RAMCO INSTITUTE OF TECHNOLOGY

COLLEGE VISION

To evolve as an Institute of international repute in offering high-quality technical education, Research and extension programmes in order to create knowledgeable, professionally competent and skilled Engineers and Technologists capable of working in multi-disciplinary environment to cater to the societal needs.

COLLEGE MISSION

To accomplish its unique vision, the Institute has a far-reaching mission that aims:

- To offer higher education in Engineering and Technology with highest level of quality, Professionalism and ethical standards
- To equip the students with up-to-date knowledge in cutting-edge technologies, wisdom, creativity and passion for innovation, and life-long learning skills
- To constantly motivate and involve the students and faculty members in the education process for continuously improving their performance to achieve excellence.

DEPARTMENT OF MECHANICAL ENGINEERING

VISION

Recognized nationally for its quality education, research and extension programmes in Mechanical Engineering

MISSION

- Producing technically competent and socially responsible mechanical engineers by imparting knowledge of cutting edge technologies and contemporary issues.
- Encouraging students for active participation in Co-curricular and Extra-curricular activities.
- Motivate students to pursue higher studies and research.
- Establish centres of excellence in promising fields of Mechanical Engineering.
- Develop linkages with industries, R&D organizations and leading educational institutions in India and abroad for achieving excellence in teaching, research and consultancy activities.

EDITORIAL DESK

I am Happy to inform you that as part of our department's technical association activities, we wish to release, from this academic year (2014-15), our yearly magazine which highlights both the academic and non-academic activities of the students and the staff of our department.

In the beginning of the academic year, the annual plan of the association was prepared and the approval was obtained from the principal. The plan implicitly incorporated all the curricular, co-curricular & extra-curricular activities of the department and was allowed meticulously without any deviation.

I am sure that publishing a magazine of this kind containing the achievements of the students and faculty members will be a good recognition for them. I wish them all the very best for their future endeavours.

INASGURATION

The Technical Association of the department of Mechanical Engineering, was inaugurated on 02.08.2014 at 3.30 p.m in the ECE Seminar Hall. Dr.S.Rajakarunakaran, Professor/ Head welcomed the gathering. Mr.J.Jerold John Britto, AP/Mech Faculty advisor (RIT-AME) presented the annual plan of the association.

Releasing of logo -- "RIT- MechaniZo"

Dr.R.V.Mahendra Gowda, The Principal of the institution presided over the function and addressed the gathering. He emphasized the importance and application of the bloom's taxonomy in technical education. He also encouraged the students to design an innovative model car at the end of the pre-final year. Mr.T.Kumaresan, General Manager Sales and Service, TVS & Sons Ltd, Madurai, was the chief guest of the inaugural function. In his address, he that there are ample opportunities with the good packages in manufacturing and automobile sectors. He also clearly explained the various skills required for mechanical engineers. The name of the association, i.e. "MechaniZo" and the logo which was created by Mr.S.Vaikundam and Mr.R.Gokul Krishna of the II year Mechanical Engineering were released by the chief guest. Mr.R.Cibi Raj of II year Mechanical Engineering proposed the vote of thanks.

PROGRAMME ORGANIZED

ORIENTATION PROGRAMME

An Orientation Programme for first year mechanical engineering students was held on 06.08.2014 at 11.00 a.m.

The HOD introduced the speakers to the students. Mr.C.A.Karthikeyan of II year mechanical engineering gave a brief explanation about engineering and how it differs from science and technology.

Orientation programme for first year students

“Scientists think and dream about dream great things but the engineers do that”

Mr.M.B.Vyas Narayana of II year mechanical engineering explained the scope and applications of mechanical engineering in different sectors such as Civil, Aerospace, Textile etc.. Mr.Thyvilakathu Abin Baby of II year mechanical engineering highlighted the importance of communication skills emphasising on Business writing, Technical writing, Public speaking and Technical presentation. Mr.Ganapathy Subramanian addressed the students on future career options for mechanical engineers. An Interactive session was handled by Mr.paramasivam of II year mechanical engineering. Mr.R.Gokul Krishna briefed about the mechanical engineering association and the activities planned for the academic year.

GUEST LECTURE

An Expert lecture was organized on 09.08.2014 at 11.00 a.m in our seminar hall. Dr.P.Rajesh kanna, professor/Department of mechanical engineering, Velammal College of Engineering and Technology, Madurai was the resource person.

