

RAMCO INSTITUTE OF TECHNOLOGY
Department of Mechanical Engineering
Academic Year 2020 – 21

Ref.: RIT/Mech/PA&QIC/02

Date: 22.09.2020

Circular

The 2nd Program Assessment & Quality Improvement Committee Meeting to review the progress of Academic Year 2019-20 is planned on **26.09.2020 (Saturday)** from **4.00 PM to 5:30 PM** at Mechanical Seminar Hall. All PA&QIC Members and other Faculty Members are invited to attend the meeting. The agenda for the meeting is listed below,

Sl.No.	Topics to present	Faculty Incharge	Time
1	Review of Previous meeting (1 st PA&QIC)	Dr.P.Sureshkumar	04.00 – 04.05 PM
2	Teaching and Learning methods practiced	Mr. R. Arun Kumar	04.05 – 04.10 PM
3	Odd and Even Semester result analysis	Mr. M. Lakshmanan / Mr.T.Selva Sundar	04.10 – 04.15 PM
4	Assessment Methods, Attainment of Cos, POs, PSOs with program effectiveness	Mr. J. Jabinth / Mr.M.Sivagaminathan@Balaji	04.15 – 04.30 PM
5	Utilization of Virtual Laboratory	Mr. J. Jerold John Britto / Mr.R.Venkatesh	04.30 – 04.35 PM
6	Training and Placement Progress with Feedback from Recruiters & Employers	Mr. M. Santhana Maruthu Pandian	04.35 – 04.40 PM
7	Report on Professional Societies and RIT-Mechanizo (Program Activities and status)	Mr. S. Valaiganesh	04.40 – 04.45 PM
8	Internship & In-Plant Training report	Mr. L. Karthikeyan	04.45 – 04.50 PM
9	Students Participation in Co-Curricular and Extra-Curricular Activities	Mr. G. Praburam	04.50 – 04.55 PM
10	Faculty Participations	Mr. N. L. Sujin	04.55 – 05.00 PM
11	Project Proposals and research Publications	Dr.V.Sivakumar	05.00 – 05.05 PM
12	Establishment of Additional Laboratory	Mr.K.Amudhan	05.05 – 05.10 PM
13	EDC, IIC & Patents report	Mr.S.Vigneshwaran	05.10 – 05.15 PM
14	Documentation of Activities leading to quality Improvement	Dr.S.Godwin Barnabas	05.15 – 05.20 PM
15	Review of Stakeholders Feedback: Students/ Parents/ Alumni	Mr.C.Gururaj	05.20 – 05.25 PM
16	Any other matters		05.25 – 05.30 PM

Program Assessment and Quality Improvement Committee Meeting II

Date: 26.09.2020

S.No	Name of the Member	Position	Signature of the member
1	Dr.S.Rajakarunakaran, Professor and Head / Mechanical Engineering, Ramco Institute of Technology.	Convener	 26/9/20
2	Mr.S.Maharajan, Assistant Professor /Mechanical Department, Ramco Institute of Technology.	Member	 26/9/20
3	Mr.M.Ashok Kumar, Assistant Professor (SG)/Mechanical Department, Ramco Institute of Technology.	Member	 26/9/2020
4	Mr.R.Prabhakaran, Assistant Professor /Mechanical Department, Ramco Institute of Technology.	Member	 26/09/20
5	Mrs.R.Kalaimani, Assistant Professor /Civil Department, Ramco Institute of Technology.	Member	 26/9/2020
6	Mr.C.A.Yogaraja, Assistant Professor, Department of Computer Science and Engineering, Ramco Institute of Technology.	Member	—
7	Mr.A.Arun Kumar, Assistant Professor, Department of Electrical and Electronic Engineering, Ramco Institute of Technology.	Member	 26/9/2020
8	Mrs.R.Chitra, Assistant Professor, Department of Electronics and Communication Engineering, Ramco Institute of Technology.	Member	 26/09/2020
9	Dr.G.Selvaraj, Assistant Professor /Mathematics, Ramco Institute of Technology.	Member	 26/9/20

Convener / HOD-Mech

Academic Year 2020 – 2021

Report of the Minutes of Meeting – PAQIC - II

Date of Meeting: 26.09.2020 (Saturday)

Time of Meeting: 4:00 PM to 5:30 PM

Reference: RIT/Mech/PA&QIC/02

Members Present:

Sl. No.	Name of the Faculty Member	Designation	PAQIC
1.	Dr.S.Rajakarunakaran	Professor and Head / Mechanical	Convener
2.	Mr.M.Ashok Kumar	AP(SG) / Mechanical	Member
3.	Mr.S.Maharajan	Assistant Professor / Mechanical	Member
4.	Mr.R.Prabhakaran	Assistant Professor / Mechanical	Member
5.	Mrs.R.Kalaimani	Assistant Professor / Civil	Member
6.	Mrs.R.Chitra	Assistant Professor / ECE	Member
7.	Mr.A.Arunkumar	Assistant Professor / EEE	Member
8.	Dr.P.Selvaraj	Assistant Professor / Maths	Member
9.	Dr.P.Suresh Kumar	Associate Professor / Mechanical	Representative
10.	Dr.V.Sivakumar	Associate Professor / Mechanical	Representative
11.	Dr.S.Godwin Barnabas	Associate Professor / Mechanical	Representative
12.	Mr.J.Jerold John Britto	AP(SG) / Mechanical	Representative
13.	Mr.M.Sivagaminathan alias Balaji	Assistant Professor (SG)	Representative
14.	Mr.S.Valai Ganesh	AP / Mechanical	Representative
15.	Mr.C.Gururaj	AP(SG) / Mechanical	Representative
16.	Mr.J.Jabinth	AP / Mechanical	Representative
17.	Mr.L.Karthikeyan	AP / Mechanical	Representative
18.	Mr.G.Prabu ram	AP(SG) / Mechanical	Representative
19.	Mr.M.Santhana Maruthu Pandian	AP / Mechanical	Representative

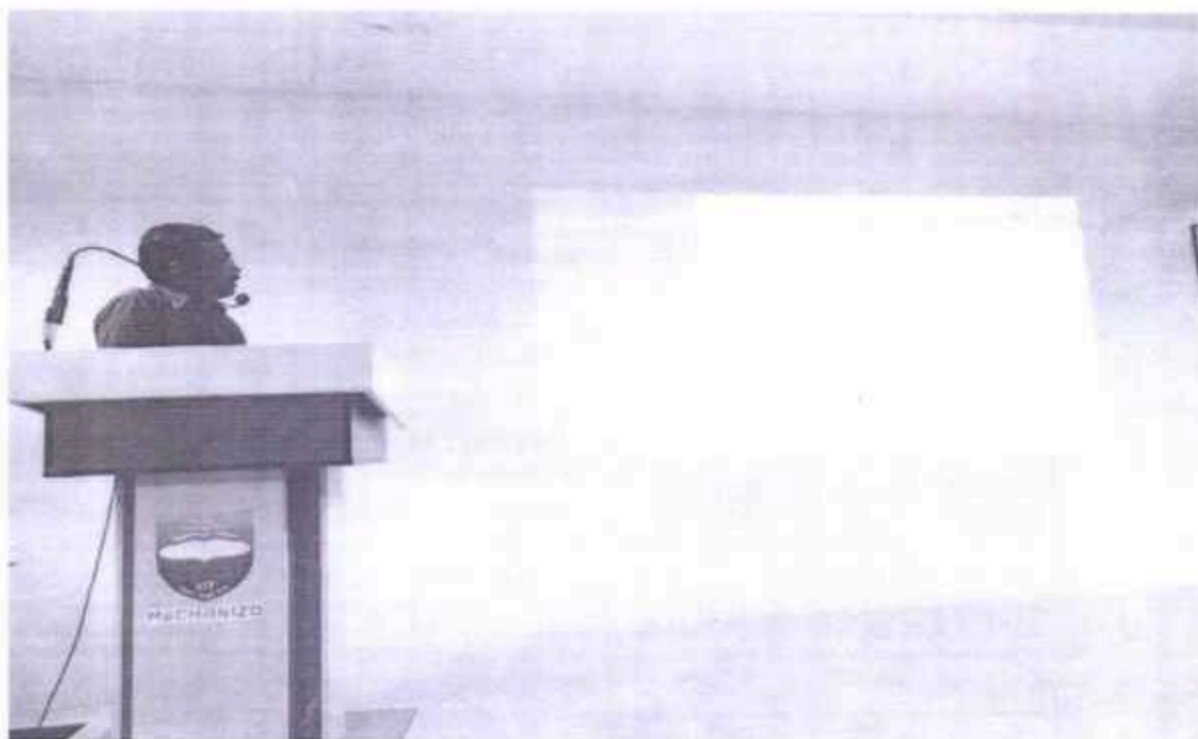

20.	Mr.R.Arun Kumar	AP / Mechanical	Representative
21.	Mr.R.Venkatesh	AP / Mechanical	Representative
22.	Mr.N.L.Sujin	AP / Mechanical	Representative
23.	Mr.T.Selva Sundar	AP / Mechanical	Representative
24.	Mr.K.Amudhan	AP / Mechanical	Representative

1. Review of Previous meeting (1st PA&QIC)

Presenter: Dr.P.Sureshkumar, ASCP/Mechanical

Dr.P.Sureshkumar briefed the 1st PA&QIC meeting content, suggestions given by the members and the action taken in the following heads.

- Dissemination of Vision, Mission, PEO and PSO
- Attainment of PO's, PSO's and Quality Objectives
- Program Effectiveness
- Quality Improvement Activities
- Program Activities, Progress and Status
- Faculty Participation, Paper Presentation/Publications Working Models and Research
- Result Analysis

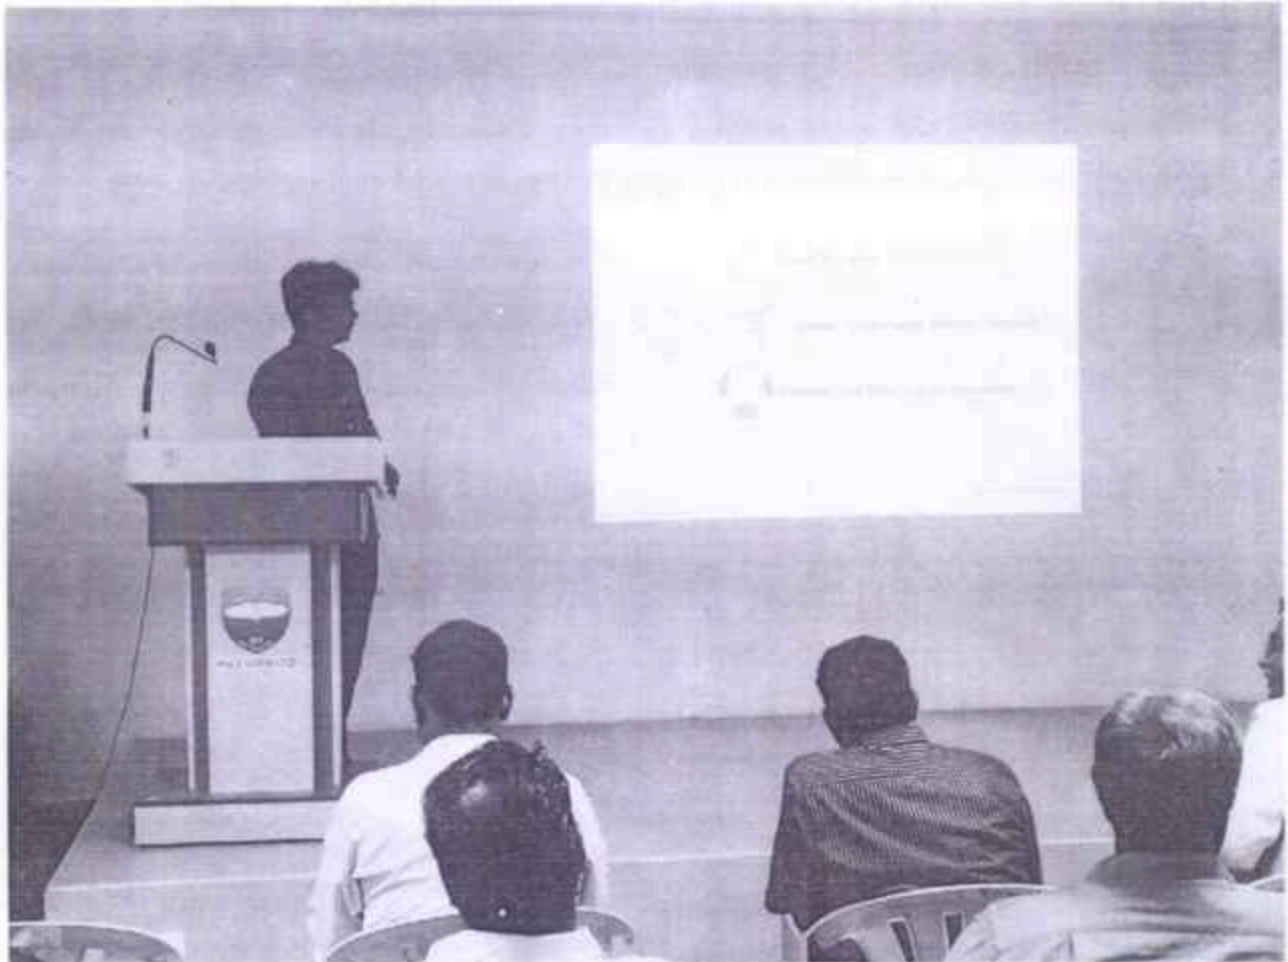

2. Teaching and Learning methods practiced

Presenter: Mr.R.Arun Kumar, AP/Mechanical

Mr.R.Arun Kumar, AP/Mech. presented the teaching learning process which included the following aspects

- Learning Management System used by faculty members
- Pedagogies used in teaching learning process
- Effective evaluation process

Remarks from Members:

The following suggestions were given by the committee members to

- Share the outcome of Technical FDP participation by faculty members in a peer forum
- Ensure the effective use of LMS and the same can be verified in Analytics
- Update the innovative practices for the year 2020 - 21 (Odd Semester)
- "Rubrics criteria formulation can be designed based on the suggestions received from students too"

- Mrs.R.Chitra, AP/ECE asked whether online course contents are shared to the students in the form of Questionnaires or lecture. Mr.R.Arunkumar, AP/Mech explained that usually doing their regular classes and showed some LMS Updates.
- Maintaine the transparent evaluation and Rubrics schemes to the students.
- Members advised to use more different LMS platform as per the faculty convenient.

3. Odd and Even Semester result analysis

Presenter: Mr.T.Selva Sundar, AP/Mechanical

Mr.T.Selva Sundar Presented about Result Analysis For the Academic year 2019 – 2020.

- Individual Class Wise result were explained.
- Department Wise result comparison.
- Steps to be followed by students to increase their CGPA with some basic examples were explained.

Remarks from Members:

- To collect reason from students and subject handling faculty for the subjects which are having low results, also asked the Class Advisors/Mentors to interact with students during Class

Committee meeting about Micro Level analysis of the performance of University Exam and also informed that faculties should find best teaching and Learning method to improve results.

- To identify the potential students who all are having ability to get university rank.
- Members Suggested that Subject Handling Faculty Members should analyze internal/External factors of their respective subjects to improve performance.
- Members asked that some students were not performing well during University examination and they scored lesser grade in some Laboratory Courses.
- Suggested to conduct a special webinar for Unit Conversions and its importance should be organized to the students.
- suggested that remedial reasons given by faculty members for low results should focus both exam and knowledge point of view.

4. Assessment Methods, Attainment of CO's, PO's, PSO's with program effectiveness

Presenter: Mr.J.Jabinth, AP/Mechanical

Mr.J.Jabinth Presented about attainment of COs, POs & PSOs, For the Academic year 2019 – 2020 .

- The total attainment for batch 2016 – 20 will be calculated at once the result announced by the university.
- PES & Alumni exit survey will be collected by online mode.
- CES already collected by online mode, need to be added with CO.
- For batch 2017 – 21, 2018 - 22 CO attainment calculation is completed for theory subjects (Internal subjects).
- For batch 2019 – 23, CO attainment needs to be collected from other departments.

Remarks from Members:

The committee members suggestions are as follows to,

- Set a higher target level by comparing it with the maximum average CGPA value of previous year for every academic year.
- Get reasons from subject handling faculty members for decrease in attainment level.
- Members asked to analyze reasons for decreasing trend in CO-Attainment for some course.
- Committee members asked to complete the collection of Course attainment soon.

5. Utilization of Virtual Laboratory

Presenter: Mr.J.Jerold John Britto, AP(SG)/Mechanical

Mr.J.Jerold John Britto presented Academic year and Subject wise Virtual Laboratory usage and Unique points

- Explained on going and proposed activities to be carry out in Academic year 20-21
- Shared identification and implementation of Virtual experiments for the Academic subjects (Regulation 2017)

Remarks from Members:

- Insisted to fix the target for implementing new Virtual experiment development in the relevant course. Mr.J.Jerold John Britto, AP(SG)/ Mech. replied that faculties need to get train.
- Members suggested to collect the feedback and Outcome from the students about Virtual Laboratory.

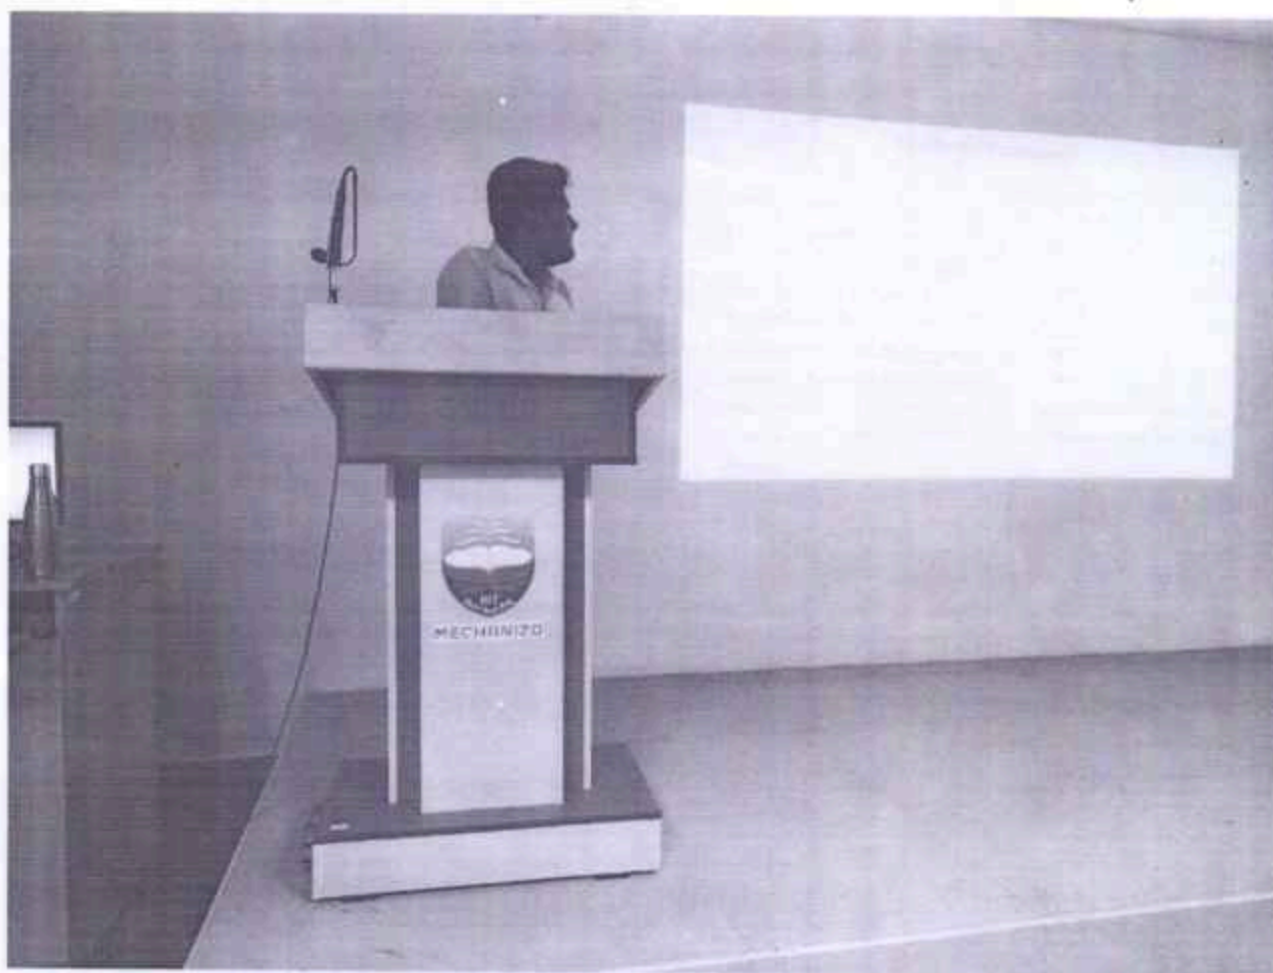

6. Training and Placement Progress with Feedback from Recruiters & Employers

Presenter: Mr.M.Santhana Maruthu Pandian, AP/Mechanical

Presented the details of training and placement progress with feedback from recruiters and employers.

- Given the clinical numbers of students who got placed in various companies in the last academic year 2019-20.
- Collective feedback given by diverse employees specific to the mechanical engineering department.

- Listed the actions taken based on the feedback for the current academic year 2020-21.

Remarks from Members:

- Members suggested to include quantitative numbers of actions taken with respect to the feedback given by the employer.
- Members Suggested to include CTC details in presentation.
- Insisted to motivate the II and III year students to participate in Virtual Internship Training.
- Members asked to include descriptive data for skill rack and Group Discussion planned for future activities.
- Proposed to furnish the backup datas to be presented with proof in future.
- Members advised to start the software Training Program offered by RIT Harita Centre of Excellence for 2020-2021 Batch.
- Suggested to include department faculties in Group Discussion along with English Department faculty.

7. Report on Professional Societies and RIT-Mechanizo (Program Activities and Status)

Presenter: Mr.S.Valai Ganesh, AP/Mechanical

Presented about various professional societies activities along with clubs.

- RIT ISTE chapter conducted more events than any other society/club during the AY 2019-2020. Planned is 10 and conducted is 12.
- Totally there are 49 events are planned out of which 42 events are conducted and plan versus conduct conversion ratio is 87.5%. Conducted event details are already uploaded in college website and department newsletter

Remarks from Members:

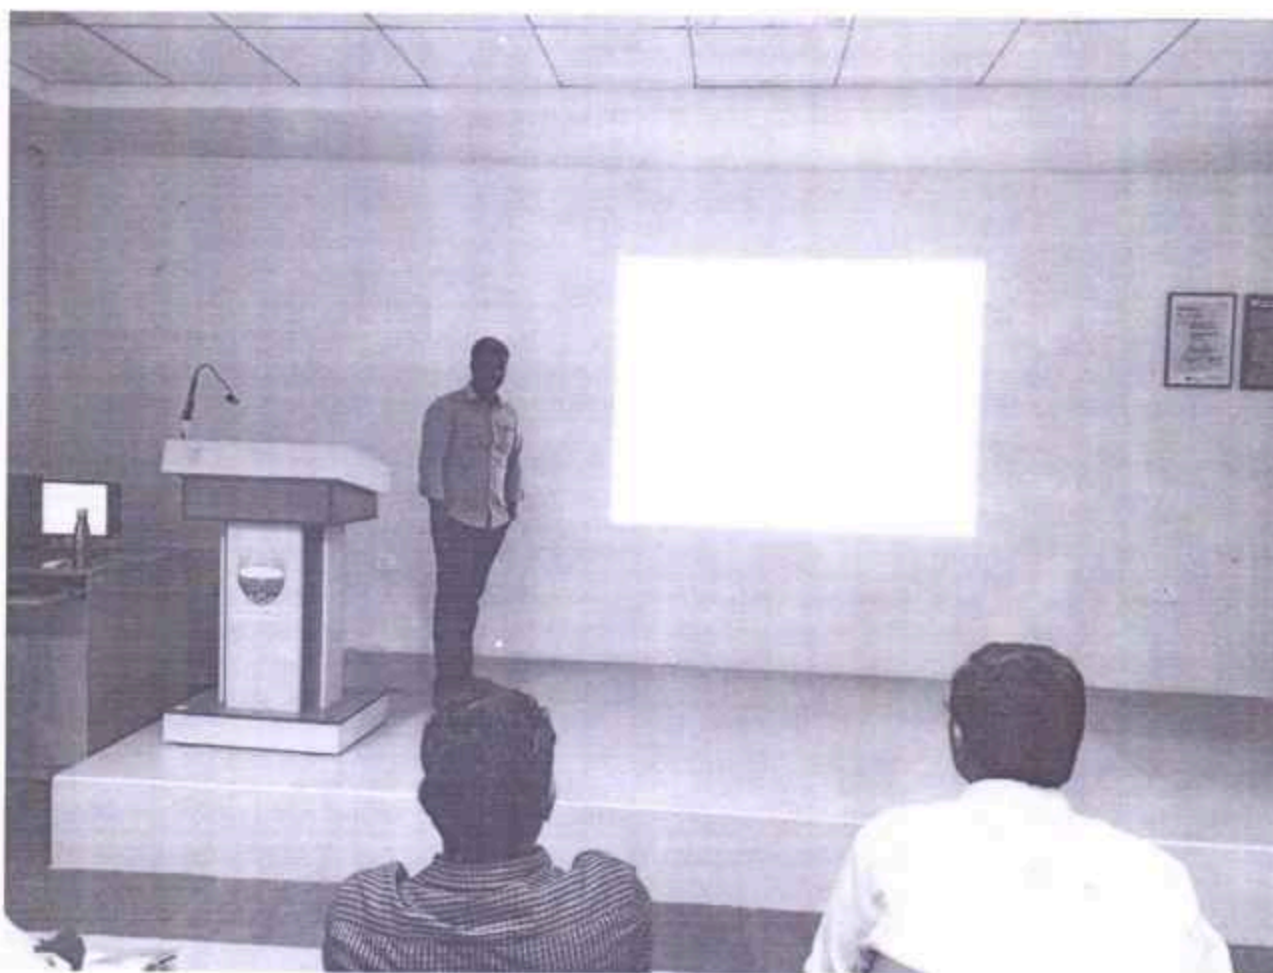

- Suggested that number of students benefited from each societies should be included in the final summary table
- Proposed to include about number of students enrolled for every society
- Recommended to apply for the best professional society award applied details- ISHRAE chapter is applied for the last year and it's under evaluation

8. Internship & In-Plant Training report

Presenter: Mr.L.Karthikeyan, AP/Mechanical

Presented year wise

- Improvements in IPT and Internships
- Conventional practices used in IPT and Internship
- Improvements in last academic year practices & Evaluation techniques

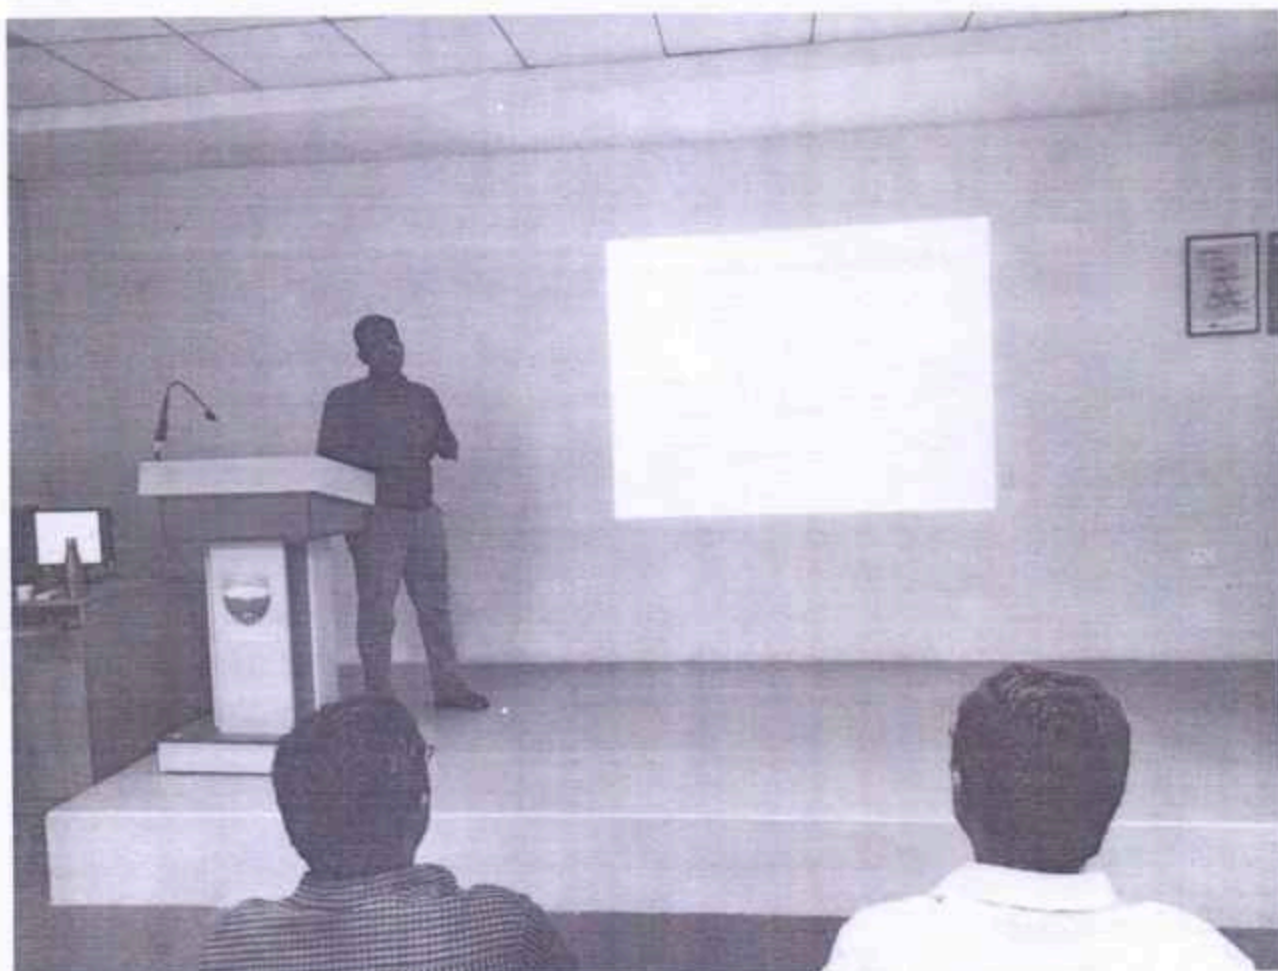

Remarks from Members:

- Panel members appreciated the Evaluation method for IPT and Internship
- Suggested to improve the student participation in internship & IPT in present academic year
- If possible, HoD sir suggested to incorporate quantitative measures in outcome attainment
- Questioned reason for 2019-20 inplant training student Count Reduction and asked to find the reason during Students meeting.
- Members suggested preparing the students and organization feedback periodically and preparing actions taken summary for the same.

9. Students Participation in Co-Curricular and Extra- Curricular Activities

- **Presenter:** Mr.G.Prabu ram, AP/Mechanical
- Presented the participation of students in Co-curricular and Extracurricular Activities for the Academic Year 2019-20. Highlighted the Prize winners details separately.

Remarks from Members:

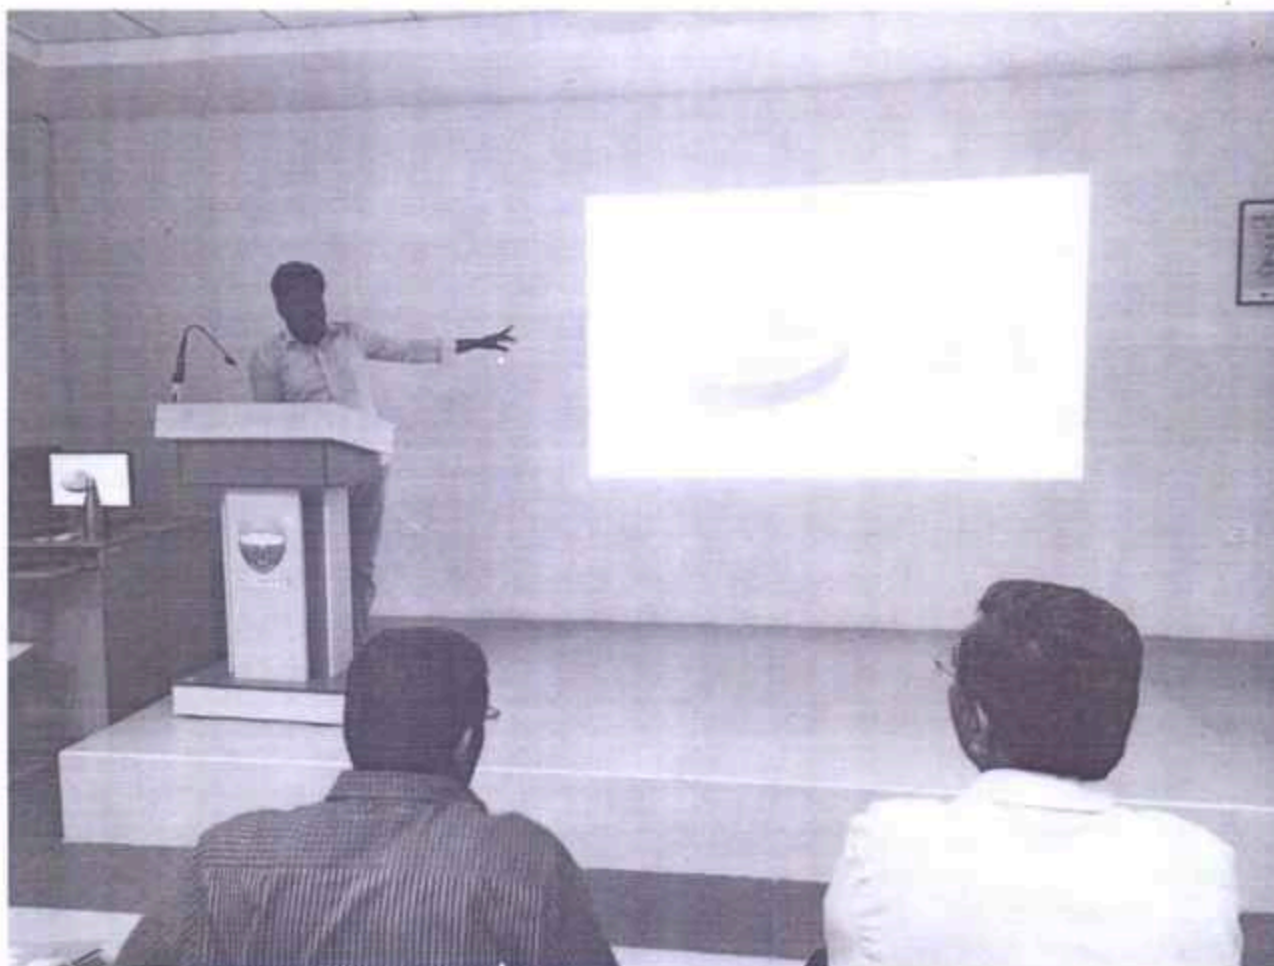

- Suggested to mention the No of team participated in Prize Winning Category If possible consolidate the no of events participated by students.
- Members recommended to include guide name for all the respective projects.

19. Faculty Participations

Presenter: Mr.N.L.Sujin, AP/Mechanical

- Presented the faculty participation for the academic year 2019-20 and 2020-21 upto august month.

- Program participation is categorized into FDP, STTP, workshop, quiz, webinar and training program and briefed the online course completion by the faculty and appearance as resource person in the events

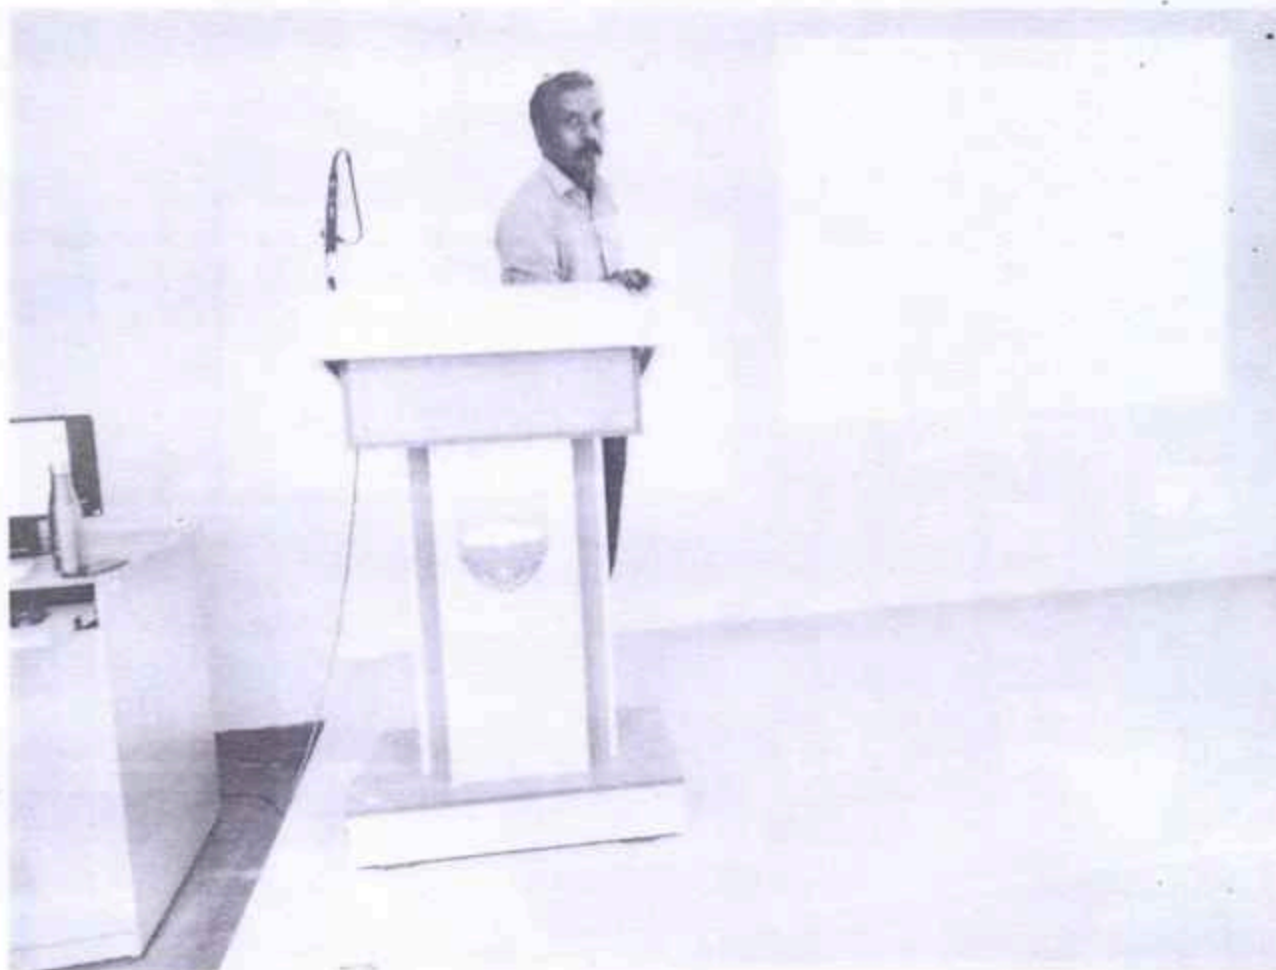

Remarks from Members:

- Panel members suggested to compare the participation by the faculty members for the last two academic years.

11. Project Proposals and research Publications

Presenter: Dr.V.Sivakumar, ASCP/Mechanical

- Briefed the project proposals submitted and granted in the year 2019-2020, and its corresponding status
- Consolidated and presented the list of publications in the Journals and Conferences.
- Highlighted the target set in the quality objectives 2020-21 which are related to project proposals and publications

Remarks from Members:

- Suggested to highlight the number of SCI and Scopus Indexed Journals separately
- Recommended to include the funds received from the non-government agencies / funds from CSR
Proposed to set a desirable target values to meet out the quality objectives without compensating with the existing benchmark
- Members suggested that comparison data with institute is not necessary during presentation.
- Members instructed to include department citation details in the presentation

12. Establishment of Additional Laboratory

Presenter: Mr.K.Amudhan, AP/Mechanical

Mr.K.Amudhan explained the additional laboratory establishment and usage details.

- Briefed Events/Training program conducted from the additional laboratory experiments/Resources.
- Presented the events planned for Academic year 20-21.

13. EDC, IIC & Patents report

Presenter: Mr.R.Arun Kumar, AP/Mechanical

Mr.R.Arun Kumar presented the details of ED Cell, IPR Cell and Institution Innovation Council activities which was jointly prepared by Mr.K.Vigneshwaran and him.

- Presented the activities organized and participated by students and faculty members along with Patents and copyrights filed.
- The establishment of IIC and the recognition of two faculty members (Mr.R.Arun Kumar and Mr.M.Santhana Maruthu Pandian) were also presented.

Remarks from Members:

- Enquired about the procedure in identifying the patentable works. The same was presented by Mr.R.Arun Kumar.
- The review committee members appreciated the procedure followed in categorizing the projects.

14. Documentation of Activities leading to quality Improvement

Presenter: Dr.S.Godwin Barnabas, AP/Mechanical

Dr.S.Godwin Barnabas explained regarding Quality improvement measures in teaching learning process/Faculty research publications

- Explained importance of faculty contribution towards publishing Scopus indexed reputed journal in every year
- Shared quality improvement measures for the sponsored research and Quality improvement measures in product development

Remarks from Members:

- Members suggested to include all innovative projects carry out in all academic year.
- Members insisted to add faculty wise LMS usage details in presentation.
- Members suggested that all the contents should be presented in the form of quality 8 Dimensional perspective.

15. Review of Stakeholders Feedback: Students/Parents/Alumni

Presenter: Mr.C.Gururaj, AP(SG)/Mechanical

Mr. C. Gururaj presented the feedback analysis of students, alumni's and parents. In his presentations, the strength and positive points given by the stakeholders in their feedback are indicated.

- Indicated the lagging and scope for improvement in various activities of our department.

Remarks from Members:

- HOD/MECH suggested that, the faculty members who are getting low percentage of feedback should be identified and they should be asked to improve the respective criteria in which they are getting low points.
- Members advised to analyze the reason for usage of training aids got low % in student's feedback.
- Members suggested that Special Training program should be conducted to the faculty member who got lesser feedback in usage of training aids.

PAQIC members from Département of Mechanical Engineering Mr.M.Maharajan AP/Mech., Mr.R.Prabhakaran AP/Mech. and Mr.M.Ashokkumar, AP(SG)/Mech. and representative Mr.T.Selvasundar, AP/Mech. extended their support to conduct this smooth meeting and contributed towards preparation of the minutes of meeting.

The valuable suggestions for improvements derived from the members of PAQIC will be seriously viewed and necessary activities will be taken at the prompt time for continuous improvements.

Prepared by
Dr.V.Sivakumar, ASCP/Mech.
