

RAMCO INSTITUTE OF TECHNOLOGY

Approved by AICTE, New Delhi & Affiliated to Anna University

NAAC Accredited with 'A+' Grade & An ISO 9001: 2015 Certified Institution

NBA Accredited UG Programs: CSE, EEE, ECE and MECH

Department of Mechanical Engineering

Academic Year: 2025 - 26 (Odd Semester)

Alumni Interaction Report

Event Title: IT Industry & Job Opportunities

Date of the Event: 25/08/2025

Time: 01:40 PM to 2.40 PM

Venue: C0L03

Number of Participants: 47

Program Details:

Nature of session	Purpose of Interaction	Target Audience	POs relevance
Alumni – Career Awareness meet (AM/25-26/03)	- To provide insights into global job opportunities in HVAC Engineering and IT development. - To help students understand the skill sets required in both core and IT fields. - To motivate juniors to explore multiple career pathways based on their interests and strengths.	Final year Mechanical Students	PO1, PO3, PO5, PO7

Speakers Details	
Name of the Alumnus	Mr.Mohammed Ashraf & Mr.G.Balaji
Date and Time	05/09/2025 01.40 PM to 02.40 PM
Meeting Platform	C0L03
Target Audience	Final Year Mechanical Students
Nature of Interaction	1. Shared insights on working in the HVAC domain, global career opportunities, and the importance of technical skills in mechanical engineering. 2. Explained his transition into IT as a Mechanical Engineering graduate, discussed the scope of IT roles, and highlighted the skills needed to excel in software development.
Present Position	Mr.Mohammed Ashraf (2018-2022 Batch) HVAC Engineer, Dubai-based Company Mr.G.Balaji Front-End Developer, Swipewire Technology, Chennai

Key Highlights of the Session

Challenges & Motivation

Mr. Ashraf explained the challenges faced in adapting to international standards in HVAC projects and motivated students to consider global opportunities with strong technical foundations.

Mr. Balaji shared his challenges in learning programming and web development as a Mechanical Engineer but emphasized that with dedication, transitioning into IT is possible and rewarding.

Experience & Learning Opportunities

Ashraf: Highlighted HVAC system design, project execution, and career scope in the Middle East. He emphasized the importance of certifications, practical training, and strong fundamentals.

Balaji: Explained the work culture in IT startups, the importance of coding, problem-solving, and adaptability in the software field. He encouraged students to leverage online platforms to upskill.

Message to juniors:

The alumni encouraged students to:

- Strengthen their fundamentals in engineering subjects.
- Develop continuous learning habits through certifications and online courses.
- Stay adaptable to opportunities in both core and IT fields.
- Face challenges with perseverance, confidence, and self-motivation.

They concluded with the message: *"Dream big, stay consistent, and prepare to compete at both national and global levels."*

Feedback from Participants:

- The session was found to be informative, inspiring, and career-oriented.
- Students appreciated the real-world experiences shared by alumni.
- Participants acknowledged the value of upskilling and certifications for career advancement.
- Many expressed that the session broadened their perspective on career opportunities.
- Students requested more such alumni interactions in the future.