In his Lecture he covered topics such as Thermodynamics, Heat and Mass Transfer, Fluid Dynamics, Refrigeration and Air Conditioning etc..

Expert Lecture by Dr.P.Rajesh Kanna

During the Interactive session Mr.M.Karthick Gowtham & Mr.T.Madasamy got prized for their best Performance in

TECHNICAL PRESENTATION

A Technical Presentation was conducted on 06.09.2014. This event mainly focussed on the sharing of technical knowledge gained by students who had already participated in various events at IIT, Madras.

The Following students namely, Mr.K.Gopinath, Mr. J.Mohammed Jassim, Mr.G.Nandha Kumar, Mr.S.Mohammed Mustafa, Mr.T.Madasamy, Mr.M.Murugesan, Mr.M.Karthick Gowtham, Mr.M.B.Vyas Narayana, shared their knowledge in the topics such as Metal Casting Process, Aluminium in rockets, Meta Fluorscence and Methodology to complete the Rubik cube by experiment.

TECHNICAL TALK

Technical Talk by our students

To Improve presentation and communication skills of our students, each of the students make presentation on a topic of their interest. The first 10 minutes of the day would start with the presentation.

The presentation would be properly assessed using the Rubrics by a peer team and the Class advisor.

These activities makes the diamond of MechaniZo sharper and brilliant

Based on the evaluation report, the class advisor will give the feedback and suggestions to the students for their presentation and Communication Skills.

TECHNICAL PUZZLES

Organizers in the "Finale"

ORGANIZING COMMITTEE :

Mr.J.Jerold John Britto AP/Mech
 Mr.G.Arockiaraj AP/Mech
 Mr.R.Cibi Raj Ilyear/Mech
 Mr.Maguluri Akhil Ilyear/mech
 Mr.M.B.Vyas Narayana Ilyear/Mech
 Mr.G.Nandha Kumar Ilyear/Mech

A Technical Puzzle was conducted to test the technical skills, of the students. There were two rounds was held on 14.08.2014 in the classroom for all the students, out of which 12 students were selected. They participated in the final round which was scheduled on 16.08.2014.

The participants interacting in the "Finale"

WINNERS

Mr.J.Mohammed Jassim
Mr.M.R. Vishnu Shankar
Mr.D.Ganapathy Subramaniam
Mr.R.Paramasivam

