MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 05th day of - June 2024

BETWEEN

Ramco Institute of Technology, North Venganallur Village, Rajapalayam - 626 117, Virudhunagar District, Tamil Nadu, the First Party represented herein by its Head of the Institution Principal (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

M/S, Kriatec Services Private Limited, an organization, with registered office at S1(Second Floor), New No.12, Old No.46, Lake View Street (Erikkarai Street), Near Water Tank, Adambakkam, Chennai -600 088 hereinafter to be referred to as "Party 2", duly represented by Mr.AjithaPrabu.G , Director. (hereinafter referred to as "Second Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

03
5624

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

A) First Party is a Higher Educational Institution named:

Name of Institution: Ramco Institute of Technology

Ramco Institute of Technology, (RIT) promoted by Raja Charity Trust, was established during the academic year 2013-14. It is fully supported by the Ramco Group to create quality Engineers for future needs. The Institution is approved by AICTE and is affiliated to Anna University, Chennai. Currently, RIT offers 4-year undergraduate Engineering programmes namely Artificial Intelligence and Data Science, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering and Mechanical Engineering, and plans to offer new Under Graduate and research programmes in Engineering and science. The overall management of the Institution is vested with the Governing Council under the able leadership of Shri. P.R. Venketrama Raja, Chairman, RAMCO Group of Industries. The Advisory Committee of the Institute is headed by Prof. M.S. Ananth, former Director of IIT Madras and is ably supported by leading Professors of IIT Madras, Prof.M.S.Palanichamy, former Vice-Chancellor of Tamil Nadu Open University and other prominent academicians. The Advisory Committee plays a vital role in recruiting the best faculty, training them, promoting innovative teaching and encouraging research.

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to co-operate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

E) **M/s. Kriatec Services Private Limited, Chennai, India**

Kriatec Services Private Limited has been established by Top Notching

03
5624

Industry Professionals to make the Cost Saving Techniques and Benefits available to the Industries through Software Products, In-Process Probes, Cutting Tools and Consultancy Services in CNC Manufacturing Applications. Kriatec Services understood the need for seamless integration between Virtual CNC Machining Software – Edgecam, U.K, Cutting Tools, Fixture / Gauge Design and Readymade Trained Engineers availability for immediate employment for Mechanical Engineering Stream. Kriatec Services (P) Ltd offers Industry based Skill Development Program to Educational Institutes for Readymade Engineers availability to the various core Mechanical Industries.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CO-OPERATION

- 1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institution** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

M
5624

SCOPE OF THE MoU

- NEAT aims to bring the best technological Products in education pedagogy on a single platform for the convenience of learners. Technology Products using Artificial Intelligence for customized learning or e-content in niche areas having highly employable skills would be identified for showcasing on the portal. Under the National Educational Alliance for Technology (NEAT), the best technological solutions in education technology for enhancing the employability of the youth, adaptive and personalized learning, experiences for better learning outcomes, skill development in niche areas related solutions/ products, evaluated by AICTE and offered by Ed-Tech companies would be brought under a common platform with a scheme to offer these solutions as per their pricing policy for student community.
- AICTE is the Implementation Agency for the NEAT scheme for better learning outcomes in education through Public-Private Partnerships, which would identify the Ed-Tech Companies, whose products would be brought under the NEAT scheme for the benefit of students of our country and free coupons will be distributed to meritorious economically and socially weaker students and especially in remote areas.
- Institute/EdTech Company should not make it compulsory for all the students of a college to purchase a particular product. Students should not be forced to take a paid course.
- Ed-Tech Company and the institute may create awareness to all the students about the course for empowering them and creating better employability.
- Institute may ask all the students to take a particular course for empowering them and creating better employability, provided the institute bears the cost of the course from their own resources, without charging any fee from the student. Also, a copy of the circular sent to all the students for this purpose should be submitted to AICTE. However, such courses cannot be complete outsourcing of a program, but add-on courses for better employability.
- Institute would pay the fee of course(s) to the Ed Tech Company as per company's payment policy.
- Institute/EdTech Company would provide the detailed list of students/leaners in given format to the AICTE.

03
5624

- Institute would share the payment receipt to AICTE after purchasing the course(s)/Product(s)/Solution(s) from EdTech Company.
- Institute will nominate a coordinator for this agreement and coordinator will also take the consent, feedback from end users and same should be shared with AICTE. Institute coordinator will monitor the grievances raised by the students/learners.
- All the terms and condition of MoU signed between AICTE and EdTech company are by default applicable to EdTech Company and Institute

Proposed Activities under the Agreement:

Collaborations to enrich the practices of Teaching-Learning and employability of the students of the institution. To promote the above both organizations came forward to collaborate in producing employable Mechanical Engineering Graduates.

Both the organizations agreed to collaborate on the following aspects.

- To undertake various skills Development On-line training courses of prominent and latest technologies for Mechanical Engineering Students. To share and develop the various skill sets based on Students' interest related to various unforeseen Core Mechanical Industries Department like Production Engineering, Quality, and Vendor Development apart from Product Design / R & D and Production department
 - GD&T-Geometric Dimensions& Tolerance- AICTE Evaluated Course
 - Fixture Design -AICTE Evaluated Course
- The Course fees, other fees such as Portal access fees and any other fees would be finalized by both parties before the commencement of the course.
- Party 1 and Party 2 should jointly launch the "Online Student's Skill Development courses created with the intention to train the students of RIT.
- AICTE evaluated certification for the GD &T and Fixture Design will be issued by the Party2. All other course certificates will be issued by Party 1 jointly with Party 2 to each successful candidate.
- Student registered under this programme, will get a unique LOGIN & Password for accessing the Online Student Portal. The LOGIN will be Valid for the duration of One Year (12 Months). LOGIN will be issued by Party2.

Handwritten signature and date 5/6/24

- At the end of each Major Topic, students are supposed to undergo 2 types of tests:
 - Subjective Type Tests
 - Objective Type Tests
- Party 1 shall provide Party 2 with the detailed information about enrolled / potential student's email ids & mobile number.
- Registered Students can access the Portal for unlimited hours and are eligible to get online support from Party 2.
- Responsibility for maintaining the portal and Support to students' queries will be with Party 2. ensures an online support text box for each topic, allowing professionals to seek assistance or clarification whenever required. Additionally, the platform offers high-quality video streaming of live industry examples, enabling learners to witness the application of concepts in real-world scenarios, further enhancing their understanding.
- Sending communication on a regular basis to students will be a responsibility of Party 2.

Term and termination

1. This Agreement will be in force for the period of 3 years with effect from the date of execution and it may be renewed thereafter, in writing, on mutual consent of the parties hereto. No separate notice is required to terminate the MOU after its expiry. ("Start Date: 23rd February 2024 and End Date: 22nd February 2027").
2. Each Party is entitled to terminate this Agreement by written notice sent by registered mail with a notice period of 90 days.
3. This Agreement shall be governed in accordance with the laws of India. The Parties agree that they shall in good faith work towards implementation of this Agreement and any dispute arising out of or in relation to this Agreement shall be first attempted to be resolved amicably by mutual negotiations, failing which such dispute shall be referred to Arbitration of a sole arbitrator to be conducted in accordance with the Indian Arbitration and Conciliation Act, 1996 and the rules there under, as amended from time to time. The decision of such arbitrator/s shall be final, binding and conclusive on the Parties. The place of arbitration shall be Salem and the language used in the arbitral proceedings shall be English.
