

# RAMCO INSTITUTE OF TECHNOLOGY

## Department of Mechanical Engineering

Ref.: RIT/Mech/DAC Meeting/2019-2020/01

Date: 06.08.2019

### Minutes of Department Advisory Committee Meeting - I

The first Department Advisory Committee Meeting (DACM) was held on 06.07.2019 (Saturday) at Mechanical Seminar Hall and discussed were the following points:

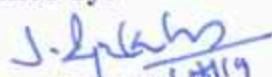

#### Members present:

|                                                                                                                                        |                   |
|----------------------------------------------------------------------------------------------------------------------------------------|-------------------|
| <b>Mr. N. Rajasekaran,</b><br>Deputy General Manager,<br>Unit II - Production, BHEL, Tiruchirappalli                                   | Industry member   |
| <b>Dr. L. Srinivasan,</b><br>Scientist SF/Resident Manager, RMFA/EFA,<br>Vikram Sarabhai Space Centre,<br>Chennai Work Centre, Chennai | R&D member        |
| <b>Dr. M. Palaninatharaja,</b><br>Dean - Planning and Development,<br>Thiagarajar College of Engineering, Madurai                      | Academic Member   |
| <b>Mr. P. Esakkiraja,</b><br>Graduate Engineer Trainee,<br>The Ramco Cements Ltd., Alathiyur.                                          | Alumini           |
| <b>Mr. K. Aravind Kumar,</b><br>Managing Partner,<br>Madasamy Nadar Restaurant,<br>Dhalavaipuram.                                      | Alumini           |
| <b>Mr. P. Sureshkumar,</b> AP(SG)/Mech.                                                                                                | Internal member   |
| <b>Dr. V. Sivakumar,</b> AP(SG)/Mech.                                                                                                  | Internal member   |
| <b>Dr. K. Karthikeyan,</b> Associate Prof./EEE                                                                                         | Internal member   |
| <b>Mr. R. Balaji Ganesh,</b> AP(SG)/CSE                                                                                                | Internal member   |
| <b>Dr. O. Senthilkumar,</b><br>Associate Prof./Chemistry,                                                                              | Internal member   |
| <b>Dr. T. Manimaran,</b> Associate Prof./Maths,                                                                                        | Internal member   |
| <b>Mr. M. Lakshmanan,</b> AP(SG)/Mech.,<br><b>Mr. T. Selva Sundar,</b> AP / Mech.,                                                     | DACM Coordinators |

| Sl.No. | Points discussed                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Target Date | Responsibility |
|--------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|----------------|
| 1.     | <p>The presentation started with a concise introduction about Ramco Institute of Technology establishment, and the following points were discussed.</p> <ul style="list-style-type: none"><li>Explained the process of formulating Vision, Mission, Program Educational Objectives (PEOs), and Program Specific Outcomes (PSOs) of the department by the involvement of stakeholders.</li><li>Correlation between PEOs and Mission statements were discussed.</li></ul> | -----       | -----          |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |  |  |

|  | <ul style="list-style-type: none"> <li>• Briefed the contributions of various stakeholders such as students, faculty members, parents, Alumni, Industrial experts and professional societies i.e. Society of Automotive Engineers India (SAE), Institution of Engineers (India) IE(I), Indian Society for Technical Education (ISTE), Indian Society of Heating, Refrigerating and Air Conditioning Engineers (ISHRAE), Indian Welding Society (IWS) for formulating PEOs and PSOs.</li> <li>• Discussed the short term and long term goals of the department in line with Mission and Vision of the department.</li> <li>• Presented the details of publication and dissemination of Vision, Mission, PEOs, PSOs and Program Outcomes (POs) with stakeholders and different places of department.</li> </ul> <p>✓ Presented the following quality component of teaching and learning process.</p> <ol style="list-style-type: none"> <li>i. Detailed the process of curricular gap identification and content beyond syllabus for sample courses for the academic year 2018-2019 (Current Academic Year - CAY*).</li> <li>ii. Presented the details of various teaching aids practiced for the academic year 2018-2019.</li> <li>iii. Procedure for setting internal assessment question paper and evaluation of answer scripts.</li> <li>iv. Details of student projects completed in the academic year CAY, CAY-1** &amp; CAY-2*** and its project evaluation and review procedures.</li> <li>v. Initiatives taken in industry – institute interaction</li> <li>vi. Details of student internship, industrial visit &amp; in plant training for CAY, CAY-1 &amp; CAY-2.</li> <li>vii. List of funded projects and patent details</li> <li>viii. Details of online courses performed by students &amp; faculty members and also discussed the learning outcome of online course for CAY, CAY-1 &amp; CAY-2.</li> <li>ix. Details of paper publications in journals and conference by faculty and students</li> <li>x. Details of student participations in co-curricular and extracurricular activities.</li> <li>xi. Details about placements, higher studies and entrepreneurship</li> <li>xii. Details of awards and recognize of both students and faculty members</li> <li>xiii. Details of faculty participations in industrial training</li> <li>xiv. Details of laboratory facilities and utilization</li> <li>xv. Details of involvement in Entrepreneurship activities and other professional societies activities.</li> </ol> |  |  |