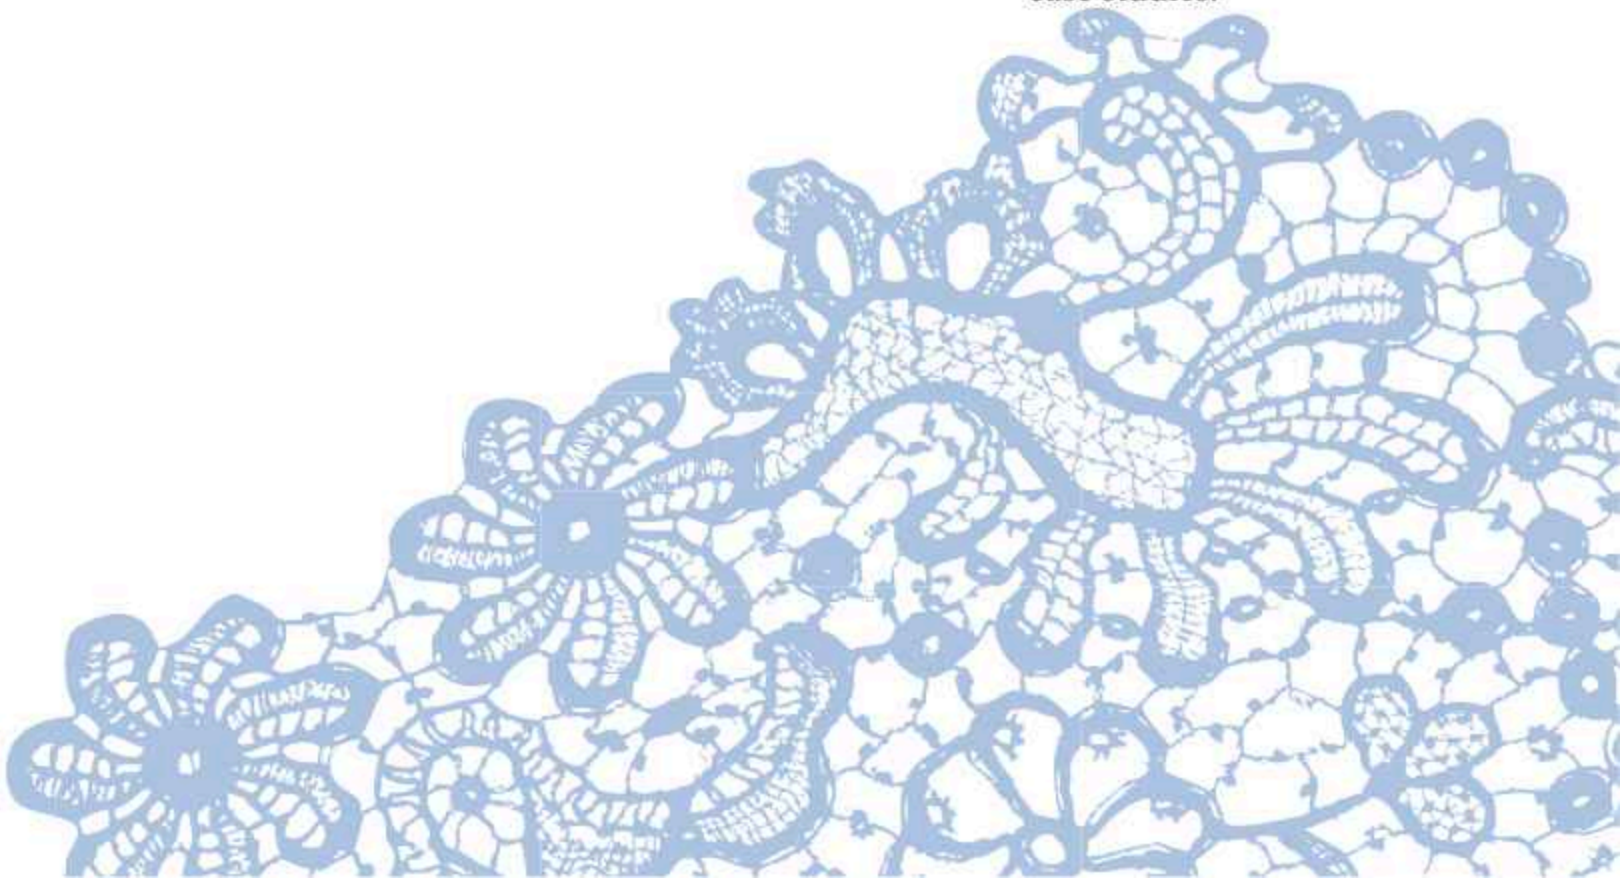

EXPERT LECTURE

An Expert Lecture on, “Latest Trends in Manufacturing with Software Demonstration” was arranged on 21.02.2015. The experts invited were Mr. G. Ajitha Prabhu, Director, Mr. N. Mohanraj, Technical Manager, Kriatec Services, Coimbatore.

Mr. Ajitha Prabhu talked of the emerging trends that will impact 21st century manufacturing around the global. He also shared about the manufacturing sector.

Mr. N. Mohanraj, The technical Head, explained and demonstrated the manufacturing simulation software with real time case studies.

IPR AWARENESS PROGRAMME

IPR Awareness programme was organised to enhance the innovative and intellectual skills of our students and faculty members. The topics discussed in this programme are IPR, Business Competitiveness, Patents, Trademarks and Copyrights.

The resource person for this program was Shri.P.Balamurugan, Assistant Controller of patents and Designs, Chennai. This Programme was Organized on August 23,2014.

STUDENTS PARTICIPATION / ACHIEVEMENTS

Co & Extra-Curricular Activities

S.Vaikundam, G.Selvamani, D.Rajasekar and G.Radhakrishnan, II Year Mechanical Engineering participated in Ethical Hacking Workshop-cum-Championship conducted as a part of HACKERHUNT 2015 in Association with Ramco Institute of Technology by AIESEC Delhi IIT and Tech Bharat on 24 and 25th July, 2014.

K.SunilKumar, R.Paramasivam, V.Subramanian, S.PradeepKumar, M.B.Vyas Narayanan, M.Muthu Surendar, D.GaneshRam, C.A.Karthikeyan, D.Ganapathi Subramanian, II Year Mechanical Engineering attended IC Engine Workshop in DXM 11 held at Velammal Engineering College, Chennai on 9th August, 2014.

