This MOU supersedes all previous correspondence and discussions and understanding and agreement between the two parties on the subject pertaining to this MOU.

Now therefore in consideration of the premises and mutual covenants hereinafter contained, the parties hereto agree as follows:

1.0 SCOPE OF THE MOU:

The MOU details the terms and conditions, financial arrangements, modalities of collaborations, responsibilities and obligations of RIT and IWS pertaining to conducting Credit courses by IWS as part of the curriculum as value added courses at Rajapalayam premises of RIT. IWS and RIT will offer the following three credit courses as value added courses of RIT for UG students in Mechanical Engineering.

1. Welding process - 1 credit
2. Welding Engineering - 1 credit
3. Weldability of materials - 1 credit

2.0 RESOURCES:

RIT is offering UG courses in Engineering and recognized as an AICTE approved and Anna University affiliated Institution and NAAC Accredited College. RIT will enroll students for the credit courses in each semester. No. of hours for each credit course will be 15 – 20 hours. The syllabus for each course is furnished in Annexure I of this MOU. For each course the student should submit one assignment and undergo one continuous assessment test. IWS will depute expert faculty for conducting the lecture classes on Saturdays. Upon successful completion of the credit course, internal assessment and examination, the candidates will be issued a joint certificate by RIT & IWS.

3.0 FINANCIAL ARRANGEMENTS:

RIT is authorized to fix the course fee (optional for internal candidates) and collect the same from the participants of the credit course. The course fee should be inclusive of all other fees applicable to the course viz. exam fee, special fee, etc. and RIT will collect the fee directly or through its assigned agencies.

The expenses for travel, accommodation and honorarium for resource person shall be borne by RIT and IWS will not have any share in that.

On completion of each credit course RIT will pay the following amount for each student to IWS as license fee, which means course registration amount paid by the registered students.

- Rs. 400/- for each student per course (if more than 30 students registered)
- Rs. 500/- for each student per course (if less than or equal to 30 students registered)

4.0 OBLIGATIONS OF RIT

- 4.1 RIT will ensure the basic knowledge in welding for the students who are desirous to get enrolled for the credit courses.
- 4.2 RIT will enroll students for the course. The students should be made as student members of IWS.
- 4.3 RIT will provide honorarium, travel, local travel and stay arrangement for visiting faculty. The travel fare will be subjected to 2nd AC fare from the point of origin of the faculty to Rajapalayam. Between Rajapalayam and college premises, RIT will provide local transport.
- 4.4 RIT will distribute the soft copy of the course material provided by IWS to the registered students only.
- 4.5 RIT will conduct the examinations and evaluate the answer papers. RIT will ensure one assignment, one continuous assessment test and end semester examination for each course as per the question paper with scheme of evaluation provided by IWS. RIT will evaluate the answer scripts and accord marks to the students.
- 4.6 On successful passing of the course, RIT will issue certificates to the students in which IWS authorized person will be a signatory.
- 4.7 RIT will pay course fee collected from the interested registered students to IWS on completion of each course as mentioned in section 3.0.

5.0 OBLIGATIONS OF IWS:

- 5.1 IWS shall provide the necessary syllabus and prepare course material as soft copy. This will be the property of IWS and should be used only with the written permission from IWS HQ.
- 5.2 IWS will identify expert faculty to handle the classes preferably from Tiruchy, Madurai, Chennai, Bengaluru and Coimbatore.
- 5.3 IWS will prepare question papers for assignment, continuous assessment test and for end semester examinations with scheme of evaluation.
- 5.4 IWS reserves its right to visit RIT to audit or inspect at any time to ensure the competency.
- 5.5 Hon. Secretary of IWS will be the signatory for the joint certificate by IWS and RIT.
- 5.6 IWS will update the syllabus once in 2 years based on industrial needs and technological developments.
- 5.7 Initially, IWS HQ will coordinate the activities related to the courses for a period of four years and then the same will be handled by IWS Zone.

6.0 LIABILITY:

- 6.1 In the event of any loss or damage arising by conducting the course, no liability would be incurred by IWS for such loss or damage.

12-18

[Handwritten signature]

7.0 ESSENTIAL CONDITIONS of MOU:

7.1 This MOU solely is for conducting the following credit courses

1. Welding process - 1 credit
2. Welding Engineering - 1 credit
3. Weldability of materials - 1 credit

The above courses would be conducted by RIT at its Rajapalayam premises for the scope of work under para 1.0.

Hence in no event and under no circumstances shall IWS be liable for any losses, damages, liabilities, claims etc., of whatever nature or kind of legal action from anyone in this regard, arising out / by reason of this MOU.

8.0 VALIDITY & EXTENSION OF MOU:

8.1 The MOU is valid for a period of **60 months** from the date of signing it. It can be extended from time to time based on mutually agreed terms and conditions, prior to the expiry of validity of the MOU.

9.0 SETTLEMENT OF DISPUTES, IF ANY

9.1 If any dispute or controversy or claim of any kind whatsoever ("Dispute") arises between the parties in connection with or relating to or arising out of the MoU, the Dispute shall be resolved through arbitration in accordance with the Arbitration and Conciliation Act of 1996 and amendments thereto from time to time. The tribunal of Arbitration shall consist of three arbiters wherein each party will appoint an arbitrator and the appointed arbitrator shall appoint the third arbitrator through mutual consent. The award of arbitrator shall be final and binding upon the parties hereto. The venue of the arbitration shall be at Rajapalayam, India. The language of such arbitration proceeding(s) including documentation shall be in English language only.

9.2 The MOU is not exclusive for both the parties. Both can have similar arrangements with any other organisation, by giving prior written intimation to the other party.

10.0 OTHER TERMS & TERMINATION OF MOU:

10.1 The MOU can be terminated by either of the party before the expiry of its validity by giving 3 months notice if the other party fails to deliver its obligations within a reasonable period from the date on which the deliverable is due. On termination of the MOU, the rights to conduct the courses will be ceased and RIT has to discontinue the practice of conducting these courses.

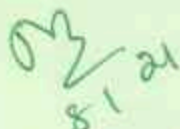

10.2 Further the MOU can be terminated by the mutual consent of the both parties.

8/12

[Handwritten signature]

- 10.3 The Parties have executed and signed this agreement out of their own free will and consent without any undue pressure, coercion, inducement or misrepresentation etc. of any kind whatsoever.
- 10.4 This MOU shall be subject to the laws of India and shall be subject to the jurisdiction of courts at Tiruchirappalli, India.
- 10.5 In witness whereof, the parties hereto have caused this Memorandum of Understanding to be executed by their representatives in duplicate, each party retaining thereof respectively.
