**Whereas**

**A. FIRST PARTY A IS A HERA TECH INDIA (P) LTD:**

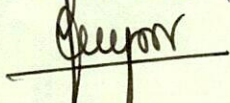

**HERA TECH INDIA (P) LTD (HTIPL)** with an objective of bringing industry interface to students/faculty for developing cutting-edge knowledge and core competency in Artificial Intelligence and Data Science Technology. HTIPL start-up is shaping the healthcare and software development ecosystem in India and Dubai by pioneering applications in multiple domains. This includes policy measures, infrastructure support, entrepreneurial skills training, IPR facilitation, and creating a framework to nurture technologies. HTIPL is functioning at Rajapalayam and Dubai. HTIPL is working in the four vertical technology Stack like Artificial Intelligence, mobile application, web application and Data analytics to provide the solutions for the demand.

**B. SECOND PARTY B IS A HIGHER EDUCATIONAL INSTITUTION:**

**RAMCO INSTITUTE OF TECHNOLOGY (RIT)** promoted by Raja Charity Trust, was established during the academic year 2013-14. It is fully supported by the Ramco Group to create quality Engineers for future needs. The Institution is approved by AICTE and is affiliated to Anna University, Chennai. The institute offers the following courses at present in Undergraduate: 08 (AI & DS, Civil, CSE, EEE, ECE, Mechanical Engineering, CSBS, IT). The college equips its students in academics, placement services, and research and development for the past eight years. In RIT, Department of Chemistry, Mechanical Engineering, Computer Science and Engineering are the recognized Research Centre under Anna University, Chennai. The Department of Artificial Intelligence and Data Science has applied for the research centre recognition under Anna University Chennai. The Advisory Committee plays a vital role in recruiting the best faculty, training them, promoting innovative teaching, and encouraging research.

- C First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.
- D The Parties intent to co-operate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.
