13. Objective of the Interaction:

The session aimed to bridge the gap between current students and alumni by sharing insights, professional experiences, and career growth strategies from the perspective of an accomplished alumnus. It also intended to motivate students and provide guidance for navigating professional challenges.

14. Session Highlights

a) Introduction:

- The moderator introduced Vigneshkumar J, highlighting his educational background in Mechanical Engineering (2014-2018 batch) from Ramco Institute of Technology and his progressive career journey.
- Brief mention of his roles at Faiveley Transport Rail Technologies, MRF Ltd, and his current position at Wabtec Corporation.

b) Professional Journey:

- Vigneshkumar J shared his experiences as a Graduate Engineer Trainee (GET) at Faiveley Transport Rail Technologies, emphasizing the importance of building foundational skills early in one's career.
- Described his role in MRF Ltd's Plant Maintenance Department, where he honed his problem-solving and machinery maintenance expertise.
- Elaborated on his current responsibilities as Capex and Projects Lead at Wabtec Corporation, where he manages capital expenditure and leads innovative project initiatives.

c) Key Insights and Learnings:

- **Importance of Certifications:** Discussed how earning a Six Sigma Green Belt and IATF & IMS Internal Auditor certifications added value to his career and enhanced his professional capabilities.
- **Cost Optimization Strategies:** Provided examples of cost reduction activities he implemented and their impact on operational efficiency.
- **Project Experience:** Shared his exposure to greenfield and brownfield projects, highlighting their challenges and the technical solutions involved.

d) Q&A Session:

- Students asked questions about transitioning from academic life to the industry, strategies for skill development, and advice on handling workplace challenges.
- Vigneshkumar J encouraged students to focus on continuous learning, gaining hands-on experience, and networking effectively.

e) Motivational Message:

- a. He emphasized the importance of perseverance, adaptability, and maintaining a positive attitude in facing career hurdles.
- b. Encouraged students to leverage opportunities for certifications and projects during their academic tenure.

15. Feedback from Participants:

- Students appreciated the detailed insights into industry practices and the practical advice shared.
- Many found the session highly motivating, especially the real-world examples of problem-solving and project management.
- Participants suggested organizing more such interactions to gain diverse perspectives from alumni across various industries.

16. Conclusion:

The interaction with Vigneshkumar J during the Alumni Summit 2.0 was a resounding success. His experiences and advice not only inspired the attendees but also provided them with actionable guidance to shape their professional journeys. The session reaffirmed the value of alumni engagement in enhancing the learning ecosystem.