T.Madasamy, K.Gopinath, G.NandhaKumar, J.Mohammed Jassim, II year Mechanical Engineering Participated in AMALGAM 2014 conducted by Department of Metallurgical and Material Engineering, IIT Madras on 23rd August, 2014.

S.Pradeep Kumar, S.Balaji, II Year Mechanical Engineering participated in the Table Tennis Tournament conducted by Anna University, Tirunelveli on 23rd August, 2014.

R.Ebanesther, M.Murugesan, M.Abinav Kumar, II Year Mechanical Engineering participated in the Blood donation camp organized by National Service Scheme, Ramco Institute of Technology on 23rd August, 2014.

Thyvilakathu Abin Baby, V.Subramanian, K.Sunil Kumar, R.Vineeth Kumar, S.Pradeep Kumar, II Year Mechanical Engineering participated in the National level Technical Symposium “MEKMAVERIK’14” on 23rd September, 2014 organized by Mechanical Engineering Association, Infant Jesus College of Engineering & Technology, Thoothukudi.

S.Vaikundam, M.SathishKumar, M.Saravanakumar, B.Ramkumar, B.Muthu Ganesh, R.Gokul Krishna, R.Ganga Prasad, R.Cibi Raj, II Year Mechanical Engineering participated in various events, workshop at graVITas’14, an International knowledge carnival held between 26th-28th September 2014, at VIT University Vellore.

M.R.VishnuSankar, A.DivagarPandiyan, P.Chilambarasan, K.Gopalakrishnan, II year Mechanical Engineering attended workshop on 3D printing held as a part of MEXPLODE V3.0 a National level Technical Symposium organized by the Department of Mechanical Engineering, Sri Krishna College of Engineering and Technology, Coimbatore on 27th September 2014.

C.Ilangathir, Maguluri Akhil, J Mohammed Jassim, R.Paramasivam, II Year Mechanical Engineering participated in SRISHTI 2014, Technical Symposium organized by PSG College of Technology, Coimbatore between 27th and 28th September, 2014.

S.Pradeep Kumar and G.Radhakrishnan, II Year Mechanical Engineering participated in the event Product Development Workshop “Shaastra 2015” organized by IIT Madras on 2-6th January 2015.

Maguluri Akhil and S.Mohamed Mustafa, II Year Mechanical Engineering participated in “ISTE Srinivasa Ramanujan Mathematical Competitions 2014-15” (Zonal Level) organized by MEPCO Schelank Engineering College, Sivakasi on 9th January 2015.

B.Vengalabothi, K.Venkatesh, K.Sunil Kumar, S.Charles Benedict, R.Ramesh and G.Nandhakumar, II Year Mechanical Engineering, **P.Esakki Raja, S.Binu Sam, R.Dinesh Kumar, P.Jeya Yogeshwaran and R.Kowsiga Gopal,** I Year ‘A’ Section Mechanical Engineering, **S.Selvakumar, S.Raghu Balan, R.Sankar Ram, G.Ravi Kumar and A.Surya,** I Year ‘B’ Section Mechanical Engineering participated in the one day workshop on “CRYOGENIC ENGINE” organized by Department of Mechanical Engineering, Coimbatore Institute of Technology on 22nd January, 2015.

I.Jeneston Joshwa, G.Nandha Kumar, S.Pradeep Kumar and E.Praveen Kumar, II Year Mechanical Engineering students participated in the event “ROBO RACING” in Sri Krishna College of Engineering and Technology, Coimbatore on 6th February, 2015.

S.Vaikundam, M.Murugesan, G.Radha Krishnan, M.Karthick Gowtham, D.Rajasekar and M.Selva Ganesh, II Year Mechanical Engineering, **A.Jeganathan, M.Manickaraj, R.Prem Kumar and R.Ajith Kumar,** I Year ‘A’ Mechanical Engineering students, **P.Selvam, G.Selvaraj, R.Sri Ram Mohan and P.G.Suresh Kumar,** I Year ‘B’ Mechanical Engineering students participated in “Gyan Mitra’15”, a National Level Techno- Management Symposium organised by Mepco Schlenk Engineering College, Sivakasi on 20th and 21th February, 2015.

M.SelvaGanesh, N.SureshKrishnan, II Year Mechanical Engineering participated in Water Rocketry event YANTRIKA’15 on 20th February, 2015 organized by Mechanical Engineering of Fathima Michael College of Engineering, Madurai.

Maguluri Akhil, M.Saravanakumar, R.Paramasivam, C.Ilangathir and J.Mohammed Jassim, II Year Mechanical Engineering students participated in the event “anokha 2015” a National Level Technical Festival held between 5th to 7th March, 2015 at Amrita School of Engineering, Coimbatore.

A Two day National Conference on Innovations in Engineering, Sciences & Technology (NCIEST-2015) was organized at Ramco Institute of Technology on 06th & 07.03.2015, **Top 12 students** of I & II Year Mechanical Engineering students participated.

D.Ganapathy Subramanian, M.Bala Ganesan, M.Saravana Kumar, M.Muthu Surendar and K.Mahesh Kumar, II Year Mechanical Engineering, **R.Ajith Kumar, K.Balaji, A.Karuppasamy, M.Manicka Raj, K.Karthick, M.Karthick, R.Prem Kumar, G.Gokul Prasath, N.Jaya Prakash and M.Praveen Kumar**, I Year ‘A’ Mechanical Engineering, **S.Raghu Balan, B.Raghu Ram, R.Ragul Raja, K.Rajah Dharmalingam, G.V.Ram Shankar, R.Sankar Ram, A.Surya, R.Vignesh Kumar, R.Sujith Balaji, B.Sibish Ragul, A.Shanmuga Raja, G.Sivaramakrishnan, M.Suresh Kumar and I.Sivabaskara Pandian**, I Year ‘B’ Mechanical Engineering students participated in Blood Donation camp organized by Tamilnadu State Aids Control Society & Tamilnadu State Blood Transfusion Council and Ramco Institute of Technology on 19th March, 2015.

M.Sathish Kumar, V.Subramanian, K.Venkatesh and M.B.Vyas Narayana II Year Mechanical Engineering, **M.Ashok Kumar, P.Harish, S.Hassan Bajil, S.Manoj Kumar, K.Manikandan, M.Mathan Kumar and M.Nijanthan**, I Year ‘A’ Mechanical Engineering, **M.Subash, B.Safuideen, Subramaniam Dinesh Kumar, K.G.Subba Raja and K.Veeraragavan**, I Year ‘B’ Mechanical Engineering students participated in Auto Synergy - Workshop held during “Pinnacle 2015” at College of Engineering Guindy, Anna University from 19th March to 21st March, 2015.

C.Ilangathir, R.Paramasivam, Maguluri Akhil and J.Mohammed Jassim II Year Mechanical Engineering students secured **II prize** in the event “PROTOTYPE MODELING”, **C.Ilangathir, J.Mohammed Jassim** II Year Mechanical Engineering students secured **II prize** in the event “AUTO QUIZ” took place in the 11th National Level Technical Symposium, AGNI 2015 held on 19th & 20th March 2015 organized by Department of Automobile Engineering, Institute of Road and Transport Technology, Erode.

C.Ilangathir, R.Paramasivam, Maguluri Akhil and J.Mohammed Jassim II Year Mechanical Engineering students won **II prize** in the event “RC Racing” conducted as a part of “MEKCHAT 15.0” during 19th & 20th March, 2015 organized by Department of Mechanical Engineering, Society of Mechanical Engineers, Government College of Engineering, Salem.

B.Vengalabothi, M.R.Vishnu Sankar II Year Mechanical Engineering Students Participated in a two day National Level Workshop on “Recent Advances in Machining” at Kalasalingam University on 20th & 21st March, 2015.

S.Gowtham Raj, N.Harish Kumar, G.K.Harish Kumar, A.Karuppasamy, S.Nirmal Kumar and T.Palani Bharathi, I Year ‘A’ Mechanical Engineering, **A.Shanmuga Raja, R.Surya. S.Sanju, D.Vignesh and M.Vignesh,** I Year ‘B’ Mechanical Engineering students participated in a one day Workshop on “Recent Welding Technologies and NDT” conducted by Department of Production Engineering in association with Indian Welding Society on 24th March, 2015.

