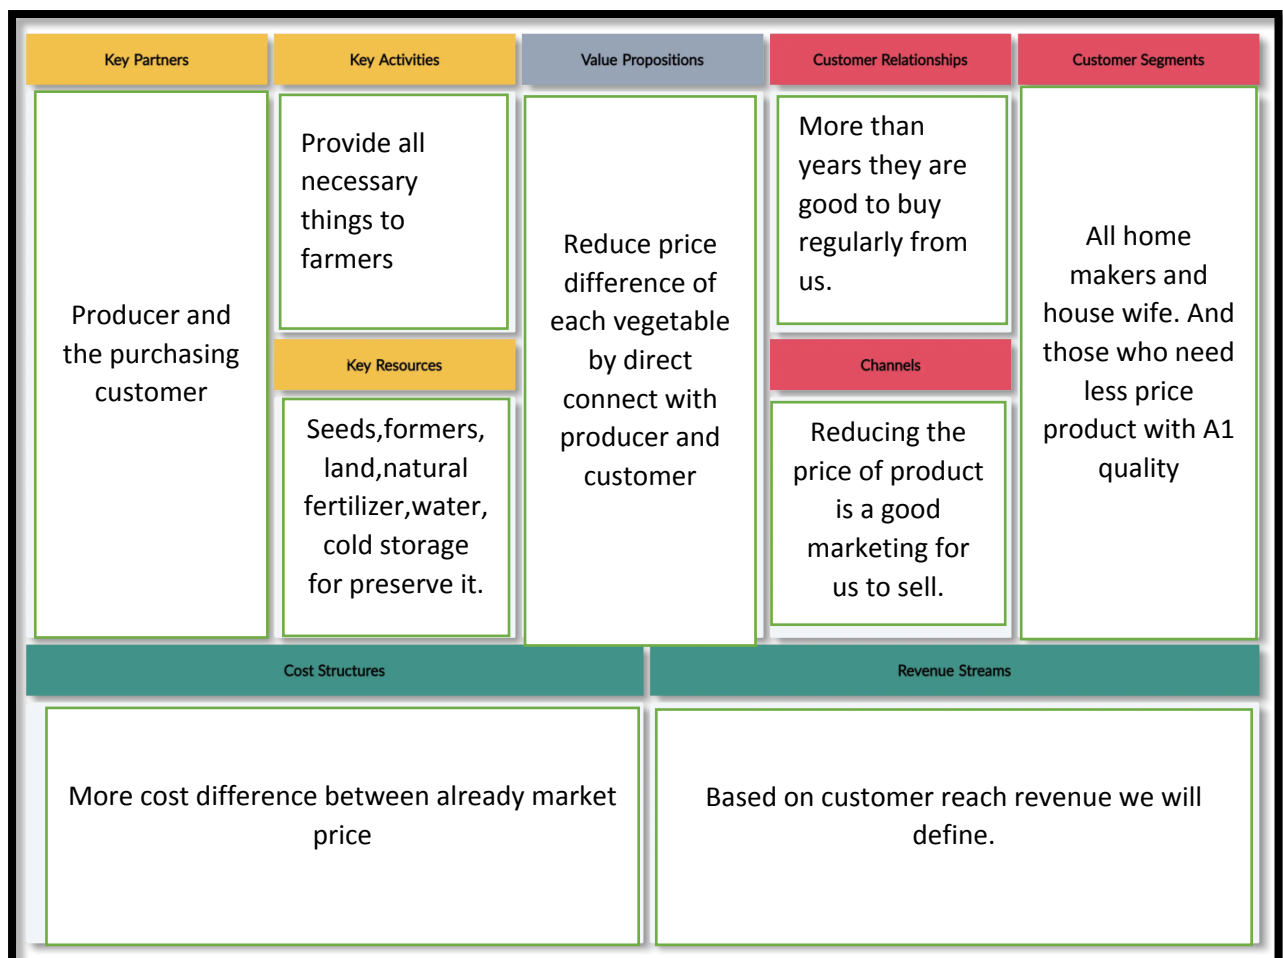

Note: The above is the template. Either you can take a printout and write or you can prepare a similar template and type on it.

B. IDEA 2 / START-UP 2: Reduce cost of market product

Brief about the idea:

My idea is to reduce the product price from producer to customer. By direct connect with producer, this product size is extremely reduced. We are going to produce all necessary products for farmers to grow plants, then we purchase to them and sell it to market. They only need to grow the plants. Natural fertilizers are collected from local area farmers those who have it.

BMC for the idea / Start-up:

Note: The above is the template. Either you can take a printout and write or you can prepare a similar template and type on it
