Activity on Types of Business Organization

Registering a company as per the government act is mandatory. As a part of the syllabus, the students are taught about different types of business organization as follows:

1. Sole proprietorship
2. Partnership
3. Company
 - a) Private Limited Company
 - b) Limited Company
 - i. Private Enterprise
 - ii. Public enterprise
4. Co-operative society
5. Corporation

The difference between the same was explained to the students and later a **group activity on identifying the type of business organization** was given. In this activity logos of various companies will be given in a sheet. The student team has to identify the name of the company, type of organization and have to justify the reason for the type.

Outcome:

This activity gave a better understanding on types of business organization and helped to analyze the understanding level of students
