

RAMCO INSTITUTE OF TECHNOLOGY

Department of Mechanical Engineering

Academic Year 2020 – 2021 (Odd Semester)

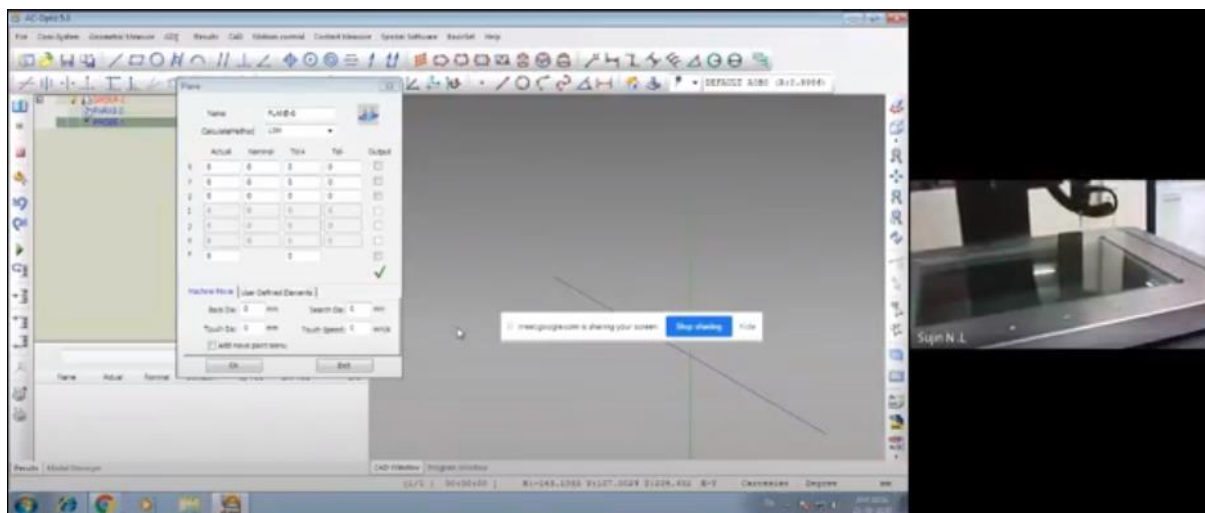

Innovative Practice(s) Description

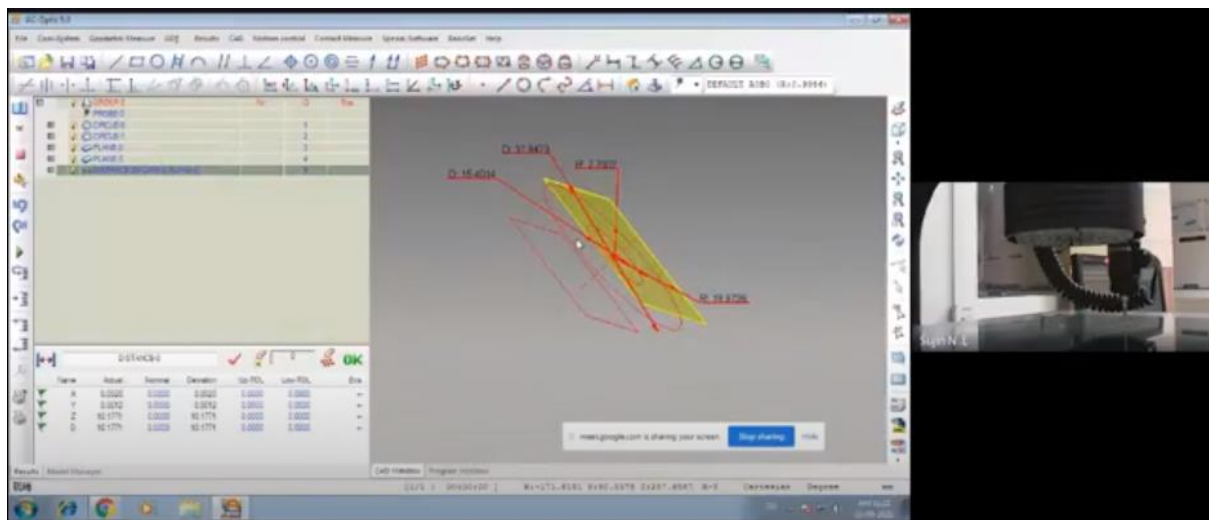

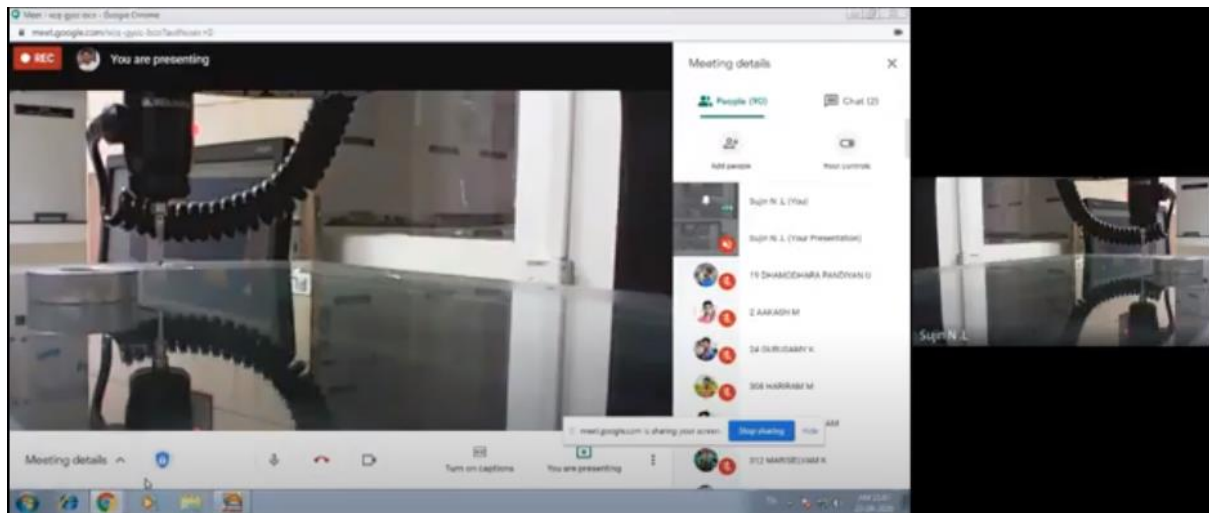

Course code and Title	:	ME8501 & Metrology and Measurements
Name of the Instructor(s)	:	Mr. N.L. Sujin, AP / Mechanical Dr. Godwin Barnabas, ACSP / Mechanical Mr. S. Maharajan, AP(SG) / Mechanical
Date & Time	:	22.09.2020 & 11.00 AM to 11.50 AM
Semester and Branch	:	V Semester –Mechanical Engineering

Online live demonstration on CMM

Live demonstration is the activity to show someone how to use a product or how a new system or product works and makes the students to understand better about the topic or concept. Because the activity causes students to confront their prior understanding of a core concept, students are ready to learn in a follow-up lecture.

The live demonstration on Coordinate Measuring Machine (CMM) was carried out for the students through online teaching aid called google meet. In this demonstration the construction, working and the applications of CMM were clearly explained by the instructors.

At the end of the session the students were able to explain the construction and working of CMM. The CO – PO mapping of the topic is as follows,

CO3 – Students will be able to explain the procedure for conducting computer aided inspection.

CO	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12
CO3	2	2	2	2	3	1				1		1