A.I.Jeneston Joshwa, S.Mahammed Mustafa and K.Sangilidasan, II Year Mechanical Engineering, presented a project entitled “Four Wheel Steering”, **R.Ajay Balaji, R.Ajith Kumar,** I Year ‘A’ Mechanical Engineering, presented a project entitled “Hydraulic Arm and Htdraulic Jack”, **B.Raghu Ram, R.Sankar Ram,** presented a project entitled “GSM based LPG Gas Leakage Detector” **D.Siva Ganesh, A.Surya,** presented a project entitled “Hydraulic pending Machine”, **S.R.Siva Sankari,** presented a project entitled “Hybrid Pump” I Year ‘B’ Mechanical Engineering students participated in State Level Mini Project Contest- M/C 2015 conducted on 25th March, 2015 organized by the Department of Mechanical Engineering, Velammal College of Engineering and Technology, Madurai.

K.Balaji, B.Dinesh Kumar, G.Gokul Prasath, M.Karthick, K.T.Mohamed Mushammil and P.Mahan Raj, I Year Mechanical Engineering ‘A’ section , **M.Suresh Kumar, M.Vaira Muthu, M.Venkatesh, N.Vishnu Sankar and G.Vivek Kannan,** I Year Mechanical Engineering ‘B’ section students participated in the One day National Workshop on “Research Aspects in Composite Materials and Welding Technology” as part of the National Conference on “Advances in Design and Manufacturing of Mechanical Systems- ADAMMS” on 26th & 27th March 2015 at Sri Krishna College of Engineering and Technology, Coimbatore.

PAPERS PRESENTED IN SYMPOSIUM / SEMINAR/ CONFERENCE BY STUDENTS

K.Sunil Kumar , V.Subramanian, “Magenetic Levitation Train”, National Level Technical Symposium “MEKMAVERIK’14” organized by Mechanical Engineering Association, Infant Jesus College of Engineering & Technology, Thoothukudi on 23rd September, 2014.

S.Vineeth Kumar, “The Starddling Bus”, National Level Technical Symposium “MEKMAVERIK’14” organized by Mechanical Engineering Association, Infant Jesus College of Engineering & Technology, Thoothukudi on 23rd September, 2014.

Thyvilakathu Abin Baby, S.Pradeep Kumar, “ Electro Magnetic Braking System”, National Level Technical Symposium “MEKMAVERIK’14” organized by Mechanical Engineering Association, Infant Jesus College of Engineering & Technology, Thoothukudi on 23rd September, 2014.

M.B.Vyas Narayanan, Thyvilakathu Abin Baby, “Nuclear Ice Breakers”, Two days National Conference an Innovations in Engineering, Sciences & Technology (NCIEST-2015) organized by Ramco Institute of Technology, Rajapalayam on 06th & 07th March, 2015.

M.Vigneshwar, “Science and Technology” Two days National Conference on Innovations in Engineering, Sciences & Technology (NCIEST-2015) organized by Ramco Institute of Technology, Rajapalayam on 06th & 07th March, 2015.

LIST OF STUDENT'S PROJECTS IN NATIONAL SCIENCE DAY

II Year Mechanical Engineering :

- » Fixed Gear Bicycle
- » Black Line Follower
- » Mini Lathe
- » Mechanical Spider
- » Injection System
- » Stamping Machine
- » Tree Climbing Robot
- » Vaccum Cleaning Robot
- » Agrobot
- » Photo Receptor Light
- » Four Wheel Steering
- » Differential Steering
- » Ultrasonic Radar
- » Object Dectector
- » Mobile Charging by Wind Energy
- » Semi-Automatic Black Board Cleaner
- » All Terrain Wheel Assembly
- » Hydraulic arm car model Robotics (Automated Machine) models
- » Obstacle Avoiding Robot Water jet Rocket

Our principle and chief-guest sharing their ideas with our young engineers

Our students explaining to the school students

I Year Mechanical Engineering (A Section) :

- » Wireless Remote Controlled Car
- » Long Range Remote Control For IR Sensor for Industrial Application
- » Extracting Energy from Sea Water for Vehicles
- » Coconut Husk Remover
- » Homemade A/C
- » Automated Car Parking
- » Pipe Inspection Robot
- » Hydrogen Fuel Cell
- » Intelligent Street Light
- » Hydraulic Arm and Hydraulic Jack

I Year Mechanical Engineering (B Section) :

- » Useful Devices using Magnets
- » Coin based mobile phone charger
- » Solar Car
- » Line Follower robot with IR
- » Perpetual magnetic Generator
- » PIR Sensor arduino alarm
- » Process of Reverse-osmosis
- » Natural Air Conditioner (Replacement of AC)
- » LPG leakage detect
- » Hydraulic Bending Machine

