

RAMCO INSTITUTE OF TECHNOLOGY
Department of Electrical and Electronics Engineering
Academic Year: 2020 – 2021 (Even Semester)

Degree, Semester & Branch: VI Semester B.E. EEE

Course Code & Title: EE8005 Special Electrical Machines

Name of the Faculty member: G. Sivapriya

ACTIVITY

Topic: Applications of Stepper motor

Goal (Learning Outcome):

- ❖ The students will be able to explain various applications of stepper motor - (To achieve this learning outcome the activity was chosen)

Use of appropriate methods:

Activity Chosen: One minute paper

Justification for Choosing the Activity for the topic:

1. List the various applications of stepper motor.

Through this activity, the students can think and list the applications of stepper motor which is helpful for them to remember the applications in specific fields.

Time Allotted for the Activity: 4 Minutes

Effective presentation:

Details of the Implementation:

After teaching the concept, I have given one or two minutes for the students to think and recall about the topic without writing anything.

At the end of the class, I asked them to write various applications of stepper motor in a paper for one minute. I have collected the papers from them.

Total Strength is 29

Samples:

Significance of Results:

Assessment of Effectiveness/Success of the Activity:

- ✓ The assessment of effectiveness of the activity was felt when they have written important applications.
- ✓ While conducting the activity, I understood that the students will be able to list the various applications of stepper motor.

Reflective Critique:

1. Pre-implementation Reflection :

- **Benefits:**
 - Students can attend the question even in the questions are in indirect form.
 - Students can explain the concepts in examination without any confusion.
- **Challenges:**
 - In the class mostly boys hesitate to answer the questions.
 - Time utilization for conducting activity.

2. Post-implementation Reflection :

- **Benefits:**
 - Students understood the concept which was reflected from their answers for the questions I have asked during discussion session.
- **Challenges:**
 - Slow learners were not able to understand some topics during discussion hours.
