

RAMCO INSTITUTE OF TECHNOLOGY

Approved by AICTE, New Delhi & Affiliated to Anna University

NAAC Accredited with 'A+' Grade & An ISO 9001: 2015 Certified Institution

NBA Accredited UG Programs: CSE, EEE, ECE and MECH

Department of Mechanical Engineering

Academic Year: 2025 - 26 (Odd Semester)

Alumni Interaction Report

Event Title: SIP- Guest Lecture by Alumni

Date of the Event: 20/08/2025

Time: 02:00 PM to 03.00 PM

Venue: Online - B1L02

Number of Participants: 26

Program Details:

Nature of session	Purpose of Interaction	Target Audience	POs relevance
Alumni – SIP- Guest Lecture (AM/25-26/02)	- To share real-time working experience at Ramco Cements. - To provide insights into the current mechanical job scenario in industries. - To motivate juniors by highlighting the role of college facilities in career development.	First year Mechanical Students	PO6, PO8, PO9, PO11

Glimpse of the meet:

Speakers Details	
Name of the Alumnus	Mr. K Gokul
Date and Time	20/8/2025 2:00PM to 3:00PM
Meeting Platform	Online - B1L02
Target Audience	I Year Mechanical Students
Nature of Interaction	Shared his industrial experience, discussed career opportunities in core industries, and appreciated the role of college facilities in shaping his journey.
Present Position	Mr. K.Gokul (2020-2024 Batch) GET - Maintenance Team Ramco Cements, Andhra Pradesh

Invitation:

Mr. Gokul explained how transitioning from college to an industrial setup required adaptability and continuous learning. He emphasized that challenges faced in a heavy industry like cement manufacturing should be viewed as learning opportunities. His journey motivated students to stay focused, build strong fundamentals, and develop resilience in the workplace.

Experiences Learning Opportunities:

He elaborated on his role in the Maintenance Team, focusing on technical problem-solving, preventive maintenance, and safety practices. He highlighted that industries increasingly value engineers who can apply academic knowledge practically and adapt to interdisciplinary technologies like automation and industrial IoT.

Message to juniors:

"Make full use of the resources available at RIT. Industries expect not just book knowledge but practical application, adaptability, and teamwork. Stay consistent, upskill yourself, and opportunities will follow."

Feedback from Participants:

- ✓ Students gained clarity about the industrial work culture.
- ✓ The session helped them understand the current job market trends in mechanical engineering.
- ✓ Participants appreciated the alumnus' emphasis on continuous learning and skill development.
- ✓ The interaction served as a bridge between academics and industry requirements.
