REC RAGHURAM K is presenting

Defendant Argument

Plaintiff is not the exclusive author of the books, as she allegedly authored the books while working in her capacity as Director of the company and co-authored them with a team in the Coaching Centre. The Defendants rely on an admission by the Plaintiff in an earlier suit where the Plaintiff has demanded salary from the Defendant claiming to be an employee. It was further argued that since the Plaintiff served as a Director of the company.

Plaintiff Argument

Plaintiff argued that since there was no contract of service between the two parties, she is the author of the book. Further, it was contended that the copyright registration serves as prima facie evidence of the same. It was alleged that the book was copied verbatim, so much so that even the printing errors in the Plaintiff's book were reproduced.
