

**RAMCO INSTITUTE OF TECHNOLOGY**

**Department of Mechanical Engineering**

**Faculty Online course details 2019-20(Odd Semester)**

| <b>SI. No.</b> | <b>Name of the Faculty member</b> | <b>Title of the Online Course</b>      | <b>Offering University</b> |
|----------------|-----------------------------------|----------------------------------------|----------------------------|
| 1.             | Dr.S.Rajakarunakaran              | Introduction to Differential equations | MITx                       |
| 2.             | Dr.P.Sureshkumar                  | Introduction to Differential equations | MITx                       |
| 3.             | Mr.M.Lakshmanan                   | Introduction to Differential equations | MITx                       |
| 4.             | Dr.V.Sivakumar                    | Introduction to Differential equations | MITx                       |
| 5.             | Dr.S.Godwin Barnabas              | Introduction to Differential equations | MITx                       |
| 6.             | Mr.J.Jerold John Britto           | Introduction to Differential equations | MITx                       |
| 7.             | Mr.S.Maharajan                    | Introduction to Differential equations | MITx                       |
| 8.             | Mr.M.Sivagaminathan @Balaji       | Introduction to Differential equations | MITx                       |
| 9.             | Mr.C.Gururaj                      | Introduction to Differential equations | MITx                       |

| SI. No. | Name of the Faculty member | Title of the Online Course                              | Offering University   |
|---------|----------------------------|---------------------------------------------------------|-----------------------|
| 10.     | Mr.M.Ashok Kumar           | Introduction to Differential equations                  | MITx                  |
| 11.     | Mr.S.Valai Ganesh          | Introduction to Differential equations                  | MITx                  |
|         |                            | Robotics                                                | IIT Kharagpur (NPTEL) |
|         |                            | Deep Learning with Python and PyTorch                   | IBM, edX              |
|         |                            | Programming for Everybody (Getting Started with Python) | MichiganX             |
|         |                            | LaTeX for Students, Engineers, and Scientists           | IIT Bombay            |
|         |                            | Python for Data Science                                 | IBM                   |
|         |                            | Deep Learning Fundamentals                              | IBM                   |
|         |                            | Deep Learning-13 Courses                                | GUVI                  |

| SI. No. | Name of the Faculty member | Title of the Online Course                                                                                                                                                                                                                                                                                                                                                                                                                                  | Offering University |
