“Student – Alumni Interaction meet”– RIT/MECH/AM/21-22/05 – Higher studies opportunities meet was held by the department of Mechanical engineering on 02.12.21 (Thursday) 5.30 pm to 6.30 pm. The meeting was originally scheduled on November 30, 2021, but was postponed to December 2, 2021 owing to an internal assessment test. The prime objectives of this alumni meet is to share essential skills and strategies to crack entrance exams for higher studies and overseas education, student time management skills and scope for higher studies in engineering field.

At the end of the session there was an interactive session, where students gained information about his personal experience in getting admission and higher studies scopes.
