NBA Accredited UG Programs: CSE, EEE, ECE, MECH

12.08.2025

To

Mr. Mohamed Musthafa S,
Lecturer,
Department of Mechanical Engineering,
Government Polytechnic College,
A.Kokkulam, Chekkanurani,
Madurai-625514.

Dear Sir,

Sub: Nomination of Internal Quality Assurance Cell (IQAC) External member - Ramco Institute of Technology - 2025 -2028 - Reg.

The Ramco Institute of Technology (RIT) established an internal quality assurance cell (IQAC) in 2018 and it is functioning as per the guidelines of the National Assessment and Accreditation Council (NAAC). We are pleased to inform you that you have been nominated as an external member of the RIT IQAC for quality improvement and to provide guidelines for the progress of the institute.

The functions of IQAC are,

- Review of Progress in Curricular Aspects, Teaching, Learning, and Evaluation, Research, Innovation, and Extensions, Infrastructure and Learning Resources, Student Support and Progression, Governance, Leadership, and Management, & Institutional Values & Best Practices.
- Monitor the status of continuous improvement at the institute.

The Meeting of the IQAC for the AY2025-2026 is scheduled for Saturday, 13th September 2025 at 10.30 AM in the IQAC board room. The agenda of the meeting is given as an annexure.

We request that you kindly make it convenient to attend the meeting and give your valuable suggestions.

Thanking You

With kind regards

IQAC Coordinator

Vice Principal
(IQAC Director)

Principal
(IQAC Chairperson)

Speakers Details	
Name of the Alumnus	Mr.S.Mohamed Musthafa
Date and Time	13/09/2025 10.30 AM
Meeting Platform	RIT-IQAC-Board Room
Nature of Interaction	1. Formal institutional meeting conducted under the Internal Quality Assurance Cell (IQAC) framework. 2. Focused on academic review, quality enhancement, and strategic planning for the upcoming academic year. 3. Included interactive discussions among faculty, coordinators, and administrative members to ensure continuous improvement in academic and administrative processes.
Present Position	<i>Mr.S.Mohamed Musthafa,</i> (2013-2017 Batch) Lecturer, Department of Mechanical Engineering, Government Polytechnic College, A.Kokkulam, Chekkanurani, Madurai-625514.

Key Highlights of the Session

1. Academic Performance Review:

The session began with a detailed review of the academic performance of various departments. The discussion focused on continuous improvement in teaching methodologies, assessment patterns, and student learning outcomes.

2. Outcome-Based Education (OBE) Progress:

Members discussed progress in OBE implementation, particularly CO–PO–PSO attainment and mapping improvements. Emphasis was placed on refining assessment rubrics and ensuring better documentation for accreditation purposes.

3. Student Support and Stakeholder Engagement:

Initiatives related to student mentoring, progression tracking, placement performance, and alumni engagement were reviewed. Stakeholder feedback mechanisms were also strengthened for quality assurance.

4. Research and Faculty Development:

The IQAC emphasized faculty research enhancement and multidisciplinary collaborations. It was noted that the *RIT–SEED Interdisciplinary Research Projects (RIT–SIRP)* scheme was launched for AY 2025–2026 with clear guidelines and timelines.

5. Quality and Accreditation Initiatives:

Preparations for **NAAC and NBA Accreditation (Third Cycle)** were discussed, focusing on criterion-wise documentation, best practices, and evidence collection for upcoming reviews.

6. Institutional Best Practices and Green Campus Initiatives:

The session highlighted sustainability and social responsibility measures, including energy conservation practices, waste management systems, and community outreach programs.

7. Action Plan for the Upcoming Semester:

IQAC finalized the semester-wise action plan emphasizing curriculum revision, research output enhancement, and quality benchmarking aligned with national ranking frameworks like NIRF.

Suggestions by IQAC Members:

1. Academic and Pedagogical Improvements:

- Introduce quantitative evidence to assess and support slow learners.
- Align Value-Added Courses (VACs) and Industry Projects with current industrial demands and competitive examination requirements.
- Ensure all value-added courses are software domain-oriented and measurable through outcomes.

2. Internship and Project Enhancement:

- Strengthen internship evaluation mechanisms and consider allowing mini projects as alternatives where applicable.
- Introduce an autonomous internship system with flexible evaluation criteria.

3. Skill Development and Placement:

- Establish partnerships with MeitY-TIDE 2.0 incubation programs to support student startups.
- Conduct resume writing and communication skill training sessions.
- Benchmark placement outcomes using median salary values and placement ratios for core and software companies.
- Track first-generation graduates and rural students from admission to graduation for support and mentoring.

4. Stakeholder and Recruiter Feedback:

- Regularly collect feedback from recruiters and employers for curriculum improvement.
- Involve distinguished alumni as guest speakers for academic and motivational events.
- Invite student parents during appreciation events to strengthen institute-parent collaboration.

5. Institutional and Quality Measures:

- Conduct industrial visits, including inter-state exposure trips for students.
- Maintain parents' feedback forms in bilingual format for better inclusivity.
- Continue efforts to make the institution more industry-integrated and outcome-oriented through continuous monitoring.
