About IUCEE FOUNDATION

IUCEE was formed by a group of academic and industrial experts from India and the US and gradually included experts from other countries as well. The vision of IUCEE is to improve the quality and global relevance of engineering education in India. For the first two years in 2008 and 2009, US experts travelled to India to discuss global best practices in teaching and research in their field with Indian faculty at Faculty Leadership Institutes.

IUCEE realized that sustainability of the mission of IUCEE requires an ecosystem for transformation with focus on faculty development, student development, curriculum development, as well as improved teaching technologies & engineering education research. The IUCEE Consortium is a network of institutions forming the core of the ecosystem for the required transformation. These institutions value such an ecosystem by sharing, collaborating and contributing to it and making it financially sustainable.

Whereas

College is an educational institution imparting education in the field of engineering technology of various branches to the students who have completed their higher secondary education.

Whereas

IUCEE is a Non-profit organization registered in India providing educational solutions, assistance, materials and certain related services for improving the quality of engineering education.

Now therefore

In recognition of these facts, First Party and Second Party, in consideration of the mutual covenants set out in this MoU, the parties hereby agree as follows:
