Karnataka Dairy Development Cooperation(KDDC), the first ever World Bank/ International Development Agency
- Karnataka Co-operative Milk Producers' Federation Ltd.
KMF Complex, P.B. No.2915,
D.R.College Post,
Dr.M.H.Marigowda Road,
BANGALORE - 560 029.
Karnataka.

Products/ Services -they are producing/doing (if images are there, add it)

- These are the products they producing

Milk

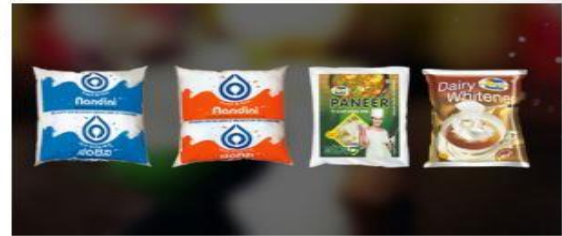

UHT Milk

Flexipack Milk

Curds and other fermented products

Ghee & butter

Milk powder

Recent News about the company

- Karnataka Milk Federation (KMF), which suffered huge losses during the COVID-19-induced lockdown, is on the path to recovery.
- There is an irony in the process of recovery though. Senior officials say that the lockdown that nearly shut down several dairies and processing plants in different States has created opportunities for the country's second largest dairy cooperative.
- "We are selling 3.5 lakh litres of milk per day to other States. This includes sales to other milk federations and the counter sales of Nandini outlets in other States. We are focusing on increasing the range and quantum of our products sold," the officer said.
- From past 4 years Twice a year KMF celebrating "Nandini Sihi Utsava" for about 15 day. During these days KMF offers 10 % discount on MRP of all Nandini sweets such as Mysorepak, Peda, Dharwad Peda, Chocolate Burfi, Dry fruit burfi,

Justify

- **KMF is owned** and managed by milk producers of Karnataka State. **KMF** has over 2.27 million milk producers in over 12,474 Dairy Cooperative Societies at village level, functioning under 13 District Cooperative Milk Unions in the State.

MG8591 – PRINCIPLES OF MANAGEMENT

INNOVATIVE PRACTICE(S) DESCRIPTION

Course code and title: MG8591-Principle of Management

Name of the Instructor: Dr.S.Kannan, HoD/EEE

Innovative practice: Analyses the company and make a business report for controlling technique

Topic: Unit V - controlling

DESCRIPTION:

CO5: The students will be able to explain the process of controlling and various controlling techniques

Analyzing the company and gathering company organizations information. Students were joined as a team or individual based on their own interest. Overall 20 students were participated. Students chosen one company. Gather the information about the company such as their products and services, profit and losses etc. From that make a report why this company facing profit or loss for the past three years. From that student's get clear perspective of controlling techniques applicable in the company.

OUTCOMES:

This activity helps in attaining the following CO – PO mapping:

Course Outcome / Programme Outcome	PO1	PO7	PO8	PO9	PO10	PO12
<i>CO5: The students will be able to explain the process of controlling and various controlling techniques</i>	2	3	3	2	3	2

Student Work:

Name of the student(s): Rahul

Creative idea : Select one Industry – Write two sentences about the company

“Nova carbons india Pvt.Ltd”.

It is the mining and metals company which is incubated by SIPCOT growth centre.

Year 2019 – Profit/loss rate

14.82% profit

Year 2020

9.6%
loss

Year 2021

----- now the plant
is under shutdown

Resources needed: Analyze it why the industry facing consistently last three years – Profit or loss during last three years – their own strategy (3 to 4 sentences)

In the year of 2019 everything was normal the demand for the metals and minerals was high so the company was able to run smoothly but in the mid march of 2020 the lockdown was announced and the company was able to maintain the stable state but in 2021 it is facing a big challenge as lockdown is still expended.