IN-PLANT TRAINING

Our Students under went in-plant training during the semester holidays in the following industries :

- » HI-Tech Arai Pvt.Ltd, Madurai.
- » FENNER (India) Ltd, Madurai.
- » IP Rings Ltd, Kancheepuram.
- » TVS Sricjallra Ltd, Madurai.
- » Aruna Alloy Steels Pvt Ltd, Madurai.
- » Ramco Cements Ltd, Jayanthipuram.
- » Ramco Cements Ltd, Thulukkapatti (Po), Virudhunagar.
- » Ilgin Automotive Pvt Ltd, Chennai.
- » SAARC Tool Tech Pvt Ltd, Coimbatore.
- » Lakshmi Machine Works Ltd, Coimbatore.
- » Tuticorin Thermal Power Station, Tuticorin.

FACULTY PARTICIPATIONS/ ACHIEVEMENTS

Mr.G.Arockia Raja participated in UGC sponsored National Workshop on “Recent Research Trends in Manufacturing Engineering” on 10th and 11th October 2014 at Department of Manufacturing Engineering (DoME), College of Engineering Guindy, Anna University, Chennai.

Mr.J.Jerold John Britto participated in the Short Term Training Programme on “Computed Aided Manufacturing & Coordinate Metrology” during 01st, 02nd & 03rd December 2014, held at Mepco Schlenk Engineering College, Sivakasi.

Mr.P.Suresh Kumar, delivered a lecture titled “Secrets begin success”, in the two day Internal Faculty Development Programme on “Introspection of Teaching Learning Process” conducted by RIT-QIC on 23rd and 30th December, 2014.

Mr.M.Lakshmanan, delivered a lecture titled “Role of Class Advisor”, in the two day Internal Faculty Development Programme on “Introspection of Teaching Learning Process” conducted by RIT-QIC on 23rd and 30th December, 2014.

Dr.S.Rajakarunakaran, delivered a lecture titled “Various Modes of Content Delivery”, in the two day Internal Faculty Development Programme on “Introspection of Teaching Learning Process” conducted by RIT-QIC on 23rd and 30th December, 2014.

Mr.P.Suresh Kumar participated in the two day seminar on “Advances in Industrial Tribology” (AINT’15) on 11th&12th February, 2015 at National Engineering College, Kovilpatti.

A.Maniram Kumar, **Dr.S.Rajakarunakaran**, and V.A.Prabhu, presented a paper on “Analysis of human reliability by cognitive reliability and error analysis method (CREAM)”, Two day National Conference an Innovations in Engineering, Sciences & Technology (NCIEST-2015) organized by Ramco Institute of Technology, Rajapalayam on 06th & 07th March, 2015.

Dr.P.Pichipoo, D.S.Vincent, N.Rajini, and **Dr.S.Rajakarunakaran**, presented a paper on “Estimation of weights in multi criteria decision making problems - A comparative study”, Two day National Conference an Innovations in Engineering, Sciences & Technology (NCIEST-2015) organized by Ramco Institute of Technology, Rajapalayam on 06th & 07th March, 2015.

N.Thiyansewharan and **P.Suresh Kumar**, presented a paper titled “Study on Microstructure, Mechanical Properties Enhancement of Aluminum 5083 Alloy processed by ECAE”, in the Two day National Conference an Innovations in Engineering, Sciences & Technology (NCIEST-2015) organized by Ramco Institute of Technology, Rajapalayam on 06th & 07th March, 2015.

Dr.A.Vasanthanathan and **Mr. J.Jerold John Britto**, presented a paper on “Experimental Evaluation of Defect Identification in composite Structure using IR Thermography”, in the Two day National Conference an Innovations in Engineering, Sciences & Technology (NCIEST-2015) organized by Ramco Institute of Technology, Rajapalayam on 06th & 07th March, 2015.

Mr.G.Arockia Raja and **A.Razal Rose**, presented a paper titled “Microstructure and tensile properties of friction stir welded AZ61A magnesium alloy joints”, in the Two day National Conference on Innovations in Engineering, Sciences & Technology (NCIEST-2015) organized by Ramco Institute of Technology, Rajapalayam on 06th & 07th March, 2015.

Mrs.R.Kalaivani participated in a one day Workshop on “Solar Energy and Wind Energy” on 11th March, 2015 at Anna University, Tirunelveli Campus.
